

## **RFI 006 - Student Uniforms - Preferred Vendor List**

Following the implementation of a revised Administrative Policy and Procedure on “Uniforms and Student Dress Code” by the Board on February 23, 2017, a Request for Information was issued by the District to solicit vendors which are able to provide the basic uniform components to MPS families and schools.

**This list is intended only as a resource.** This list is intended to be used by families and schools to identify where they may purchase uniform components as needed throughout the school year. MPS is not endorsing these vendors or making any representations about the quality of the products they sell. MPS has only compiled the information that was presented by vendors in response to its Request for Information

There is no relationship between the District and a preferred vendor with respect to purchases made by MPS families. **MPS families and schools are free to purchase student uniforms from any vendor, even those not included on the preferred vendor list.**

MPS schools that choose to purchase student uniforms must follow all applicable MPS Administrative Policies and Procedures, including, but not limited to MPS Administrative Policy 3.09 and, specifically, 3.09(18).
