

## 2018-2019 Field Trip Bid Awards by Company

The field trip bid results are broken up into sections depending on if you require the bus to arrive to your destination prior to 9am or returning after 2p AND/OR if you need the bus to 'stay with the group' or can 'drop and go' while the field trip is taking place. When indicated as a drop and go, the vendor would leave after dropping of the group and be returning for the trip back to your school at your specified return time. Please refer to the appropriate section when procuring a bus.

The field trips below the respective company represent the awarded vendor for that particular field trip destination. MPS schools should be using the awarded vendors unless that vendor cannot accommodate trip on the day requested.
