## Auditors' Report

Ms. Redona Williams  
Principal  
Townsend Street School

At your request, our office conducted an audit of Townsend Street School's (Townsend) financial transactions, fixed asset management, payroll exception reporting, fire drill, student attendance and textbook management procedures and activities. The purpose of our review was to assist you in your New Principal assignment by assessing whether the existing internal controls over the school's financial and other activities can be relied upon to ensure that assets are safeguarded, procedures are followed, and transactions are properly authorized, recorded, and documented. We conducted this performance audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

### **AUDIT CONCLUSION**

Based upon the representations we received from you and your staff and the results of our limited testing of transactions that occurred from July 1, 2016 through June 30, 2017, it is our opinion that internal controls are:

	Internal Controls	
	Adequate	Inadequate
<b>Financial Transactions</b>	✓ with recommendations	
<b>Fixed Asset Management</b>		✓
<b>Payroll Exception Reporting</b>	✓	
<b>Fire Drills</b>	✓	
<b>Student Attendance</b>	✓	
<b>Textbook Management</b>		✓

**Adequate:** The school has been following most or all of the essential, prescribed internal control procedures to ensure that school assets are safeguarded and transactions are properly authorized, recorded and documented.

**Inadequate:** The school has not been following the essential, prescribed internal control procedures and accordingly, a high risk for misrepresentation and/or misappropriation exists at the school and these conditions should be corrected immediately.

Accordingly, it is our opinion that balances reported on monthly student activity fund (SAF) financial statements, including but not limited to the June 30, 2017 statement attached as Exhibit I, are fairly stated.

**DETAIL AUDIT FINDINGS AND RECOMMENDATIONS**

Our audit showed several areas in need of improvement as noted in the following table of audit findings:

<b>Area Reviewed</b>	<b>Number of Audit Findings</b>
<b>I. Financial Transactions</b>	
IFAS-Student Activity Balance Sheet	-
Cash Receipts	-
Cash Disbursements	2
Capital Cash / Budget Reimbursements	-
Camp & Club Accounts	2
Fund Raising	-
Other Expenditures and Controls	3
<b>II. Fixed Asset Management</b>	2
<b>III. Payroll Exception Reporting</b>	-
<b>IV. Fire Drills</b>	-
<b>V. Student Attendance</b>	-
<b>VI. Textbook Management</b>	1

The following pages provide specific details for each of the audit findings and our recommendations. In addition, we have attached a document that summarizes the most commonly used Internal Controls and Other Procedures the district requires schools to follow. The highlighted items within the attached document describe the internal control, procedure, or policy that did not exist at your school and should be implemented as soon as possible.

## I. Financial Transactions

### Cash Disbursements

#### 1. Audit Finding

One of five (20%) invoices reviewed was not marked "PAID" and did not note the check number, amount paid and date of issuance.

#### **Recommendation:**

The Principal should instruct the Bookkeeper to mark all invoices "PAID" and include the check number, amount paid and date of issuance.

#### **School Response**

This recommendation will be implemented immediately. There was at least one receipt that was not stamped paid. Also, the check number, amount paid and date of issuance will be documented. I agree with the finding.

#### 2. Audit Finding

One expenditure, for participation in a teacher recognition gala sponsored by the Metropolitan Milwaukee Association of Black School Educators (\$540), was charged to a fundraising account, when non-student expenditures are only allowable from an accommodation account such as the soda fund.

#### **Recommendation:**

The Principal should ensure that all expenditures that benefit staff are charged to an accommodation account, such as the soda fund.

#### **School Response**

This recommendation is that all expenditures that benefit staff are charged to an accommodation account, such as the soda fund. I agree with the finding. Time frame - effective immediately.

### Camp & Club Accounts

#### 3. Audit Finding

Review of one student activity account indicated that the school advisor did not maintain complete documentation for all activity that occurred on the account. Copies of invoices / receipts were not consistently maintained.

#### **Recommendation:**

The Principal should direct staff advisors to maintain complete records of activity in their accounts, including cash receipt forms and copies of invoices or receipts.

#### **School Response**

I will ensure staff members are informed that complete records of activity in all accounts (Sunshine club and others), including cash receipt forms and copies of invoices or receipts, needs to be maintained.

#### **4. Audit Finding**

The advisor for one account reported that she had stored money that she collected in a locked cabinet in her classroom for three or four weeks before submitting it to the Bookkeeper for deposit. Only after collecting all the money she expected to collect, did she prepare a Cash Receipt form to submit to the Bookkeeper.

##### **Recommendation:**

The Principal should instruct all staff to secure all funds in an office safe or vault to which only the Principal, Head Secretary, and Bookkeeper have access. Under no circumstances should funds be kept in student lockers, desks, file cabinets, or any location in a classroom.

##### **School Response**

This recommendation has already begun. Information was given to teachers that oversee committee, organizations or fundraisers. I was made aware that all monies must be submitted daily and a receipt must be given to them at that time for their records. I agree with this finding.

#### **Other Expenditures and Controls**

#### **5. Audit Finding**

One expenditure in the amount of \$175, for computer classes for parents, was paid for from the school's checkbook without the use of an MPS professional service contract. All professional services require the use of an MPS professional service contract and payment must be processed through the Department of Finance.

##### **Recommendation:**

The Principal should ensure that an MPS contract form is utilized for all professional services and that consultants are paid through Central Services and not through student activity accounts. The Department of Finance should be contacted to determine whether there are IRS reporting requirements.

##### **School Response**

I will ensure that a professional services contract is utilized for all professional services and that the Department of Finance and Risk Management approve contracts prior to the contractor providing any services.

#### **6. Audit Finding**

Review of one contract in the amount of \$3,600, for African music, drumming, dance and poetry programs, revealed that Townsend Street School staff did not execute the contract timely as the contractor provided services beginning March 1<sup>st</sup> 2017 yet the contract was not signed until June 16<sup>th</sup> 2017.

##### **Recommendation:**

The Principal should ensure the Department of Finance and Risk Management approve contracts prior to the contractor providing any services.

### **School Response**

This recommendation will be implemented immediately. After submitting a contract to the Bookkeeper, I will ensure the Department of Finance and Risk Management approve contracts prior to the contractor providing any services. Moving ahead, I will also monitor the timeliness of the contracts after submitting them to the Bookkeeper. I agree with the finding.

### **7. Audit Finding**

Our review of ten expenditures showed that one order of Chromebook computers and another of two laptop computers were charged to ENCQ (non-capital equipment), when ECPU (computers), would have been more appropriate. In addition, one order of spirit wear clothing and another of two-way radios (walkie talkies) were charged to ESUP (supplies) when ECLN (Clothing/Linen), and ENCQ (non-capital equipment), respectively, would have been more appropriate. Further, in one instance, the packing slip for an order of toner delivered to the school, was not maintained.

### **Recommendation:**

When purchasing goods for the school, the Principal should direct the Bookkeeper to 1) post expenditures to the budget codes that most accurately describe the nature of the expenditures, and 2) maintain copies of all packing slips.

### **School Response**

I will closely monitor the budget codes that are used when purchasing goods for the school and to inform all staff members when packages arrive with their names listed, to submit all packing slips to the Bookkeeper. I agree with the finding.

<b>II. Fixed Asset Management</b>
-----------------------------------

### **8. Audit Finding**

Forty one fixed assets purchased during the time of our review and two additional items tested at the school were not entered on IFAS. In addition, three of four items tested did not have an MPS tag number attached.

### **Recommendation:**

The Principal should direct staff to enter fixed assets on IFAS within 30 days of receipt and direct technology staff to tag all equipment with an MPS tag.

### **School Response**

The Technology staff person will tag and enter fixed assets in IFAS of all equipment effective immediately. I agree with the finding.

### **9. Audit Finding**

The school was not accurately performing random audits nor completing the physical inventory of all assets. Periodically during the school year, random audits should be made to determine if assets are still in use or if they should be removed from the IFAS fixed asset

register. In addition, school staff reported that a separate file is not maintained for fixed asset acquisitions and disposals.

**Recommendation**

The Principal should direct staff to conduct periodic and year-end inventories of fixed assets so that the IFAS fixed asset register can be updated to reflect the fixed assets at the school and instruct the school Bookkeeper to maintain a separate and complete fixed asset acquisition and disposal file.

**School Response**

I will meet with the Bookkeeper to conduct periodic and year-end inventories. I will communicate with staff to determine if equipment is still in use or damaged, so that items can remain or be removed from the IFAS register. I agree with the finding.

**III. Payroll Exception Reporting**

No audit findings.

**IV. Fire Drills**

No audit findings.

**V. Student Attendance**

No audit findings.

**VI. Textbook Management**

**10. Audit Finding**

The school accounted for only 90.4% of their textbook inventory. In addition, six of six textbooks tested in classrooms, selected from student desks and open shelves, were marked available on the district-wide electronic text-book management system. The books should have been checked out to students or teachers or stored in a locked cabinet or desk drawer in the classroom. Further, three textbooks were tested from secured storage rooms. One of the textbooks did not have a bar code attached while a second book was not entered on the electronic management system. All textbooks should be barcoded and those kept in a storage room should be recorded in the textbook management system and have the status available.

**Recommendation**

The Principal should ensure that (1) the school accounts for at least 95% of their textbook inventory, and (2) all books provided to individual teachers and students are properly recorded in the Textbook Management System (Destiny) and all books placed in storage are properly barcoded and recorded in Destiny and are marked available.

**School Response**

I will ensure that: all books are checked out to teachers and/or students and is recorded in Destiny. That all books are barcoded and placed in storage, and that the system will indicate if a book is available. The Librarian and I will continue to ensure that all books at Townsend are recorded in Destiny.

**Internal Controls and Other Procedures**

School funds are accounted for through the Integrated Finance and Accounting System (IFAS). The MPS School Accounting Manual (SAM), MPS Financial Standards (FS), Travel Policies and Procedures Manual (TPPM), Educational Materials Inventory Management Process Manual (EMIVMP), and Administrative Policies and Procedures (AP) are the primary sources for district financial guidelines. The following information summarizes the most commonly used Internal Controls and Other Procedures the district requires schools to follow. In some cases, information and/or explanations were added or expanded by Audit Services based on best business practices (BBP). Sources where more detailed information can be found are referenced throughout.

**I. Financial Transactions**

**IFAS-Student Activity (IFAS-SA) Balance Sheet**

Purpose: To ensure that no expenditures are made in excess of funds available in an account and that only school-related activities are represented on the balance sheet.

1. The principal should ensure that IFAS-SA Balance Sheet accounts never have negative balances (except the budget reimbursement – xx20101 L201 and camp reimbursement – xx20301 L205 accounts). No expenditure should be made in excess of the total funds in the club's account. [SAM]
2. All accounts on the general ledger should represent currently active, school-sponsored clubs or activities. Cash balances relating to inactive club accounts should be transferred to the General School account after one year. [SAM]
3. The principal/secretary/bookkeeper should ensure that the petty cash is kept in the office and in a secure location. [SAM]
4. The principal should ensure that the petty cash is no more than \$50. [BBP]
5. The principal should receive, open, and review the bank statements. The principal should review cancelled checks returned with the bank statement to ensure all checks were signed by the principal. [SAM]
6. The monthly bank statement should be reconciled to the IFAS-SA report and checkbook balance and a copy of the reconciliation should be remitted to the Finance Department by the 20th of the month. The review of the bank reconciliation should be performed in tandem with the monthly review of the school's financial records and should be signed by the principal. [SAM, FS #7, AP 3.06]

7. The secretary/bookkeeper should record bank adjustments such as returned items and bank charges in the checkbook as soon as they are known. [SAM]
8. Outstanding checks greater than one year old should be written off. [SAM]
9. Correction memos from the bank and adjusting entries on IFAS-SA should be rare occurrences. [BBP]
10. Electronic fund transfers (EFT) used to transfer monies from the school's checking account to a central nutrition account should be monitored. Daily cafeteria receipts should be reconciled to the monthly EFT on the bank statement and differences should be investigated and resolved. [SAM, BBP]
11. Interest earned on savings accounts or certificates of deposit should be recorded when received which may be monthly, quarterly, or upon investment maturity. [SAM]

## **Cash Receipts**

### **Receipt of Funds**

Purpose: To ensure adequate control is maintained over all funds that are received by school personnel.

1. When an individual (advisor) receives funds, the advisor should, on a daily basis, count the funds and prepare and sign the standard three-part Cash Receipt form which includes the account number and name, date, and the breakdown of funds being deposited. The funds and the completed Cash Receipt form should then be submitted to the secretary/bookkeeper. Food service managers should prepare three signed cafeteria reports, which detail the cafeteria receipts, and submit two copies to the secretary/bookkeeper in lieu of the three-part Cash Receipt form. [SAM, AP 3.08]
2. The secretary/bookkeeper should independently count the funds and counter-sign the Cash Receipt/cafeteria reports which detail the cafeteria receipts. The secretary/bookkeeper's signature indicates agreement on the accuracy of the amount being deposited. If a discrepancy exists, the secretary/bookkeeper should contact the advisor and resolve the discrepancy. [SAM, AP 3.08]
3. The secretary/bookkeeper should (a) return the last copy of the completed Cash Receipt/cafeteria reports to the advisor, (b) file the second copy of the Cash Receipt/cafeteria form by the IFAS-SA account number, and (c) attach the top copy of the Cash Receipt/cafeteria form to the bank deposit receipt to use when posting financial information to IFAS-SA. [SAM]

## **Depositing the Funds**

Purpose: To ensure all funds are properly deposited.

4. All funds received should be secured in a locked environment, preferably a safe, but at least a locked cabinet or locked drawer in an area with limited access, such as the principal's office. Under no circumstances should funds be kept in desks, file cabinets, or any location in a classroom. [SAM, AP 3.08]
5. The secretary/bookkeeper should deposit funds at least on a weekly basis. [SAM, AP 3.08]
6. The secretary/bookkeeper should deposit all revenue received since the last deposit. No cash should be held back for any reason. [BBP]

## **Recording the Receipts and Retention of Records**

Purpose: To ensure receipts are properly recorded and that records are properly retained.

7. Each bank deposit slip should be supported by Cash Receipt forms included in that deposit. This group of documents should be filed chronologically. [SAM]
8. Whenever a deposit is made, the secretary/bookkeeper should record the deposit in the school's checkbook register along with the new running balance. [SAM, BBP]
9. The secretary/bookkeeper should update IFAS-SA at least monthly by entering the information from the original Cash Receipt/cafeteria report. Audit Services strongly recommends weekly updates so that each student activity fund balance is known throughout the month and deficit spending does not occur. Weekly entry will also require posting to IFAS-SA based upon the original Cash Receipt/cafeteria report and will ensure that a reconciliation is performed between the school's cash balance and the bank statement balance. [BBP]
10. All copies of the Cash Receipt forms should be retained by the individuals responsible for the copies. [SAM]
11. Cash donations, gifts, and scholarships should be recorded and acknowledged by the School Board in accordance with district procedures. Scholarships/grants/donations of \$5,000 or more should be remitted to Central Services for administration. [SAM]

## **Cash Disbursements**

Purpose: To ensure that all expenditures are properly authorized and approved and payments are adequately documented.

### **Payment Authorization and Processing**

#### Approval

1. Original invoices and packing slips or other expenditure documentation should be submitted to the secretary/bookkeeper for Student Club account and General School expenditures to be paid by a school check. The only acceptable forms of documentation are original receipts and invoices. Photocopies and duplicate invoices are not acceptable. Statements should not be used as documentation as their purpose is only to list amounts owed. The secretary/bookkeeper should then prepare a check for the principal's signature. [SAM]
2. Prior to check signing, the principal should ensure that (a) the expenditure is reasonable, relates to the activities of the account, and is allowable under MPS guidelines, and (b) sufficient funds are available in the club account from which the expenditure will be drawn. [SAM]

#### Payment

3. The checkbook and any unused check stock should be safeguarded to protect against unauthorized use. [SAM]
4. On each check stub schools should record: date, payee, description, IFAS-SA account, IFAS budget code (Capital Cash reimbursement only), amount of check, and balance in the account after the check. [SAM]
5. Checks written to a vendor by the secretary/bookkeeper should be mailed directly to the vendor and not forwarded to the club advisor. [BBP]

#### Documentation and CASH Entry

6. The secretary/bookkeeper should mark receipts and invoices "paid" and list the check number and date of issuance on the original invoice. This will avoid duplicate payments. [SAM]
7. The secretary/bookkeeper should enter expenditure transactions on IFAS-SA at least monthly. Audit Services strongly recommends weekly updates so that each student activity fund balance is known throughout the month and deficit spending does not occur. Weekly entry will also require posting to IFAS-SA based upon the original invoice and will ensure that a reconciliation is performed between the school's cash balance and the bank statement balance. [BBP]

8. Invoices paid with a school check should be filed alphabetically by the payee's name or by check number. If a school has many disbursements, a separate file can be set up for each vendor. [SAM]
9. The principal/secretary/bookkeeper should ensure that supporting documentation is retained. [SAM]

### General

10. When writing checks to businesses, always make the check payable to the business, never to an individual. [BBP]
11. New principals should ensure that a Depository Resolution is prepared and provided to the School Accounting Division to update the bank account authorized signers. [SAM]
12. The principal should ensure that the school checking account is never overdrawn. [SAM]
13. The principal should not sign blank checks or allow checks to be signed by use of a signature stamp. [SAM, FS #8, AP 3.06]
14. The principal should not approve checks payable to cash. [BBP]

### **Capital Cash/Budget Reimbursements**

Purpose: To ensure that Board and categorical funded small purchases made with school checks are appropriately accounted for and processed efficiently.

1. Capital Cash should be used for small expenditures that can be reimbursed by Central Services and charged to a school's budget. Requests for reimbursement(s) should be submitted at least once a month. All receipts/documentation must be initialed and dated by the school administrator; including the check number and amount to be reimbursed. This will let the Accounts Payable staff know the invoice has been approved for payment. [SAM, FS #5, AP 3.06]
2. Capital Cash/Budget Reimbursement should not be used for: (a) purchases greater than \$500; (b) payments to individuals (employees, contractors, or consultants); or (c) payment of travel expenses. [SAM]
3. The secretary/bookkeeper should ensure that all Capital Cash reimbursable expenditures are posted to the budget reimbursement account – xx20101 L201. When reimbursement checks are received, the secretary/bookkeeper should ensure that all items posted to account – xx20101 L201 were included on the reimbursement check. Adjusting journal entries to xx20101 L201 should be made when items recorded in xx20101 L201 are not reimbursed (e.g. sales tax, gifts for staff). [SAM, BBP]

4. Expenditures that are submitted through Capital Cash/Budget Reimbursement and are charged to a grant must comply with the grant requirements. [SAM]

### **Camp and Club Accounts**

Purpose: To ensure that cash receipts and expenditures are accurately recorded and district assets are safeguarded relating to Camp and Club account activities.

1. The following IFAS-SA accounts should be set up to properly account for before and after school day care programs:
  - Account xx20302 L203 should be used to post registration receipts, and account xx20401 L204 should be used to post parent co-payments and other Camp receipts. [SAM]
  - Account xx20301 L205 should be used to record Camp expenditures to be reimbursed from the Camp budget (000-0-0-CMP-XX). Budget Reimbursement account xx20101 L201 may be used in lieu of account xx20301 L205. [SAM, AP]
2. All Camp funds received from parents and other sources must be remitted to Finance each month. The budget adjustment account 000-0-0-CMP-XX-EBAJ is used to record these funds in IFAS. [SAM]
3. Appropriate records should be maintained by the Camp Director to show that all Camp funds received from parents are recorded on attendance and payment logs and are remitted to the school secretary with a cash receipt form for bank deposit. [BBP]
4. The secretary/bookkeeper should provide staff advisors with IFAS-SA Detail Trial Balance/Query Accounts (QA) reports each month whenever there is club account activity. A reconciled copy of the CAMP QA IFAS-SA report must be provided to the school principal for review. [SAM]
5. Staff advisors should review their club account transactions and balances for accuracy based on their retained Cash Receipt forms, invoices, and club records. The principal should ensure staff is aware of their responsibility to review their account transactions and balances for accuracy. [SAM]

### **Fund Raising**

Purpose: To ensure that fund raising events are adequately monitored, fund raising revenues are properly deposited, and expenditures are reasonable and appropriate. [AP 7.22]

1. The principal should provide prior approval for all fund raisers by signing fund raising request forms submitted by the staff advisor. [SAM]

2. The principal should obtain approval from their Regional Director of School Support for fundraisers anticipated to generate revenue of \$5,000 or greater. [SAM]
3. All fund raising transactions must be conducted through the school's checking account and reflected in the school's General Ledger. This includes every receipt and disbursement. No cash payments to vendors are allowed. [SAM]
4. Fund raising financial report forms should be completed by the staff advisor and submitted to the secretary/bookkeeper within one week after the completion of the fund raiser. The principal should ensure that properly completed Fundraising Request and Report forms are on file for all fund raising events. [SAM]
5. The school principal should review the completed fund raising form to ensure that [SAM]:
  - a. The fund raising activity was completed within the approved time frame.
  - b. Actual revenue was similar to expected revenue.
  - c. Profit was reasonable (fund raising profit margins are typically 35-50%).
  - d. The financial report was submitted by the staff advisor immediately following completion of the event.
  - e. Expenditures are reasonable and consistent with the purpose of the fund raiser.
6. If the school has a PTA/PTO that records their activity on IFAS-SA, all such fundraising activities must be in accordance with the same rules as a school fundraiser. If the PTA/PTO is a recognized parent organization that maintains their own financial records [AP 7.22]:
  - a. All fund raising needs the approval of the principal before proceeding with any activity.
  - b. The treasurer should provide the principal with a financial report for each event.
  - c. All monies collected should be deposited into the PTA/PTO bank account on a regular basis and shall not be kept in an individual's bank account.
  - d. The principal should ensure that two individuals authorize all expenditures.
  - e. The principal should ensure that no members on the PTA/PTO receive a salary or any other type of compensation.
  - f. Financial statements should be prepared for fund raising activities upon completion of all financial transactions related to the fund raising activity.
  - g. The treasurer should prepare and distribute a financial report to the parent group at least once each semester. The report should detail the receipts and expenditures for each respective period.
  - h. The principal should meet with the PTA/PTO president or treasurer at least once a semester to review financial statements and bank statements and to discuss PTA/PTO financial activities.
  - i. Copies of PTA/PTO annual financial reports and fund raising activity reports must be forwarded to the Department of Finance.

### **Other Expenditures and Controls**

Purpose: To ensure that assets are adequately safeguarded and protected from risk of loss.

1. To the extent possible, different employees should be assigned to: [SAM, FS #6, AP 3.06]
  - Counting cash
  - Depositing cash
  - Recording receipts/expenditures
  - Reconciling IFAS-SA balance sheet and checkbook to bank statements
  - Authorizing payments/reimbursements to principal
