## Auditors' Report

Mr. Robert Hooks, Jr.  
Principal  
Gwen T. Jackson Early Childhood and Elementary School

At your request, our office conducted an audit of Gwen T. Jackson (Jackson) Early Childhood and Elementary School's financial transactions, fixed asset management, payroll exception reporting, fire drill, student attendance and textbook management procedures and activities. The purpose of our review was to assist you in your new Principal assignment by assessing whether the existing internal controls over the school's financial and other activities can be relied upon to ensure that assets are safeguarded, procedures are followed, and transactions are properly authorized, recorded, and documented. We conducted this performance audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

### **AUDIT CONCLUSION**

Based upon the representations we received from you and your staff and the results of our limited testing of transactions that occurred from October 1, 2016 through September 30, 2017 it is our opinion that internal controls are:

	Internal Controls	
	Adequate	Inadequate
<b>Financial Transactions</b>	✓ with recommendations	
<b>Fixed Asset Management</b>		✓
<b>Payroll Exception Reporting</b>	✓	
<b>Fire Drills</b>	✓ With recommendations	
<b>Student Attendance</b>	✓ With recommendations	
<b>Textbook Management</b>	✓ with recommendations	

**Adequate:** The school has been following most or all of the essential, prescribed internal control procedures to ensure that school assets are safeguarded and transactions are properly authorized, recorded and documented.

**Inadequate:** The school has not been following the essential, prescribed internal control procedures and accordingly, a high risk for misrepresentation and/or misappropriation exists at the school and these conditions should be corrected immediately.

Accordingly, it is our opinion that balances reported on monthly student activity fund (SAF) financial statements, including but not limited to the September 30, 2017 statement attached as Exhibit I, are fairly stated.

**DETAIL AUDIT FINDINGS AND RECOMMENDATIONS**

Our audit showed several areas in need of improvement as noted in the following table of audit findings:

<b>Area Reviewed</b>	<b>Number of Audit Findings</b>
<b>I. Financial Transactions</b>	
IFAS-Student Activity Balance Sheet	1
Cash Receipts	1
Cash Disbursements	2
Capital Cash / Budget Reimbursements	-
Camp and Club Accounts	-
Fund Raising	1
Other Expenditures and Controls	-
<b>II. Fixed Asset Management</b>	2
<b>III. Payroll Exception Reporting</b>	-
<b>IV. Fire Drills</b>	1
<b>V. Student Attendance</b>	1
<b>VI. Textbook Management</b>	1

The following pages provide specific details for each of the audit findings and our recommendations. In addition, we have attached a document that summarizes the most commonly used Internal Controls and Other Procedures the district requires schools to follow. The highlighted items within the attached document describe the internal control, procedure, or policy that did not exist at your school and should be implemented as soon as possible.

# I. Financial Transactions

## IFAS-Student Activity Balance Sheet

### 1. Audit Finding

As of September 30, 2017, fifteen SAF accounts totaling \$1,210 were inactive for more than 12 months.

#### **Recommendation**

The Principal should ensure that inactive account balances over 12 months are transferred to the general school account if there is no future planned purpose.

#### **School Response**

In response to the audit finding, administration will have a review with the advisors and the Bookkeeper of each account. Any unused funds will then be transferred over to the school general account. A discussion with the advisors about the current balances will take place by 1/19/2018.

## IFAS-Cash Receipts

### 2. Audit Finding

At Jackson:

- One deposit from June 2017 totaling \$1,362 was not deposited until October 2017 and the Bookkeeper did not notify MPS Finance of the un-deposited funds from the summer months.
- Five out of thirteen receipts (39%) totaling \$1,382 were not dual signed by a staff advisor and/or the head Secretary/Bookkeeper.

#### **Recommendation**

The Principal should ensure 1) all cash receipts are deposited to the bank in a timely manner or at least once a week and 2) that the staff advisor and the head Secretary or Bookkeeper sign the cash receipt forms.

#### **School Response**

In response to the audit finding, we as a school started with a new Bookkeeper. Also, I'm the new Principal of the school and these funds were not deposited in a timely manner during the time in which the last Principal was in the position. All deposits will be reviewed by the Principal in order to ensure timely deposits. All cash receipts will be reviewed weekly by the Principal to ensure they are properly signed.

## IFAS-Cash Disbursements

### 3. Audit Finding

None of the five expenditures selected for testing were marked "PAID" and two expenditures did not have the check number or date of issuance noted.

**Recommendation**

The Principal should ensure that the Bookkeeper mark all invoices "PAID" with the check number and date to reduce the risk of duplicate payment and ensure that payments are authorized, legitimate, and appropriately funded.

**School Response**

The discussion with the Bookkeeper has taken place to make sure that all invoices are marked paid with check numbers and dates to avoid duplicate and accurate payment of invoices. Principal will review on a regular basis.

**4. Audit Finding**

Jackson staff conducted a staff fundraiser where all the revenue raised was from the staff and they purchased a microwave and other teacher resources. Testing indicated that the one expenditure for a staff fundraiser was charged to general school-fundraiser and should have been charged to an accommodation account.

**Recommendation**

The Principal should ensure that all expenditures that are related to staff purchases are charged to an accommodation account.

**School Response**

A complete review of fundraisers has taken place with the Principal and the Bookkeeper. A staff meeting will be conducted by the Principal to explain policies and procedures regarding all fund raisers. Proper procedures will also be explained to advisors of each of the accounts receiving funds from fundraisers.

**Fundraising****5. Audit Finding**

Fundraiser Request and Report forms were prepared for one fundraising event reviewed. However, the staff advisor and Principal signed the fundraiser form after the fundraiser began.

**Recommendation**

The Principal should ensure that both they and the staff advisors sign the fundraiser form evidencing their pre-approval prior to the start of the fundraiser.

**School Response**

The Principal will ensure that for any fundraising event that is held that the fundraiser form will be signed prior to the fundraising event being held. A complete understanding by administration and staff of following policies and procedures in completing the fundraising request and report for all future fundraisers will be understood.

## II. Fixed Asset Management

### 6. Audit Finding

Two fixed assets purchased (smartboard and laptop) during the time of our review were not entered on IFAS within 30 days of receipt and the laptop could not be located at the school. Two additional items (computer Monitor and printer) tested were not entered on IFAS.

#### Recommendation

It is recommended that the Principal ensure (1) the fixed asset register is updated with all new purchases entered within 30 days of receipt and (2) that for any lost or stolen fixed assets, a *Loss of School Asset Report* form and *Asset Disposal* form be completed and remitted to the Department of Finance.

#### School Response

The Principal will ensure that a fixed asset management person will be assigned to the task of informing the Bookkeeper of all additions and deletions of fixed assets in order for him or her to conduct periodic and year end inventories of fixed assets so that IFAS can be updated to reflect the fixed assets of the school. I will contact our technology coordinator to get support to see if he can locate the computer. If we are not able to locate the computer I will then fill out a "Loss of School Assets and Disposal" form.

### 7. Audit Finding

Interviews with the Principal and Bookkeeper identified a separate file for asset acquisitions or disposals is not maintained and they do not conduct a physical inventory of assets at the end of the each school year.

#### Recommendation

It is recommended that the Principal ensure (1) a separate fixed asset file is maintained for all acquisitions and disposal documents and (2) conduct periodic and year-end inventories of fixed assets so that IFAS can be updated to reflect the fixed assets at the school.

#### School Response

The Principal will ensure that a fixed asset management person will be assigned to the task of informing the Bookkeeper of all additions and deletions of fixed assets with a separate file maintained and a periodic and year-end inventory of fixed assets will be done so that IFAS can be updated to reflect the fixed assets of the school.

## III. Payroll Exception Reporting

No audit findings.

## **IV. Fire Drills**

### **8. Audit Finding**

For the 2016-17 school year

- Fire drills were not held in December 2016, May 2017 and June 2017 with two fire drills conducted in November 2016. Fire drills should be held monthly while school is in session.
- The Milwaukee Fire Department only observed one fire drill and did not sign the fire drill form.

#### **Recommendation**

The Principal should ensure that 1) the school holds monthly fire drills after the first two drills are held and 2) two fire drills are observed during the school year by the Milwaukee Fire Department.

#### **School Response**

The Principal will ensure that monthly fire drills will take place regularly, two observed fire drills will take place before the end of the school year and that the fire department will sign the fire drill form.

## **V. Student Attendance**

### **9. Audit Finding**

Of the five habitually truant students selected, parents or guardians of three of the students (60%) did not receive notification of the habitual truancy in a timely manner. In addition, two students did not receive a TABS referral when they reached the required number of unexcused absences.

#### **Recommendation**

The Principal should ensure that 1) habitual truancy letters are sent out for all students that become habitually truant and 2) TABS referrals are sent out for those students that accumulate 25 or more absences.

#### **School Response**

The Principal will ensure that a meeting will take place with the school secretary and the school social worker in order to make sure that habitual truancy letters are sent out for all students that become habitually truant and that TABS referrals are sent out for those students that accumulate 25 or more absences.

## **VI. Textbook Management**

### **10. Audit Finding**

Textbook management testing at Jackson identified the following:

- The school did not meet the district requirement of 95% of the textbook inventory accounted for with 80.44%.

**Recommendation**

The Principal should ensure that the textbook coordinator conducts an inventory accounting for at least 95% of textbooks and instructional materials through the use of the Textbook Management System

**School Response**

The Principal will ensure that a meeting takes place with the Principal and the textbook manager to identify the strategies to ensure that the textbook coordinator conducts an inventory accounting for at least 95% of textbooks and instructional materials through the use of the Textbook Management System.

**MILWAUKEE PUBLIC SCHOOLS**  
**OFFICE OF AUDIT SERVICES**  
**Internal Controls and Other Procedures**

School funds are accounted for through the Integrated Finance and Accounting System (IFAS). The MPS School Accounting Manual (SAM), MPS Financial Standards (FS), Travel Policies and Procedures Manual (TPPM), Educational Materials Inventory Management Process Manual (EMIVMP), and Administrative Policies and Procedures (AP) are the primary sources for district financial guidelines. The following information summarizes the most commonly used Internal Controls and Other Procedures the district requires schools to follow. In some cases, information and/or explanations were added or expanded by Audit Services based on best business practices (BBP). Sources where more detailed information can be found are referenced throughout.

**I. Financial Transactions**

**IFAS-Student Activity (IFAS-SA) Balance Sheet**

Purpose: To ensure that no expenditures are made in excess of funds available in an account and that only school-related activities are represented on the balance sheet.

1. The principal should ensure that IFAS-SA Balance Sheet accounts never have negative balances (except the budget reimbursement – xx20101 L201 and camp reimbursement – xx20301 L205 accounts). No expenditure should be made in excess of the total funds in the club’s account. [SAM]
2. All accounts on the general ledger should represent currently active, school-sponsored clubs or activities. Cash balances relating to inactive club accounts should be transferred to the General School account after one year. [SAM]
3. The principal/secretary/bookkeeper should ensure that the petty cash is kept in the office and in a secure location. [SAM]
4. The principal should ensure that the petty cash is no more than \$50. [BBP]
5. The principal should receive, open, and review the bank statements. The principal should review cancelled checks returned with the bank statement to ensure all checks were signed by the principal. [SAM]
6. The monthly bank statement should be reconciled to the IFAS-SA report and checkbook balance and a copy of the reconciliation should be remitted to the Finance Department by the 20th of the month. The review of the bank reconciliation should be performed in tandem with the monthly review of the school’s financial records and should be signed by the principal. [SAM, FS #7, AP 3.06]
7. The secretary/bookkeeper should record bank adjustments such as returned items and bank charges in the checkbook as soon as they are known. [SAM]

8. Outstanding checks greater than one year old should be written off. [SAM]
9. Correction memos from the bank and adjusting entries on IFAS-SA should be rare occurrences. [BBP]
10. Electronic fund transfers (EFT) used to transfer monies from the school's checking account to a central nutrition account should be monitored. Daily cafeteria receipts should be reconciled to the monthly EFT on the bank statement and differences should be investigated and resolved. [SAM, BBP]
11. Interest earned on savings accounts or certificates of deposit should be recorded when received which may be monthly, quarterly, or upon investment maturity. [SAM]

## **Cash Receipts**

### **Receipt of Funds**

Purpose: To ensure adequate control is maintained over all funds that are received by school personnel.

1. When an individual (advisor) receives funds, the advisor should, on a daily basis, count the funds and prepare and sign the standard three-part Cash Receipt form which includes the account number and name, date, and the breakdown of funds being deposited. The funds and the completed Cash Receipt form should then be submitted to the secretary/bookkeeper. Food service managers should prepare three signed cafeteria reports, which detail the cafeteria receipts, and submit two copies to the secretary/bookkeeper in lieu of the three-part Cash Receipt form. [SAM, AP 3.08]
2. The secretary/bookkeeper should independently count the funds and counter-sign the Cash Receipt/cafeteria reports which detail the cafeteria receipts. The secretary/bookkeeper's signature indicates agreement on the accuracy of the amount being deposited. If a discrepancy exists, the secretary/bookkeeper should contact the advisor and resolve the discrepancy. [SAM, AP 3.08]
3. The secretary/bookkeeper should (a) return the last copy of the completed Cash Receipt/cafeteria reports to the advisor, (b) file the second copy of the Cash Receipt/cafeteria form by the IFAS-SA account number, and (c) attach the top copy of the Cash Receipt/cafeteria form to the bank deposit receipt to use when posting financial information to IFAS-SA. [SAM]

### **Depositing the Funds**

Purpose: To ensure all funds are properly deposited.

4. All funds received should be secured in a locked environment, preferably a safe, but at least a locked cabinet or locked drawer in an area with limited access, such as the principal's office. Under no circumstances should funds be kept in desks, file cabinets, or any location in a classroom. [SAM, AP 3.08]

5. The secretary/bookkeeper should deposit funds at least on a weekly basis. [SAM, AP 3.08]
6. The secretary/bookkeeper should deposit all revenue received since the last deposit. No cash should be held back for any reason. [BBP]

### **Recording the Receipts and Retention of Records**

Purpose: To ensure receipts are properly recorded and that records are properly retained.

7. Each bank deposit slip should be supported by Cash Receipt forms included in that deposit. This group of documents should be filed chronologically. [SAM]
8. Whenever a deposit is made, the secretary/bookkeeper should record the deposit in the school's checkbook register along with the new running balance. [SAM, BBP]
9. The secretary/bookkeeper should update IFAS-SA at least monthly by entering the information from the original Cash Receipt/cafeteria report. Audit Services strongly recommends weekly updates so that each student activity fund balance is known throughout the month and deficit spending does not occur. Weekly entry will also require posting to IFAS-SA based upon the original Cash Receipt/cafeteria report and will ensure that a reconciliation is performed between the school's cash balance and the bank statement balance. [BBP]
10. All copies of the Cash Receipt forms should be retained by the individuals responsible for the copies. [SAM]
11. Cash donations, gifts, and scholarships should be recorded and acknowledged by the School Board in accordance with district procedures. Scholarships/grants/donations of \$5,000 or more should be remitted to Central Services for administration. [SAM]

### **Cash Disbursements**

Purpose: To ensure that all expenditures are properly authorized and approved and payments are adequately documented.

#### **Payment Authorization and Processing**

##### Approval

1. Original invoices and packing slips or other expenditure documentation should be submitted to the secretary/bookkeeper for Student Club account and General School expenditures to be paid by a school check. The only acceptable forms of documentation are original receipts and invoices. Photocopies and duplicate invoices are not acceptable. Statements should not be used as documentation as their purpose is only to list amounts owed. The secretary/bookkeeper should then prepare a check for the principal's signature. [SAM]
2. Prior to check signing, the principal should ensure that (a) the expenditure is reasonable, relates to the activities of the account, and is allowable under MPS guidelines, and (b) sufficient funds are available in the club account from which the expenditure will be drawn. [SAM]

##### Payment

3. The checkbook and any unused check stock should be safeguarded to protect against unauthorized use. [SAM]
4. On each check stub schools should record: date, payee, description, IFAS-SA account, IFAS budget code (Capital Cash reimbursement only), amount of check, and balance in the account after the check. [SAM]
5. Checks written to a vendor by the secretary/bookkeeper should be mailed directly to the vendor and not forwarded to the club advisor. [BBP]

#### Documentation and CASH Entry

6. The secretary/bookkeeper should mark receipts and invoices “paid” and list the check number and date of issuance on the original invoice. This will avoid duplicate payments. [SAM]
7. The secretary/bookkeeper should enter expenditure transactions on IFAS-SA at least monthly. Audit Services strongly recommends weekly updates so that each student activity fund balance is known throughout the month and deficit spending does not occur. Weekly entry will also require posting to IFAS-SA based upon the original invoice and will ensure that a reconciliation is performed between the school’s cash balance and the bank statement balance. [BBP]
8. Invoices paid with a school check should be filed alphabetically by the payee’s name or by check number. If a school has many disbursements, a separate file can be set up for each vendor. [SAM]
9. The principal/secretary/bookkeeper should ensure that supporting documentation is retained. [SAM]

#### General

10. When writing checks to businesses, always make the check payable to the business, never to an individual. [BBP]
11. New principals should ensure that a Depository Resolution is prepared and provided to the School Accounting Division to update the bank account authorized signers. [SAM]
12. The principal should ensure that the school checking account is never overdrawn. [SAM]
13. The principal should not sign blank checks or allow checks to be signed by use of a signature stamp. [SAM, FS #8, AP 3.06]
14. The principal should not approve checks payable to cash. [BBP]

#### **Capital Cash/Budget Reimbursements**

Purpose: To ensure that Board and categorical funded small purchases made with school checks are appropriately accounted for and processed efficiently. 11

1. Capital Cash should be used for small expenditures that can be reimbursed by Central Services and charged to a school’s budget. Requests for reimbursement(s) should be submitted at

least once a month. All receipts/documentation must be initialed and dated by the school administrator; including the check number and amount to be reimbursed. This will let the Accounts Payable staff know the invoice has been approved for payment. [SAM, FS #5, AP 3.06]

2. Capital Cash/Budget Reimbursement should not be used for: (a) purchases greater than \$500; (b) payments to individuals (employees, contractors, or consultants); or (c) payment of travel expenses. [SAM]
3. The secretary/bookkeeper should ensure that all Capital Cash reimbursable expenditures are posted to the budget reimbursement account – xx20101 L201. When reimbursement checks are received, the secretary/bookkeeper should ensure that all items posted to account – xx20101 L201 were included on the reimbursement check. Adjusting journal entries to xx20101 L201 should be made when items recorded in xx20101 L201 are not reimbursed (e.g. sales tax, gifts for staff). [SAM, BBP]
4. Expenditures that are submitted through Capital Cash/Budget Reimbursement and are charged to a grant must comply with the grant requirements. [SAM]

### **Camp and Club Accounts**

Purpose: To ensure that cash receipts and expenditures are accurately recorded and district assets are safeguarded relating to Camp and Club account activities.

1. The following IFAS-SA accounts should be set up to properly account for before and after school day care programs:
  - Account xx20302 L203 should be used to post registration receipts, and account xx20401 L204 should be used to post parent co-payments and other Camp receipts. [SAM]
  - Account xx20301 L205 should be used to record Camp expenditures to be reimbursed from the Camp budget (000-0-0-CMP-XX). Budget Reimbursement account xx20101 L201 may be used in lieu of account xx20301 L205. [SAM, AP]
2. All Camp funds received from parents and other sources must be remitted to Finance each month. The budget adjustment account 000-0-0-CMP-XX-EBAJ is used to record these funds in IFAS. [SAM]
3. Appropriate records should be maintained by the Camp Director to show that all Camp funds received from parents are recorded on attendance and payment logs and are remitted to the school secretary with a cash receipt form for bank deposit. [BBP]
4. The secretary/bookkeeper should provide staff advisors with IFAS-SA Detail Trial Balance/Query Accounts (QA) reports each month whenever there is club account activity. A reconciled copy of the CAMP QA IFAS-SA report must be provided to the school principal for review. [SAM]
5. Staff advisors should review their club account transactions and balances for accuracy based on their retained Cash Receipt forms, invoices, and club records. The principal should ensure

staff is aware of their responsibility to review their account transactions and balances for accuracy. [SAM]

## **Fund Raising**

Purpose: To ensure that fund raising events are adequately monitored, fund raising revenues are properly deposited, and expenditures are reasonable and appropriate. [AP 7.22]

1. The principal should provide prior approval for all fund raisers by signing fund raising request forms submitted by the staff advisor. [SAM]
2. The principal should obtain approval from their Regional Director of School Support for fundraisers anticipated to generate revenue of \$5,000 or greater. [SAM]
3. All fund raising transactions must be conducted through the school's checking account and reflected in the school's General Ledger. This includes every receipt and disbursement. No cash payments to vendors are allowed. [SAM]
4. Fund raising financial report forms should be completed by the staff advisor and submitted to the secretary/bookkeeper within one week after the completion of the fund raiser. The principal should ensure that properly completed Fundraising Request and Report forms are on file for all fund raising events. [SAM]
5. The school principal should review the completed fund raising form to ensure that [SAM]:
  - The fund raising activity was completed within the approved time frame.
