## Auditors' Report

Ms. Leticia Washington  
Principal  
Franklin Pierce School

Our office conducted an audit of Franklin Pierce School's (Pierce) financial transactions, fixed asset management, payroll exception reporting, fire drill, student attendance and textbook management procedures and activities. The purpose of our review was to assess whether the existing internal controls over the school's financial and other activities can be relied upon to ensure that assets are safeguarded, procedures are followed, and transactions are properly authorized, recorded, and documented. We conducted this performance audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

### **AUDIT CONCLUSION**

Based upon the representations we received from you and your staff and the results of our limited testing of transactions that occurred from January 1, 2017 through December 31, 2017, it is our opinion that internal controls are:

	Internal Controls	
	Adequate	Inadequate
<b>Financial Transactions</b>	✓ with recommendations	
<b>Fixed Asset Management</b>		✓
<b>Payroll Exception Reporting</b>	✓ with recommendations	
<b>Fire Drills</b>	✓ with recommendations	
<b>Student Attendance</b>	✓ with recommendations	
<b>Textbook Management</b>		✓

**Adequate:** The school has been following most or all of the essential, prescribed internal control procedures to ensure that school assets are safeguarded and transactions are properly authorized, recorded and documented.

**Inadequate:** The school has not been following the essential, prescribed internal control procedures and accordingly, a high risk for misrepresentation and/or misappropriation exists at the school and these conditions should be corrected immediately.

Accordingly, it is our opinion that balances reported on monthly student activity fund (SAF) financial statements, including but not limited to the December 31, 2017 statement attached as Exhibit I, are fairly stated.

**DETAIL AUDIT FINDINGS AND RECOMMENDATIONS**

Our audit showed several areas in need of improvement as noted in the following table of audit findings:

Area Reviewed	Number of Audit Findings
<b>I. Financial Transactions</b>	
IFAS-Student Activity Balance Sheet	-
Cash Receipts	-
Cash Disbursements	2
Capital Cash / Budget Reimbursements	1
Camp & Club Accounts	4
Fund Raising	-
Other Expenditures and Controls	-
<b>II. Fixed Asset Management</b>	2
<b>III. Payroll Exception Reporting</b>	-
<b>IV. Fire Drills</b>	1
<b>V. Student Attendance</b>	1
<b>VI. Textbook Management</b>	1

The following pages provide specific details for each of the audit findings and our recommendations. In addition, we have attached a document that summarizes the most commonly used Internal Controls and Other Procedures the district requires schools to follow. The highlighted items within the attached document describe the internal control, procedure, or policy that did not exist at your school and should be implemented as soon as possible.

## I. Financial Transactions

### Cash Disbursements

#### 1. Audit Finding

In one instance, the school issued a check to pay for meals for staff members participating in an education conference and posted the expenditure to a School Fundraiser account. Payments for all travel expenditures, including meals, should be processed by the Department of Finance.

#### **Recommendation:**

Reimbursable expenditures should be charged to the school's budget reimbursement account, PI20101, and payments should be processed by the Department of Finance. In addition, the school should submit the invoice to the Department of Finance for reimbursement and subsequently reimburse the fundraising account.

#### **School Response**

The meals in question were not included in the math conference at Green Lake where teachers were presenters. However, moving forward, all staff expenditures related to travel will go through the Department of Finance.

#### 2. Audit Finding

One expenditure, in the amount of \$194 for a staff lunch, was charged to the general school account. Expenditures that benefit staff are allowable only from an accommodation account such as the soda fund.

#### **Recommendation:**

The Principal should ensure that all expenditures that benefit staff are charged to an accommodation account, such as the soda fund.

#### **School Response**

I intended the expenditure for staff refreshments to come from the soda fund. Moving forward, I will ensure oversight that all expenditures benefitting staff members will be withdrawn from the soda fund.

### Capital Cash / Budget Reimbursements

#### 3. Audit Finding

Audit testing showed that one payment for a registration fee for a social worker conference, in the amount of \$175, was made from the school's checking account.

#### **Recommendation:**

Expenditures related to travel, including registration fees, should be entered as travel on IFAS and payments processed through the Department of Finance, and not with a school check.

#### **School Response**

This expenditure was to ensure the social worker and the school would be charged the discounted early-bird registration fee for a conference. Moving forward, all staff

expenditures related to travel, including registration, will go through the Department of Finance.

### **Camp & Club Accounts**

#### **4. Audit Finding**

Review of one student activity account indicated that the school advisor did not maintain complete documentation for all activity that occurred on the account. Copies of invoices / receipts were not maintained.

#### **Recommendation:**

The Principal should direct staff advisors to maintain complete records of activity in their accounts, including cash receipt forms and copies of invoices or receipts.

#### **School Response**

At a staff meeting, all staff members will be advised to keep a separate file folder that will contain all of their receipts and Cash Receipt forms. Staff members that serve as advisors to specific student activity accounts will be advised to maintain records that include receipts for all deposits or school check requests and monthly account transaction records.

#### **5. Audit Finding**

The Bookkeeper does not consistently provide IFAS-SA activity reports to advisors or the Camp Director showing club account transactions and account balances on a monthly basis or when activity occurs.

#### **Recommendation:**

The Principal should direct the Bookkeeper to provide IFAS-SA activity reports to advisors on a monthly basis or when activity occurs in the account.

#### **School Response**

At a meeting with the Bookkeeper, the Bookkeeper will be directed to provide IFAS-SA activity reports to advisors on a monthly basis or when activity occurs in the account.

#### **6. Audit Finding**

Monies collected for camp registration were recorded in IFAS-SA account PI20401 – Childcare Co-payments, instead of account PI20302 – Childcare Registration. In addition, Camp expenditures were charged to SAF account PI20401 - Childcare Co-payments - rather than using the budget reimbursement account PI20101.

#### **Recommendation:**

The Principal should direct the Bookkeeper to use account PI20401 – Childcare Co-payments, and account PI20302 – Childcare Registration, respectively, to record co-payment and registration fees and to use account PI20101 - Budget Reimbursement – for all Camp related expenditures.

#### **School Response**

At this time, the Camp program is dormant due to low student attendance. If the Camp program is reinstated, the recommendation suggested will be fully implemented.

## **7. Audit Finding**

The Camp Director did not maintain accurate records. Parent payments were not accurately recorded on payment logs or the Aplus system and cash receipt forms were not used for all parent payments received making it difficult to verify that all Camp monies received were handled properly. Audit Services is conducting a separate review of this matter.

### **Recommendation:**

The Principal should direct the Camp Director to maintain appropriate records that show that all Camp funds received from parents are recorded on attendance and payment logs and are remitted to the school secretary with a cash receipt form for bank deposit.

### **School Response**

At this time, the Camp program is dormant due to low student attendance. If the Camp program is reinstated, the recommendation suggested will be fully implemented.

## **II. Fixed Asset Management**

## **8. Audit Finding**

Testing revealed that twenty six of forty six Apple iPads and two HP desktop computers were not entered on IFAS within 30 days of receipt. In addition, the two HP desktops did not have an MPS tag number attached.

### **Recommendation:**

The Principal should direct staff to enter fixed assets on IFAS within 30 days of receipt and direct technology staff to tag all equipment with an MPS tag.

### **School Response**

Prior to my arrival, there were iPads provided to the school. The iPads were not properly entered into IFAS. A new technology coordinator will be selected and all technology will be properly inventoried by the end of the school year. The suggested recommendation will be fully implemented.

## **9. Audit Finding**

The school was not accurately performing random audits nor completing the physical inventory of all assets. Periodically during the school year, random audits should be made to determine if assets are still in use or if they should be removed from the IFAS fixed asset register. A physical inventory of all fixed assets must be completed prior to the end of each school year.

### **Recommendation:**

The Principal should instruct the Bookkeeper and other staff responsible for fixed assets to conduct periodic and year-end inventories of fixed assets so that IFAS can be updated to reflect the fixed assets at the school.

**School Response**

A new technology coordinator will be selected and all technology will be properly inventoried by the end of the school year. The suggested recommendation will be fully implemented.

**III. Payroll Exception Reporting**

No audit findings.

**IV. Fire Drills****10. Audit Finding**

School staff did not hold monthly fire drills for both school years reviewed. In 2016-17, drills were not held in October and December 2016 nor from January through March 2017. In 2017-18, drills were not held in November 2017 nor in January 2018.

**Recommendation:**

The Principal should ensure school staff holds monthly fire drills after the first two drills are held.

**School Response**

Fire drills should be conducted twice during the first two weeks of school and monthly for the remainder of the school year. Moving forward, the suggested recommendation will be fully implemented

**V. Student Attendance****11. Audit Finding**

School staff does not consistently contact the parents or guardians of truant students by the end of the second day of an unexcused absence. School staff relies on the Messenger auto dialer to contact parents of truant students; however, if parents are not reached by the Messenger program, they are not consistently contacted within 48 hours of a reported truancy.

**Recommendation**

The Principal should direct staff to contact parents of truant students by phone or another means before the end of the second day after receiving a report of an unexcused absence.

**School Response**

Moving forward, the Parent Coordinator will contact parents of truant students before the end of the second day. The Parent Coordinator will document this parent contact in Infinite Campus.

## VI. Textbook Management

### 12. Audit Finding

For the six textbooks tested from two classrooms, selected from open shelves, four of six (67%) have the status lost, one of six (17%) has the status no matches found, and one of six (17%) did not have a bar code. All textbooks in classrooms should have been recorded in the textbook management system with the status checked out.

For the two textbooks tested from the secured storage room, one of two has the status no matches found, and the other did not have a bar code. In addition, the school only accounted for 44.15% of their textbook inventory.

### Recommendation

The Principal should ensure that (1) all materials provided to individual teachers and students are properly barcoded and recorded in the textbook management system, and (2) the school meets the 95% district textbook inventory requirement.

### School Response

A new textbook coordinator will be selected and all textbooks will be properly inventoried by the end of the school year. The suggested recommendation will be implemented.

**MILWAUKEE PUBLIC SCHOOLS**  
**OFFICE OF AUDIT SERVICES**  
**Internal Controls and Other Procedures**

School funds are accounted for through the Integrated Finance and Accounting System (IFAS). The MPS School Accounting Manual (SAM), MPS Financial Standards (FS), Travel Policies and Procedures Manual (TPPM), Educational Materials Inventory Management Process Manual (EMIVMP), and Administrative Policies and Procedures (AP) are the primary sources for district financial guidelines. The following information summarizes the most commonly used Internal Controls and Other Procedures the district requires schools to follow. In some cases, information and/or explanations were added or expanded by Audit Services based on best business practices (BBP). Sources where more detailed information can be found are referenced throughout.

**I. Financial Transactions**

**IFAS-Student Activity (IFAS-SA) Balance Sheet**

Purpose: To ensure that no expenditures are made in excess of funds available in an account and that only school-related activities are represented on the balance sheet.

1. The principal should ensure that IFAS-SA Balance Sheet accounts never have negative balances (except the budget reimbursement – xx20101 L201 and camp reimbursement – xx20301 L205 accounts). No expenditure should be made in excess of the total funds in the club's account. [SAM]
2. All accounts on the general ledger should represent currently active, school-sponsored clubs or activities. Cash balances relating to inactive club accounts should be transferred to the General School account after one year. [SAM]
3. The principal/secretary/bookkeeper should ensure that the petty cash is kept in the office and in a secure location. [SAM]
4. The principal should ensure that the petty cash is no more than \$50. [BBP]
5. The principal should receive, open, and review the bank statements. The principal should review cancelled checks returned with the bank statement to ensure all checks were signed by the principal. [SAM]
6. The monthly bank statement should be reconciled to the IFAS-SA report and checkbook balance and a copy of the reconciliation should be remitted to the Finance Department by the 20th of the month. The review of the bank reconciliation should be performed in tandem

with the monthly review of the school's financial records and should be signed by the principal. [SAM, FS #7, AP 3.06]

7. The secretary/bookkeeper should record bank adjustments such as returned items and bank charges in the checkbook as soon as they are known. [SAM]
8. Outstanding checks greater than one year old should be written off. [SAM]
9. Correction memos from the bank and adjusting entries on IFAS-SA should be rare occurrences. [BBP]
10. Electronic fund transfers (EFT) used to transfer monies from the school's checking account to a central nutrition account should be monitored. Daily cafeteria receipts should be reconciled to the monthly EFT on the bank statement and differences should be investigated and resolved. [SAM, BBP]
11. Interest earned on savings accounts or certificates of deposit should be recorded when received which may be monthly, quarterly, or upon investment maturity. [SAM]

## **Cash Receipts**

### **Receipt of Funds**

Purpose: To ensure adequate control is maintained over all funds that are received by school personnel.

1. When an individual (advisor) receives funds, the advisor should, on a daily basis, count the funds and prepare and sign the standard three-part Cash Receipt form which includes the account number and name, date, and the breakdown of funds being deposited. The funds and the completed Cash Receipt form should then be submitted to the secretary/bookkeeper. Food service managers should prepare three signed cafeteria reports, which detail the cafeteria receipts, and submit two copies to the secretary/bookkeeper in lieu of the three-part Cash Receipt form. [SAM, AP 3.08]
2. The secretary/bookkeeper should independently count the funds and counter-sign the Cash Receipt/cafeteria reports which detail the cafeteria receipts. The secretary/bookkeeper's signature indicates agreement on the accuracy of the amount being deposited. If a discrepancy exists, the secretary/bookkeeper should contact the advisor and resolve the discrepancy. [SAM, AP 3.08]
3. The secretary/bookkeeper should (a) return the last copy of the completed Cash Receipt/cafeteria reports to the advisor, (b) file the second copy of the Cash Receipt/cafeteria form by the IFAS-SA account number, and (c) attach the top copy of the Cash

Receipt/cafeteria form to the bank deposit receipt to use when posting financial information to IFAS-SA. [SAM]

### **Depositing the Funds**

Purpose: To ensure all funds are properly deposited.

4. All funds received should be secured in a locked environment, preferably a safe, but at least a locked cabinet or locked drawer in an area with limited access, such as the principal's office. Under no circumstances should funds be kept in desks, file cabinets, or any location in a classroom. [SAM, AP 3.08]
5. The secretary/bookkeeper should deposit funds at least on a weekly basis. [SAM, AP 3.08]
6. The secretary/bookkeeper should deposit all revenue received since the last deposit. No cash should be held back for any reason. [BBP]

### **Recording the Receipts and Retention of Records**

Purpose: To ensure receipts are properly recorded and that records are properly retained.

7. Each bank deposit slip should be supported by Cash Receipt forms included in that deposit. This group of documents should be filed chronologically. [SAM]
8. Whenever a deposit is made, the secretary/bookkeeper should record the deposit in the school's checkbook register along with the new running balance. [SAM, BBP]
9. The secretary/bookkeeper should update IFAS-SA at least monthly by entering the information from the original Cash Receipt/cafeteria report. Audit Services strongly recommends weekly updates so that each student activity fund balance is known throughout the month and deficit spending does not occur. Weekly entry will also require posting to IFAS-SA based upon the original Cash Receipt/cafeteria report and will ensure that a reconciliation is performed between the school's cash balance and the bank statement balance. [BBP]
10. All copies of the Cash Receipt forms should be retained by the individuals responsible for the copies. [SAM]
11. Cash donations, gifts, and scholarships should be recorded and acknowledged by the School Board in accordance with district procedures. Scholarships/grants/donations of \$5,000 or more should be remitted to Central Services for administration. [SAM]

## **Cash Disbursements**

Purpose: To ensure that all expenditures are properly authorized and approved and payments are adequately documented.

### **Payment Authorization and Processing**

#### **Approval**

1. Original invoices and packing slips or other expenditure documentation should be submitted to the secretary/bookkeeper for Student Club account and General School expenditures to be paid by a school check. The only acceptable forms of documentation are original receipts and invoices. Photocopies and duplicate invoices are not acceptable. Statements should not be used as documentation as their purpose is only to list amounts owed. The secretary/bookkeeper should then prepare a check for the principal's signature. [SAM]
2. Prior to check signing, the principal should ensure that (a) the expenditure is reasonable, relates to the activities of the account, and is allowable under MPS guidelines, and (b) sufficient funds are available in the club account from which the expenditure will be drawn. [SAM]

#### **Payment**

3. The checkbook and any unused check stock should be safeguarded to protect against unauthorized use. [SAM]
4. On each check stub schools should record: date, payee, description, IFAS-SA account, IFAS budget code (Capital Cash reimbursement only), amount of check, and balance in the account after the check. [SAM]
5. Checks written to a vendor by the secretary/bookkeeper should be mailed directly to the vendor and not forwarded to the club advisor. [BBP]

#### **Documentation and CASH Entry**

6. The secretary/bookkeeper should mark receipts and invoices "paid" and list the check number and date of issuance on the original invoice. This will avoid duplicate payments. [SAM]

7. The secretary/bookkeeper should enter expenditure transactions on IFAS-SA at least monthly. Audit Services strongly recommends weekly updates so that each student activity fund balance is known throughout the month and deficit spending does not occur. Weekly entry will also require posting to IFAS-SA based upon the original invoice and will ensure that a reconciliation is performed between the school's cash balance and the bank statement balance. [BBP]
8. Invoices paid with a school check should be filed alphabetically by the payee's name or by check number. If a school has many disbursements, a separate file can be set up for each vendor. [SAM]
9. The principal/secretary/bookkeeper should ensure that supporting documentation is retained. [SAM]

### General

10. When writing checks to businesses, always make the check payable to the business, never to an individual. [BBP]
11. New principals should ensure that a Depository Resolution is prepared and provided to the School Accounting Division to update the bank account authorized signers. [SAM]
12. The principal should ensure that the school checking account is never overdrawn. [SAM]
13. The principal should not sign blank checks or allow checks to be signed by use of a signature stamp. [SAM, FS #8, AP 3.06]
14. The principal should not approve checks payable to cash. [BBP]

### Capital Cash/Budget Reimbursements

Purpose: To ensure that Board and categorical funded small purchases made with school checks are appropriately accounted for and processed efficiently.

1. Capital Cash should be used for small expenditures that can be reimbursed by Central Services and charged to a school's budget. Requests for reimbursement(s) should be submitted at least once a month. All receipts/documentation must be initialed and dated by the school administrator; including the check number and amount to be reimbursed. This will let the Accounts Payable staff know the invoice has been approved for payment. [SAM, FS #5, AP 3.06]

2. Capital Cash/Budget Reimbursement should not be used for: (a) purchases greater than \$500; (b) payments to individuals (employees, contractors, or consultants); or (c) payment of travel expenses. [SAM]
3. The secretary/bookkeeper should ensure that all Capital Cash reimbursable expenditures are posted to the budget reimbursement account – xx20101 L201. When reimbursement checks are received, the secretary/bookkeeper should ensure that all items posted to account – xx20101 L201 were included on the reimbursement check. Adjusting journal entries to xx20101 L201 should be made when items recorded in xx20101 L201 are not reimbursed (e.g. sales tax, gifts for staff). [SAM, BBP]
4. Expenditures that are submitted through Capital Cash/Budget Reimbursement and are charged to a grant must comply with the grant requirements. [SAM]

### **Camp and Club Accounts**

Purpose: To ensure that cash receipts and expenditures are accurately recorded and district assets are safeguarded relating to Camp and Club account activities.

1. The following IFAS-SA accounts should be set up to properly account for before and after school day care programs:
  - Account xx20302 L203 should be used to post registration receipts, and account xx20401 L204 should be used to post parent co-payments and other Camp receipts. [SAM]
  - Account xx20301 L205 should be used to record Camp expenditures to be reimbursed from the Camp budget (000-0-0-CMP-XX). Budget Reimbursement account xx20101 L201 may be used in lieu of account xx20301 L205. [SAM, AP]
2. All Camp funds received from parents and other sources must be remitted to Finance each month. The budget adjustment account 000-0-0-CMP-XX-EBAJ is used to record these funds in IFAS. [SAM]
3. Appropriate records should be maintained by the Camp Director to show that all Camp funds received from parents are recorded on attendance and payment logs and are remitted to the school secretary with a cash receipt form for bank deposit. [BBP]
