Auditors' Report

Ms. Debra L. Rash
Principal
Maple Tree Elementary School

Our office conducted an audit of Maple Tree Elementary School's (Maple Tree) financial transactions, fixed asset management, payroll exception reporting, fire drill, student attendance and textbook management procedures and activities. The purpose of our review was to assess whether the existing internal controls over the school's financial and other activities can be relied upon to ensure that assets are safeguarded, procedures are followed, and transactions are properly authorized, recorded, and documented. We conducted this performance audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

AUDIT CONCLUSION

Based upon the representations we received from you and your staff and the results of our limited testing of transactions that occurred from January 1, 2016 through December 31, 2016 it is our opinion that internal controls are:

	Internal Controls	
	Adequate	Inadequate
Financial Transactions	✓ with recommendations	
Fixed Asset Management		✓
Payroll Exception Reporting		✓
Fire Drills	✓	
Student Attendance	✓ with recommendations	
Textbook Management	✓ with recommendations	

Adequate: The school has been following most or all of the essential, prescribed internal control procedures to ensure that school assets are safeguarded and transactions are properly authorized, recorded and documented.

Inadequate: The school has not been following the essential, prescribed internal control procedures and accordingly, a high risk for misrepresentation and/or misappropriation exists at the school and these conditions should be corrected immediately.

Accordingly, it is our opinion that balances reported on monthly student activity fund (SAF) financial statements, including but not limited to the December 31, 2016 statement attached as Exhibit I, are fairly stated.

DETAIL AUDIT FINDINGS AND RECOMMENDATIONS

Our audit showed several areas in need of improvement as noted in the following table of audit findings:

Area Reviewed	Number of Audit Findings
I. Financial Transactions	
IFAS-Student Activity Balance Sheet	-
Cash Receipts	1
Cash Disbursements	1
Cash / Budget Reimbursements	1
Camp & Club Accounts	-
Fund Raising	-
Other Expenditures and Controls	2
II. Fixed Asset Management	1
III. Payroll Exception Reporting	4
IV. Fire Drills	-
V. Student Attendance	1
VI. Textbook Management	1

The following pages provide specific details for each of the audit findings and our recommendations. In addition, we have attached a document that summarizes the most commonly used Internal Controls and Other Procedures the district requires schools to follow. The highlighted items within the attached document describe the internal control, procedure, or policy that did not exist at your school and should be implemented as soon as possible.

I. Financial Transactions

Cash Receipts

1. Audit Finding

Three of eight (38%) cash receipts were not deposited in a timely manner, with receipts deposited ranging from three to ten days after the date they should have been deposited.

Recommendation

The Principal should ensure that the Bookkeeper deposits funds on a weekly basis.

School Response

As of April 7, 2017, the Principal met with the Bookkeeper and confirmed it is a priority that all funds are deposited weekly.

Cash Disbursements

2. Audit Finding

For five of five (100%) cash disbursements tested, the invoice or receipt was not properly cancelled, with a notation of marked PAID and/or the check date written on the invoice or receipt.

Recommendation

The Principal should ensure that the Bookkeeper marks receipts and invoices “PAID” and lists the check number and date of issuance on the original invoice.

School Response

As of April 7, 2017, the Principal met with the Bookkeeper and confirmed all receipts and invoices must be marked “PAID” and the check number listed, along with the date of issuance on the original invoice. The Principal requested, and the Bookkeeper did order both an automatic and hand stamp which will be used to properly cancel all receipts and invoices with “PAID” noted.

Capital Cash / Budget Reimbursement

3. Audit Finding

One expenditure for MMABSE totaling \$750 for staff registrations was submitted for reimbursement and one of the staff registrations totaling \$125 did not have supporting documents on file.

Recommendation

The Principal should ensure that Budget Reimbursements requested are below the \$500 limit and all supporting documents are retained.

School Response

As of April 7, 2017, the Principal met with the Bookkeeper and confirmed it is a priority that all Budget Reimbursements require affixed supporting documentation, and should be below the \$500 limit.

Other Expenditures and Controls

4. Audit Finding

For one vendor contract tested, Antoine Nixon, the service was rendered on January 7, 2016 through February 4, 2016, which was prior to the contract being signed by Risk Management.

Recommendation

The Principal should ensure that professional service contracts are completed, reviewed, and approved by Risk Management before services are rendered.

School Response

Services rendered prior to the contract entered by Mr. Antoine Nixon, Flood the Hood with Dreams, were Pro Bono.

As of April 2017, the Principal will make sure it is clear and evident that any services rendered Pro Bono are clearly indicated to avoid the appearance of non-compliance with Risk Management.

5. Audit Finding

Two of ten (20%) expenditures tested were charged to the incorrect budget code. Two purchases of reading materials were charged to ESUP-Supplies Consumable, instead of ENTB–Non-Text Books. In addition, fixed assets testing also revealed that a HP Pro Book was charged to ENCQ-Non-Capital Equipment, instead of ECPU-Computer.

Recommendation

The Principal should ensure that all expenditures are charged to the budget code that most accurately describes the nature of the expenditure.

School Response

As of April 7, 2017, the Principal met with the Bookkeeper and will review the check and invoice, and ensure the account number from which payment is being sought is accurate, describes the nature of the expenditure, funds are available, and the expenditure relates to the purpose of the account.

II. Fixed Asset Management

6. Audit Finding

Two fixed assets purchased during the review period, a HP Laser Jet Printer and HP Pro Book were not tagged and recorded in IFAS with a description of the item, per unit cost, serial number, location, and the MPS tag number within 30 days of receipt. The HP Pro Book was not located at the school and remains missing and unaccounted for and the *Loss of School Asset Report* form and *Asset Disposal* form were not completed and remitted to the Department of Finance for the missing HP Pro Book. In addition, the school did not finish accounting for its fixed assets on the FY15-16 Year End Check List.

Recommendation

The Principal should ensure that (1) all fixed assets are tagged and recorded in IFAS with a description of the item, per unit cost, serial number, location, and the MPS tag number within 30 days of receipt; (2) for any lost or stolen fixed assets, a *Loss of School Asset Report* form and *Asset Disposal* form must be completed and remitted to the Department of Finance; and (3) an inventory is completed to account for all fixed assets in IFAS.

School Response

As of April 7, 2017, the Principal will work with the Bookkeeper and Secretary to ensure all fixed assets are tagged, recorded in IFAS with a description of the item, per unit cost, serial number, location, and the MPS tag number within 30 days of receipt; (2) for any lost or stolen fixed assets, a Loss of School Asset Report form and Asset Disposal form will be completed and remitted to the Department of Finance; and (3) inventory is completed to account for all fixed assets in IFAS.

As of April 2017, and up until the audit, Principal was unaware a HP Pro Book was missing, as this item was ordered April of 2016 and part of a bundle package ordered by the district assigned technology coordinator to help aid the school in their purchase of electronic monitoring message boards and related required equipment. The electronic message monitoring boards and related equipment were not installed until March 2017, and it was at that time, and upon inquiry by the Auditor it was reported missing, despite an exhaustive search for its whereabouts. The Principal will complete a Loss of School Asset Report Form.

III. Payroll Exception Reporting

7. Audit Finding

For two overtime payments tested, a signed Extra Hours form was not on file for the school Secretary who received the pay.

Recommendation

The Principal should ensure that (1) an Extra Hours form is completed, signed and dated by the employee; (2) the Principal signs and dates the form as an indication of their review and approval; and (3) the form must be retained in the payroll file.

School Response

As of April 7, 2017, and prior to, the Principal alerted the school Secretary, an Extra Hours form must be on file and retained in payroll when additional compensation is sought. The Secretary has been on leave since beginning December 2016, and has not returned, and as a result, Principal was unable to process the required form. Going forward, the Principal will ensure that (1) an Extra Hours form is completed, signed and dated by the employee; (2) the Principal signs and dates the form as an indication of their review and approval; and (3) the form is retained in the payroll file.

8. Audit Finding

A Limited Term Employment (LTE) employee started working at the school on September 1, 2016 prior to the employee being setup in PeopleSoft. The LTE employee worked during four

pay periods (September 1, 2016 to October 19, 2016) earning 182.50 hours of pay, but was not paid until the December 16, 2016 paycheck.

Recommendation

The Principal should ensure that employees are properly setup in PeopleSoft prior to starting and they should be paid timely or within thirty days of the period worked.

School Response

We have been without a Secretary since December 2016, and have had a total of 9 secretaries from Goodwill Talentbridge. The school Secretary resigned from the district August 2016, and a new Secretary was assigned by Human Capital who went on leave December 2016. To kick off the school year, Principal did not have a Secretary. As a result, Principal received permission to retain an LTE, a retired, MPS Secretary, who immediately came on board to help facilitate the school year start.

As of April 7, 2017, the Principal will ensure employees are properly set up in PeopleSoft prior to employment and paid within the required 30 days.

9. Audit Finding

A paraprofessional is working on school payroll under the Principal's supervision without being properly setup in PeopleSoft with their own unique sign-on credentials to access payroll.

Recommendation

The Principal should ensure that a security access form is completed and submitted for the paraprofessional, so the Payroll department is able to ensure the paraprofessional receives the proper sign-on credentials and training.

School Response

As of March 9, 2017, the Paraprofessional has security access via the Payroll Department and proper sign on credentials. Principal reports she has been without a Secretary since December 2016, and has had a total of 9 secretaries from Goodwill Talentbridge. The school Secretary resigned from the district August 2016, and a new Secretary was assigned by Human Capital circa October 2016, who went on leave December 2016. To kick off the school year and continuing, Principal did not have a Secretary. Both Goodwill Talentbridge secretaries and the LTE were not trained and had no knowledge of district payroll procedures and or processing.

10. Audit Finding

This same paraprofessional was also subbing in a classroom with special education students for a total of fifteen consecutive days and did not possess a special education aide license from the Department of Public Instruction (DPI), which could expose the District to certain risks including loss of funding.

Recommendation

The Principal should work with the Office of Human Capital to ensure that all paraprofessionals on Maple Tree staff obtain their special education aide license.

School Response

Effective immediately, the Principal will work with the Office of Human Capital to ensure that all paraprofessionals on Maple Tree staff obtain their special education aide license from the Department of Public Instruction (DPI).

IV. Fire Drills

No audit findings.

V. Student Attendance**11. Audit Finding**

School staff does not consistently contact the parents or guardians of truant students by the end of the second day of an unexcused absence. School staff relies on the Messenger auto dialer and school social worker to contact parents of truant students; however, if parents are not reached by the Messenger program or school social worker, they are not consistently contacted within 48 hours of a reported truancy.

Recommendation

The Principal should direct staff to contact parents of truant students by phone or another means before the end of the second day after receiving a report of an unexcused absence.

School Response

As of April 7, 2017, the Principal has directed staff to contact parents of truant students by phone or another means before the end of the second day after receiving a report of an unexcused absence.

VI. Textbook Management**12. Audit Finding**

For the six textbooks tested from two classrooms, one of six (17%) have the status *available* when all six textbooks should have the status *checked out*.

Recommendation

The Principal should ensure that all materials provided to individual teachers and students are properly barcoded and recorded in the textbook management system.

School Response

As of April 7, 2017, the Principal met with the school textbook coordinator to affirm the mandate and requirement all materials provided to individual teachers and students are properly barcoded and recorded accurately in the textbook management system.

MILWAUKEE PUBLIC SCHOOLS
OFFICE OF AUDIT SERVICES
Internal Controls and Other Procedures

School funds are accounted for through the Integrated Finance and Accounting System (IFAS). The MPS School Accounting Manual (SAM), MPS Financial Standards (FS), Travel Policies and Procedures Manual (TPPM), Educational Materials Inventory Management Process Manual (EMIVMP), and Board Administrative Policies and Procedures (BAP) are the primary sources for district financial guidelines. The following information summarizes the most commonly used Internal Controls and Other Procedures the district requires schools to follow. In some cases, information and/or explanations were added or expanded by Audit Services based on best business practices (BBP). Sources where more detailed information can be found are referenced throughout.

I. Financial Transactions

IFAS-Student Activity (IFAS-SA) Balance Sheet

Purpose: To ensure that no expenditures are made in excess of funds available in an account and that only school-related activities are represented on the balance sheet.

1. The principal should ensure that IFAS-SA Balance Sheet accounts never have negative balances (except the budget reimbursement – xx20101 L201 and camp reimbursement – xx20301 L205 accounts). No expenditure should be made in excess of the total funds in the club's account. [SAM]
2. All accounts on the general ledger should represent currently active, school-sponsored clubs or activities. Cash balances relating to inactive club accounts should be transferred to the General School account after one year. [SAM]
3. The principal/secretary/bookkeeper should ensure that the petty cash is kept in the office and in a secure location. [SAM]
4. The principal should ensure that the petty cash is no more than \$50. [BBP]
5. The principal should receive, open, and review the bank statements. The principal should review cancelled checks returned with the bank statement to ensure all checks were signed by the principal. [SAM]
6. The monthly bank statement should be reconciled to the IFAS-SA report and checkbook balance and a copy of the reconciliation should be remitted to the Finance Department by the 20th of the month. The review of the bank reconciliation should be performed in tandem with the monthly review of the school's financial records and should be signed by the principal. [SAM, FS #7, BAP 3.06]

7. The secretary/bookkeeper should record bank adjustments such as returned items and bank charges in the checkbook as soon as they are known. [SAM]
8. Outstanding checks greater than one year old should be written off. [SAM]
9. Correction memos from the bank and adjusting entries on IFAS-SA should be rare occurrences. [BBP]
10. Electronic fund transfers (EFT) used to transfer monies from the school's checking account to a central nutrition account should be monitored. Daily cafeteria receipts should be reconciled to the monthly EFT on the bank statement and differences should be investigated and resolved. [SAM, BBP]
11. Interest earned on savings accounts or certificates of deposit should be recorded when received which may be monthly, quarterly, or upon investment maturity. [SAM]

Cash Receipts

Receipt of Funds

Purpose: To ensure adequate control is maintained over all funds that are received by school personnel.

1. When an individual (advisor) receives funds, the advisor should, on a daily basis, count the funds and prepare and sign the standard three-part Cash Receipt form which includes the account number and name, date, and the breakdown of funds being deposited. The funds and the completed Cash Receipt form should then be submitted to the secretary/bookkeeper. Food service managers should prepare three signed cafeteria reports, which detail the cafeteria receipts, and submit two copies to the secretary/bookkeeper in lieu of the three-part Cash Receipt form. [SAM, BAP 3.08]
2. The secretary/bookkeeper should independently count the funds and counter-sign the Cash Receipt/cafeteria reports which detail the cafeteria receipts. The secretary/bookkeeper's signature indicates agreement on the accuracy of the amount being deposited. If a discrepancy exists, the secretary/bookkeeper should contact the advisor and resolve the discrepancy. [SAM, BAP 3.08]
3. The secretary/bookkeeper should (a) return the last copy of the completed Cash Receipt/cafeteria reports to the advisor, (b) file the second copy of the Cash Receipt/cafeteria form by the IFAS-SA account number, and (c) attach the top copy of the Cash Receipt/cafeteria form to the bank deposit receipt to use when posting financial information to IFAS-SA. [SAM]

Depositing the Funds

Purpose: To ensure all funds are properly deposited.

4. All funds received should be secured in a locked environment, preferably a safe, but at least a locked cabinet or locked drawer in an area with limited access, such as the principal's office. Under no circumstances should funds be kept in desks, file cabinets, or any location in a classroom. [SAM, BAP 3.08]
5. The secretary/bookkeeper should deposit funds at least on a weekly basis. [SAM, BAP 3.08]
6. The secretary/bookkeeper should deposit all revenue received since the last deposit. No cash should be held back for any reason. [BBP]

Recording the Receipts and Retention of Records

Purpose: To ensure receipts are properly recorded and that records are properly retained.

7. Each bank deposit slip should be supported by Cash Receipt forms included in that deposit. This group of documents should be filed chronologically. [SAM]
8. Whenever a deposit is made, the secretary/bookkeeper should record the deposit in the school's checkbook register along with the new running balance. [SAM, BBP]
9. The secretary/bookkeeper should update IFAS-SA at least monthly by entering the information from the original Cash Receipt/cafeteria report. Audit Services strongly recommends weekly updates so that each student activity fund balance is known throughout the month and deficit spending does not occur. Weekly entry will also require posting to IFAS-SA based upon the original Cash Receipt/cafeteria report and will ensure that a reconciliation is performed between the school's cash balance and the bank statement balance. [BBP]
10. All copies of the Cash Receipt forms should be retained by the individuals responsible for the copies. [SAM]
11. Cash donations, gifts, and scholarships should be recorded and acknowledged by the School Board in accordance with district procedures. Scholarships/grants/donations of \$5,000 or more should be remitted to Central Services for administration. [SAM]

Cash Disbursements

Purpose: To ensure that all expenditures are properly authorized and approved and payments are adequately documented.

Payment Authorization and Processing

Approval

1. Original invoices and packing slips or other expenditure documentation should be submitted to the secretary/bookkeeper for Student Club account and General School expenditures to be paid by a school check. The only acceptable forms of documentation are original receipts and invoices. Photocopies and duplicate invoices are not acceptable. Statements should not be used as documentation as their purpose is only to list amounts owed. The secretary/bookkeeper should then prepare a check for the principal's signature. [SAM]
2. Prior to check signing, the principal should ensure that (a) the expenditure is reasonable, relates to the activities of the account, and is allowable under MPS guidelines, and (b) sufficient funds are available in the club account from which the expenditure will be drawn. [SAM]

Payment

3. The checkbook and any unused check stock should be safeguarded to protect against unauthorized use. [SAM]
4. On each check stub schools should record: date, payee, description, IFAS-SA account, IFAS budget code (Capital Cash reimbursement only), amount of check, and balance in the account after the check. [SAM]
5. Checks written to a vendor by the secretary/bookkeeper should be mailed directly to the vendor and not forwarded to the club advisor. [BBP]

Documentation and CASH Entry

6. The secretary/bookkeeper should mark receipts and invoices "paid" and list the check number and date of issuance on the original invoice. This will avoid duplicate payments. [SAM]
7. The secretary/bookkeeper should enter expenditure transactions on IFAS-SA at least monthly. Audit Services strongly recommends weekly updates so that each student activity fund balance is known throughout the month and deficit spending does not occur. Weekly entry will also require posting to IFAS-SA based upon the original invoice and will ensure that a reconciliation is performed between the school's cash balance and the bank statement balance. [BBP]

8. Invoices paid with a school check should be filed alphabetically by the payee's name or by check number. If a school has many disbursements, a separate file can be set up for each vendor. [SAM]
9. The principal/secretary/bookkeeper should ensure that supporting documentation is retained. [SAM]

General

10. When writing checks to businesses, always make the check payable to the business, never to an individual. [BBP]
11. New principals should ensure that a Depository Resolution is prepared and provided to the School Accounting Division to update the bank account authorized signers. [SAM]
12. The principal should ensure that the school checking account is never overdrawn. [SAM]
13. The principal should not sign blank checks or allow checks to be signed by use of a signature stamp. [SAM, FS #8, BAP 3.06]
14. The principal should not approve checks payable to cash. [BBP]

Capital Cash/Budget Reimbursements

Purpose: To ensure that Board and categorical funded small purchases made with school checks are appropriately accounted for and processed efficiently.

1. Capital Cash should be used for small expenditures that can be reimbursed by Central Services and charged to a school's budget. Requests for reimbursement(s) should be submitted at least once a month. All receipts/documentation must be initialed and dated by the school administrator; including the check number and amount to be reimbursed. This will let the Accounts Payable staff know the invoice has been approved for payment. [SAM, FS #5, BAP 3.06]
2. Capital Cash/Budget Reimbursement should not be used for: (a) purchases greater than \$500; (b) payments to individuals (employees, contractors, or consultants); or (c) payment of travel expenses. [SAM]
3. The secretary/bookkeeper should ensure that all Capital Cash reimbursable expenditures are posted to the budget reimbursement account – xx20101 L201. When reimbursement checks are received, the secretary/bookkeeper should ensure that all items posted to account – xx20101 L201 were included on the reimbursement check. Adjusting journal entries to xx20101 L201 should be made when items recorded in xx20101 L201 are not reimbursed (e.g. sales tax, gifts for staff). [SAM, BBP]

4. Expenditures that are submitted through Capital Cash/Budget Reimbursement and are charged to a grant must comply with the grant requirements. [SAM]

Camp and Club Accounts

Purpose: To ensure that cash receipts and expenditures are accurately recorded and district assets are safeguarded relating to Camp and Club account activities.

1. The following IFAS-SA accounts should be set up to properly account for before and after school day care programs:
 - Account xx20302 L203 should be used to post registration receipts, and account xx20401 L204 should be used to post parent co-payments and other Camp receipts. [SAM]
 - Account xx20301 L205 should be used to record Camp expenditures to be reimbursed from the Camp budget (000-0-0-CMP-XX). Budget Reimbursement account xx20101 L201 may be used in lieu of account xx20301 L205. [SAM, BAP]
2. All Camp funds received from parents and other sources must be remitted to Finance each month. The budget adjustment account 000-0-0-CMP-XX-EBAJ is used to record these funds in IFAS. [SAM]
3. Appropriate records should be maintained by the Camp Director to show that all Camp funds received from parents are recorded on attendance and payment logs and are remitted to the school secretary with a cash receipt form for bank deposit. [BBP]
4. The secretary/bookkeeper should provide staff advisors with IFAS-SA Detail Trial Balance/Query Accounts (QA) reports each month whenever there is club account activity. A reconciled copy of the CAMP QA IFAS-SA report must be provided to the school principal for review. [SAM]
5. Staff advisors should review their club account transactions and balances for accuracy based on their retained Cash Receipt forms, invoices, and club records. The principal should ensure staff is aware of their responsibility to review their account transactions and balances for accuracy. [SAM]

Fund Raising

Purpose: To ensure that fund raising events are adequately monitored, fund raising revenues are properly deposited, and expenditures are reasonable and appropriate. [BAP 7.22]

1. The principal should provide prior approval for all fund raisers by signing fund raising request forms submitted by the staff advisor. [SAM]

2. The principal should obtain approval from their Regional Director of School Support for fundraisers anticipated to generate revenue of \$5,000 or greater. [SAM]
3. All fund raising transactions must be conducted through the school's checking account and reflected in the school's General Ledger. This includes every receipt and disbursement. No cash payments to vendors are allowed. [SAM]
4. Fund raising financial report forms should be completed by the staff advisor and submitted to the secretary/bookkeeper within one week after the completion of the fund raiser. The principal should ensure that properly completed Fundraising Request and Report forms are on file for all fund raising events. [SAM]
5. The school principal should review the completed fund raising form to ensure that [SAM]:
 - a. The fund raising activity was completed within the approved time frame.
 - b. Actual revenue was similar to expected revenue.
 - c. Profit was reasonable (fund raising profit margins are typically 35-50%).
 - d. The financial report was submitted by the staff advisor immediately following completion of the event.
 - e. Expenditures are reasonable and consistent with the purpose of the fund raiser.
6. If the school has a PTA/PTO that records their activity on IFAS-SA, all such fundraising activities must be in accordance with the same rules as a school fundraiser. If the PTA/PTO is a recognized parent organization that maintains their own financial records [BAP 7.22]:
 - a. All fund raising needs the approval of the principal before proceeding with any activity.
 - b. The treasurer should provide the principal with a financial report for each event.
 - c. All monies collected should be deposited into the PTA/PTO bank account on a regular basis and shall not be kept in an individual's bank account.
 - d. The principal should ensure that two individuals authorize all expenditures.
 - e. The principal should ensure that no members on the PTA/PTO receive a salary or any other type of compensation.
 - f. Financial statements should be prepared for fund raising activities upon completion of all financial transactions related to the fund raising activity.
 - g. The treasurer should prepare and distribute a financial report to the parent group at least once each semester. The report should detail the receipts and expenditures for each respective period.
 - h. The principal should meet with the PTA/PTO president or treasurer at least once a semester to review financial statements and bank statements and to discuss PTA/PTO financial activities.
 - i. Copies of PTA/PTO annual financial reports and fund raising activity reports must be forwarded to the Department of Finance.

Other Expenditures and Controls

Purpose: To ensure that assets are adequately safeguarded and protected from risk of loss.

1. To the extent possible, different employees should be assigned to: [SAM, FS #6, BAP 3.06]
 - Counting cash
 - Depositing cash
 - Recording receipts/expenditures
 - Reconciling IFAS-SA balance sheet and checkbook to bank statements
 - Authorizing payments/reimbursements to principal
 - Receiving fixed assets and recording fixed assets in IFAS
2. No staff at any school should have a credit card or debit card in the school's name. [SAM]
3. The principal should avoid conflicts of interest; e.g., hiring a friend or family member to work for the school. [FS #3, BAP 3.06]
4. Paramount to a strong internal control environment is staff knowledge of the MPS School Accounting Manual (SAM), MPS Financial Standards (FS), and Board Administrative Policies and Procedures (BAP). These documents are available on the MPS portal for schools to use as a reference and to assist schools when conducting financial transactions. The Office of the Chief Financial Officer provides training classes pertaining to the conduct of school financial operations which should be attended by school leaders, secretaries and bookkeepers. [BBP]
5. Whenever a theft occurs, Principals should report it immediately to their Administrative Specialist. The Administrative Specialist can help determine if it is necessary to 1) report the theft to the police and 2) relieve the employee of his/her responsibilities. [SAM]
6. The principal should ensure that all travel outside the Milwaukee metropolitan area is entered on IFAS and reconciled within 15 days of trip completion. No trips for a school or department will be approved if that school or department has any trips that have not been reconciled on IFAS. [SAM, TPPM]
7. The principal should ensure that all open encumbrances are reviewed and monitored. Open encumbrances that are no longer needed should be reversed by contacting the Department of Finance.
8. School budgets should be managed and controlled to maximize benefits allowed under the financial standards. Principals are responsible for: determining that expenditures are necessary, reasonable and ordinary; payments are timely to take advantage of discounts and to avoid finance charges; using appropriate account codes; establishing and authorizing purchasing procedures; retaining adequate funding levels throughout the fiscal year; and aligning budget preparation with the school's educational plan. The principal should monitor the monthly responsibility reports to ensure sufficient funds are available for operating expenses. Schools should seek higher rates of return by investing in Certificates of Deposit when appropriate. [SAM, FS #1, BAP 7.30, BBP]
9. The principal should meet with the Department of Finance to discuss strategies to eliminate deficits and, if required, develop a multi-year plan to reduce and eventually eliminate the deficit. [BBP]

10. When goods and services have been negotiated by Purchasing under blanket contracts, ordering from the blanket contract vendor is mandatory. If a blanket agreement does not exist, IFAS Dashboard procedures including applicable Quick Quote and Purchase Requisition (PR) must be followed. Ordering goods from a blanket contract not on Punch Out is done by entering a PR in IFAS, printing out the resulting Purchase Order (PO), and sending the PO to the vendor. When items from vendors are physically received at schools, staff must electronically “receive” them in IFAS (POUPRC). Services should not begin prior to contract signing. [SAM, FS #4, BBP]

II. Fixed Asset Management

Purpose: To ensure that district assets are recorded, safeguarded, and protected from risk of loss.

1. The principal should ensure that all new fixed assets are recorded on IFAS, tagged, and secured within 30 days of receipt. [FS #10, BAP 3.06]
2. A separate file should be maintained that contains all documents relating to the acquisition and disposal of fixed assets. [BAP 3.06]
3. Periodically during the school year, random audits should be made to determine if assets are still in use or if they should be removed from the IFAS fixed asset register. A physical inventory of all fixed assets must be completed prior to the end of each school year. [FS #10, BAP 3.06]
4. Equipment loan forms should be utilized and properly completed for all district assets loaned to staff. [SAM]

III. Payroll Exception Reporting

Purpose: To ensure that employee pay is accurate and appropriate and district assets are safeguarded.

1. The principal should establish site security designating the principal as the only person with online payroll system access to approve the payroll. Passwords must not be shared. [SAM, FS #2, BAP 3.06]
2. The principal must approve bi-weekly payroll for all personnel under their authority in the district’s PeopleSoft system. [Thursday Updates 8/28/14]
3. The principal must validate non-hourly employees in PeopleSoft each Monday following a payday Friday. If there are employees on the PeopleSoft list that do not work at your site, you will need to identify them by selecting the **Do Not Pay** box so they can be removed from your staff roster. Print and attach the confirmation email to the corresponding payroll as proof that the validation of non-hourly employees has been completed. [Thursday Updates 8/28/14 and 2/12/15, FS#2]

4. Other compensation such as overtime and extra pay must be documented properly, reviewed, and signed by the principal. Time sheets should list the employee's name, pay period, dates worked, tasks completed, time worked, and number of hours worked. Time and Effort reports for grant funded positions must be prepared and submitted to the Department of Finance. [SAM, BBP]
5. Principals should review payroll accounts each pay period to verify 1) personnel being paid are school employees, 2) personnel are being paid only for hours worked and 3) personnel are being paid at the correct rate. [SAM]

IV. Fire Drills

Purpose: To ensure advance planning for emergencies and disasters occurs.

1. State Statute requires that schools conduct fire drills to instruct pupils in the proper method of departure in case of an emergency. There should be a minimum of one fire drill for each month that school is in session, including any summer school programs, unless the health of students may be endangered by inclement weather conditions. The reason for not holding the drill should be documented on form SBD-11. Two fire drills must be held in the first two weeks of school. Two drills must be observed by the Milwaukee Fire Department. [BAP 4.01, State Statute 118.07, BBP]

V. Student Attendance

Purpose: To ensure student attendance is accurately recorded and parents are properly notified when students do not attend school.

1. State Statute requires that any person having under their control a student who is between the ages of six and eighteen years shall cause the student to attend school regularly. All teachers are required to submit daily attendance reports. All schools are required to contact the parents or guardians of truant students within two days of an unexcused absence. In addition, the school shall mail a habitual truancy letter to the parent or guardian of a student who is a habitual truant when the child has accumulated five (5) unexcused absences within the school semester. The letter shall be sent by registered or certified mail or first class mail. The parent/guardian can also be simultaneously notified by an electronic communication. [BAP 8.07, 8.13 and 8.14, State Statute 118.15 & 118.16]

VI. Textbook Management

Purpose: To ensure proper maintenance and control of textbooks/instructional materials.

1. To the extent possible, materials provided to individual teachers and students are to be recorded in the district-wide electronic text-book management system. [BAP 7.27]

2. Principals shall appoint school textbook coordinators who will be responsible for distributing, collecting, and conducting an inventory accounting for at least 90% of all textbooks/instructional materials at the school level through the use of a district-wide textbook management system. [BAP 7.27, EMIVMP]
3. All extra textbooks are kept in a controlled secured storage room that only the Principal and school textbook coordinator can access, or are stored in a locked cabinet or locked desk drawer in the classroom. [EMIVMP]
