Auditors' Report

Mr. Harold Orkowski
Principal
Eighty-First Street Elementary School

At your request, our office conducted an audit of Eighty-First Street Elementary School's (Eighty-First Street) financial transactions, fixed asset management, payroll exception reporting, fire drill, student attendance and textbook management procedures and activities. The purpose of our review was to assist you in your new Principal assignment by assessing whether the existing internal controls over the school's financial and other activities can be relied upon to ensure that assets are safeguarded, procedures are followed, and transactions are properly authorized, recorded, and documented. We conducted this performance audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

AUDIT CONCLUSION

Based upon the representations we received from you and your staff and the results of our limited testing of transactions that occurred from January 1, 2017 through December 31, 2017 it is our opinion that internal controls are:

	Internal Controls	
	Adequate	Inadequate
Financial Transactions	✓ with recommendations	
Fixed Asset Management		✓
Payroll Exception Reporting	✓	
Fire Drills	✓ with recommendations	
Student Attendance	✓ with recommendations	
Textbook Management	✓ with recommendations	

Adequate: The school has been following most or all of the essential, prescribed internal control procedures to ensure that school assets are safeguarded and transactions are properly authorized, recorded and documented.

Inadequate: The school has not been following the essential, prescribed internal control procedures and accordingly, a high risk for misrepresentation and/or misappropriation exists at the school and these conditions should be corrected immediately.

Accordingly, it is our opinion that balances reported on monthly student activity fund (SAF) financial statements, including but not limited to the December 31, 2017 statement attached as Exhibit I, are fairly stated.

DETAIL AUDIT FINDINGS AND RECOMMENDATIONS

Our audit showed several areas in need of improvement as noted in the following table of audit findings:

Area Reviewed	Number of Audit Findings
I. Financial Transactions	
IFAS-Student Activity Balance Sheet	-
Cash Receipts	-
Cash Disbursements	1
Capital Cash / Budget Reimbursements	1
Camp & Club Accounts	1
Fund Raising	1
Other Expenditures and Controls	2
II. Fixed Asset Management	2
III. Payroll Exception Reporting	-
IV. Fire Drills	1
V. Student Attendance	1
VI. Textbook Management	1

The following pages provide specific details for each of the audit findings and our recommendations. In addition, we have attached a document that summarizes the most commonly used Internal Controls and Other Procedures the district requires schools to follow. The highlighted items within the attached document describe the internal control, procedure, or policy that did not exist at your school and should be implemented as soon as possible.

I. Financial Transactions

Cash Disbursements

1. Audit Finding

Two expenditures totaling \$310, for volunteer luncheons, were charged to the general school account, when non-student expenditures are only allowable from an accommodation account such as the soda fund.

Recommendation

The Principal should ensure that all expenditures that benefit staff are charged to an accommodation account, such as the soda fund.

School Response

The Principal will ensure that all expenditures that benefit staff are charged to an accommodation account. This will be done by checking in with the Bookkeeper.

Capital Cash / Budget Reimbursements

2. Audit Finding

Reimbursements were recorded in IFAS SA account 50001 – General School account, rather than using account 20101 - Budget Reimbursement.

Recommendation:

The Principal should direct the Bookkeeper to use account 20101 - Budget Reimbursement – for all reimbursement expenditures.

School Response

The Principal will direct the Bookkeeper to use account 20101 - Budget Reimbursement – for all reimbursement expenditures.

Camp & Club Accounts

3. Audit Finding

The Bookkeeper does not consistently provide IFAS-SA activity reports to advisors showing Club Account transactions and account balances on a monthly basis or when the activity occurs.

Recommendation:

The Principal should direct the Bookkeeper to provide IFAS-SA activity reports to advisors on a monthly basis or when activity occurs in the account.

School Response

The Principal will direct the Bookkeeper to provide IFAS-SA activity reports to advisors on a monthly basis or when activity occurs in the account.

Fund Raising

4. Audit Finding

A Fundraiser Request and Report form was not accurately prepared for one fundraising event reviewed.

- The Principal did not sign the form before the fund raiser was initiated and the Expected Receipts and Expenses section was not accurately completed.
- The financial report, Section II, did not include details of the actual Receipts and Expenses.
- In Section II, the advisor and Bookkeeper did not include a date with their signature.

Recommendation:

The Principal should;

- Approve fundraisers before the events begin and ensure the Expected Receipts and Expenses section are accurately completed.
- Direct staff to complete Section II of the Fundraiser Request and Report forms, including the actual Receipts and Expenses section.
- Direct staff to include a date with their signature.

School Response

The Principal will;

- Approve fundraisers before the events begin and ensure the Expected Receipts and Expenses section are accurately completed.
- Direct staff to complete Section II of the Fundraiser Request and Report forms, including the actual Receipts and Expenses section.
- Direct staff to include a date with their signature.

Other Expenditures and Controls

5. Audit Finding

Review of one contract in the amount of \$150, for a science presentation, indicated staff did not execute the contract timely as the contractor provided services on November 18th, 2017 yet the contract was not signed until November 23rd, 2017.

Recommendation

Principal should ensure the Department of Finance and Risk Management approve contracts prior to the contractor providing any services.

School Response

Principal will ensure the Department of Finance and Risk Management approve contracts prior to the contractor providing any services. (These were incidents that happened before I became the principal at 81st Street School)

6. Audit Finding

Our review of ten expenditures showed that an order of twenty HP notebook computers, sports equipment from Gopher Sports, supplemental literacy books, electronic devices for the social worker, and a 42" LED monitor, were charged to ENCQ (non-capital equipment)

and ESUP (supplies), respectively, when ECPU (computers), ESUP (supplies), ENTB (non-textbooks), and ENCQ (non-capital equipment), respectively, would have been more appropriate.

Recommendation:

When purchasing goods for the school, the Principal should direct the Bookkeeper to post expenditures to the budget codes that most accurately describe the nature of the expenditures.

School Response

When purchasing goods for the school, the Principal will direct the Bookkeeper to post expenditures to the budget codes that most accurately describe the nature of the expenditures.

II. Fixed Asset Management

7. Audit Finding

Three orders of fixed assets purchased during the time of our review, for twenty HP laptop computers, six pieces of electronic equipment used by the social worker in mindfulness training, and one LED display monitor, were not entered on IFAS within 30 days of receipt. Two additional items selected at the school were not entered on IFAS, and one did not have an MPS tag attached.

Recommendation

The Principal should direct staff to enter fixed assets on IFAS within 30 days of receipt and direct technology staff to attach an MPS tag to all equipment.

School Response

The Principal will direct staff to enter fixed assets on IFAS within 30 days of receipt and direct technology staff to attach an MPS tag to all equipment.

8. Audit Finding

School staff reported that a separate file is not maintained for fixed asset acquisitions and disposals while periodic and year-end fixed asset inventories are not conducted by the school.

Recommendation

The Principal should instruct the school Bookkeeper to maintain a separate and complete fixed asset file and direct staff to conduct periodic and year-end inventories of fixed assets so that the IFAS fixed asset register can be updated to reflect the fixed assets at the school.

School Response

The Principal will instruct the school Bookkeeper to maintain a separate and complete fixed asset file and direct staff to conduct periodic and year-end inventories of fixed assets so that the IFAS fixed asset register can be updated to reflect the fixed assets at the school. (Already in place for the end of 2017-2018)

III. Payroll Exception Reporting

No audit findings.

IV. Fire Drills

9. Audit Finding

In 2016-17, fire drills were not held in October and December 2016 and only one fire drill was observed by the Milwaukee Fire Department, while in 2017-18, only one drill was held during the first two weeks of the school year.

Recommendation

The Principal should ensure that:

- The school holds monthly fire drills after the first two drills are held.
- Two fire drills are observed during the school year by the Milwaukee Fire Department.
- Two drills are held during the first two weeks of the school year.

School Response

The Principal will ensure that:

- The school holds monthly fire drills after the first two drills are held.
- Two fire drills are observed during the school year by the Milwaukee Fire Department.
- Two drills are held during the first two weeks of the school year.
(Again this was before I arrived at 81st Street School)

V. Student Attendance

10. Audit Finding

School staff does not consistently contact the parents or guardians of truant students by the end of the second day of an unexcused absence. School staff relies on Messenger auto dialer to contact parents of truant students; however, if parents are not reached by Messenger, they are not consistently contacted within 48 hours of a reported truancy.

Recommendation:

The Principal should direct staff to contact parents of truant students by phone or another means before the end of the second day after receiving a report of an unexcused absence.

School Response

The Principal will direct staff to contact parents of truant students by phone or another means before the end of the second day after receiving a report of an unexcused absence.

VI. Textbook Management

11. Audit Finding

The school accounted for only 71.03% of their textbook inventory. In addition, for the six textbooks tested from two classrooms, selected from student desks and open shelves, four of six (67%) have the status checked out, one of six (17%) has the status lost, and the sixth book (17%) did not have a bar code attached. The six textbooks should have been recorded in the textbook management system with the status checked out.

For the two textbooks tested from the secured storage rooms, the status of one of the books is available while the status of the remaining textbook is checked out. All textbooks kept in storage rooms should be recorded in the textbook management system and have the status available.

Recommendation

The Principal should ensure that (1) all materials provided to individual teachers and students are properly barcoded and recorded in the textbook management system, and (2) the school meets the 95% district textbook inventory requirement.

School Response

The Principal will ensure that (1) all materials provided to individual teachers and students are properly barcoded and recorded in the textbook management system, and (2) the school meets the 95% district textbook inventory requirement.

MILWAUKEE PUBLIC SCHOOLS
OFFICE OF AUDIT SERVICES
Internal Controls and Other Procedures

School funds are accounted for through the Integrated Finance and Accounting System (IFAS). The MPS School Accounting Manual (SAM), MPS Financial Standards (FS), Travel Policies and Procedures Manual (TPPM), Educational Materials Inventory Management Process Manual (EMIVMP), and Administrative Policies and Procedures (AP) are the primary sources for district financial guidelines. The following information summarizes the most commonly used Internal Controls and Other Procedures the district requires schools to follow. In some cases, information and/or explanations were added or expanded by Audit Services based on best business practices (BBP). Sources where more detailed information can be found are referenced throughout.

I. Financial Transactions

IFAS-Student Activity (IFAS-SA) Balance Sheet

Purpose: To ensure that no expenditures are made in excess of funds available in an account and that only school-related activities are represented on the balance sheet.

1. The principal should ensure that IFAS-SA Balance Sheet accounts never have negative balances (except the budget reimbursement – xx20101 L201 and camp reimbursement – xx20301 L205 accounts). No expenditure should be made in excess of the total funds in the club's account. [SAM]
2. All accounts on the general ledger should represent currently active, school-sponsored clubs or activities. Cash balances relating to inactive club accounts should be transferred to the General School account after one year. [SAM]
3. The principal/secretary/bookkeeper should ensure that the petty cash is kept in the office and in a secure location. [SAM]
4. The principal should ensure that the petty cash is no more than \$50. [BBP]
5. The principal should receive, open, and review the bank statements. The principal should review cancelled checks returned with the bank statement to ensure all checks were signed by the principal. [SAM]
6. The monthly bank statement should be reconciled to the IFAS-SA report and checkbook balance and a copy of the reconciliation should be remitted to the Finance Department by the 20th of the month. The review of the bank reconciliation should be performed in tandem

with the monthly review of the school's financial records and should be signed by the principal. [SAM, FS #7, AP 3.06]

7. The secretary/bookkeeper should record bank adjustments such as returned items and bank charges in the checkbook as soon as they are known. [SAM]
8. Outstanding checks greater than one year old should be written off. [SAM]
9. Correction memos from the bank and adjusting entries on IFAS-SA should be rare occurrences. [BBP]
10. Electronic fund transfers (EFT) used to transfer monies from the school's checking account to a central nutrition account should be monitored. Daily cafeteria receipts should be reconciled to the monthly EFT on the bank statement and differences should be investigated and resolved. [SAM, BBP]
11. Interest earned on savings accounts or certificates of deposit should be recorded when received which may be monthly, quarterly, or upon investment maturity. [SAM]

Cash Receipts

Receipt of Funds

Purpose: To ensure adequate control is maintained over all funds that are received by school personnel.

1. When an individual (advisor) receives funds, the advisor should, on a daily basis, count the funds and prepare and sign the standard three-part Cash Receipt form which includes the account number and name, date, and the breakdown of funds being deposited. The funds and the completed Cash Receipt form should then be submitted to the secretary/bookkeeper. Food service managers should prepare three signed cafeteria reports, which detail the cafeteria receipts, and submit two copies to the secretary/bookkeeper in lieu of the three-part Cash Receipt form. [SAM, AP 3.08]
2. The secretary/bookkeeper should independently count the funds and counter-sign the Cash Receipt/cafeteria reports which detail the cafeteria receipts. The secretary/bookkeeper's signature indicates agreement on the accuracy of the amount being deposited. If a discrepancy exists, the secretary/bookkeeper should contact the advisor and resolve the discrepancy. [SAM, AP 3.08]
3. The secretary/bookkeeper should (a) return the last copy of the completed Cash Receipt/cafeteria reports to the advisor, (b) file the second copy of the Cash Receipt/cafeteria form by the IFAS-SA account number, and (c) attach the top copy of the Cash

Receipt/cafeteria form to the bank deposit receipt to use when posting financial information to IFAS-SA. [SAM]

Depositing the Funds

Purpose: To ensure all funds are properly deposited.

4. All funds received should be secured in a locked environment, preferably a safe, but at least a locked cabinet or locked drawer in an area with limited access, such as the principal's office. Under no circumstances should funds be kept in desks, file cabinets, or any location in a classroom. [SAM, AP 3.08]
5. The secretary/bookkeeper should deposit funds at least on a weekly basis. [SAM, AP 3.08]
6. The secretary/bookkeeper should deposit all revenue received since the last deposit. No cash should be held back for any reason. [BBP]

Recording the Receipts and Retention of Records

Purpose: To ensure receipts are properly recorded and that records are properly retained.

7. Each bank deposit slip should be supported by Cash Receipt forms included in that deposit. This group of documents should be filed chronologically. [SAM]
8. Whenever a deposit is made, the secretary/bookkeeper should record the deposit in the school's checkbook register along with the new running balance. [SAM, BBP]
9. The secretary/bookkeeper should update IFAS-SA at least monthly by entering the information from the original Cash Receipt/cafeteria report. Audit Services strongly recommends weekly updates so that each student activity fund balance is known throughout the month and deficit spending does not occur. Weekly entry will also require posting to IFAS-SA based upon the original Cash Receipt/cafeteria report and will ensure that a reconciliation is performed between the school's cash balance and the bank statement balance. [BBP]
10. All copies of the Cash Receipt forms should be retained by the individuals responsible for the copies. [SAM]
11. Cash donations, gifts, and scholarships should be recorded and acknowledged by the School Board in accordance with district procedures. Scholarships/grants/donations of \$5,000 or more should be remitted to Central Services for administration. [SAM]

Cash Disbursements

Purpose: To ensure that all expenditures are properly authorized and approved and payments are adequately documented.

Payment Authorization and Processing

Approval

1. Original invoices and packing slips or other expenditure documentation should be submitted to the secretary/bookkeeper for Student Club account and General School expenditures to be paid by a school check. The only acceptable forms of documentation are original receipts and invoices. Photocopies and duplicate invoices are not acceptable. Statements should not be used as documentation as their purpose is only to list amounts owed. The secretary/bookkeeper should then prepare a check for the principal's signature. [SAM]
2. Prior to check signing, the principal should ensure that (a) the expenditure is reasonable, relates to the activities of the account, and is allowable under MPS guidelines, and (b) sufficient funds are available in the club account from which the expenditure will be drawn. [SAM]

Payment

3. The checkbook and any unused check stock should be safeguarded to protect against unauthorized use. [SAM]
4. On each check stub schools should record: date, payee, description, IFAS-SA account, IFAS budget code (Capital Cash reimbursement only), amount of check, and balance in the account after the check. [SAM]
5. Checks written to a vendor by the secretary/bookkeeper should be mailed directly to the vendor and not forwarded to the club advisor. [BBP]

Documentation and CASH Entry

6. The secretary/bookkeeper should mark receipts and invoices "paid" and list the check number and date of issuance on the original invoice. This will avoid duplicate payments. [SAM]

7. The secretary/bookkeeper should enter expenditure transactions on IFAS-SA at least monthly. Audit Services strongly recommends weekly updates so that each student activity fund balance is known throughout the month and deficit spending does not occur. Weekly entry will also require posting to IFAS-SA based upon the original invoice and will ensure that a reconciliation is performed between the school's cash balance and the bank statement balance. [BBP]
8. Invoices paid with a school check should be filed alphabetically by the payee's name or by check number. If a school has many disbursements, a separate file can be set up for each vendor. [SAM]
9. The principal/secretary/bookkeeper should ensure that supporting documentation is retained. [SAM]

General

10. When writing checks to businesses, always make the check payable to the business, never to an individual. [BBP]
11. New principals should ensure that a Depository Resolution is prepared and provided to the School Accounting Division to update the bank account authorized signers. [SAM]
12. The principal should ensure that the school checking account is never overdrawn. [SAM]
13. The principal should not sign blank checks or allow checks to be signed by use of a signature stamp. [SAM, FS #8, AP 3.06]
14. The principal should not approve checks payable to cash. [BBP]

Capital Cash/Budget Reimbursements

Purpose: To ensure that Board and categorical funded small purchases made with school checks are appropriately accounted for and processed efficiently.

1. Capital Cash should be used for small expenditures that can be reimbursed by Central Services and charged to a school's budget. Requests for reimbursement(s) should be submitted at least once a month. All receipts/documentation must be initialed and dated by the school administrator; including the check number and amount to be reimbursed. This will let the Accounts Payable staff know the invoice has been approved for payment. [SAM, FS #5, AP 3.06]

2. Capital Cash/Budget Reimbursement should not be used for: (a) purchases greater than \$500; (b) payments to individuals (employees, contractors, or consultants); or (c) payment of travel expenses. [SAM]
3. The secretary/bookkeeper should ensure that all Capital Cash reimbursable expenditures are posted to the budget reimbursement account – xx20101 L201. When reimbursement checks are received, the secretary/bookkeeper should ensure that all items posted to account – xx20101 L201 were included on the reimbursement check. Adjusting journal entries to xx20101 L201 should be made when items recorded in xx20101 L201 are not reimbursed (e.g. sales tax, gifts for staff). [SAM, BBP]
4. Expenditures that are submitted through Capital Cash/Budget Reimbursement and are charged to a grant must comply with the grant requirements. [SAM]

Camp and Club Accounts

Purpose: To ensure that cash receipts and expenditures are accurately recorded and district assets are safeguarded relating to Camp and Club account activities.

1. The following IFAS-SA accounts should be set up to properly account for before and after school day care programs:
 - Account xx20302 L203 should be used to post registration receipts, and account xx20401 L204 should be used to post parent co-payments and other Camp receipts. [SAM]
 - Account xx20301 L205 should be used to record Camp expenditures to be reimbursed from the Camp budget (000-0-0-CMP-XX). Budget Reimbursement account xx20101 L201 may be used in lieu of account xx20301 L205. [SAM, AP]
2. All Camp funds received from parents and other sources must be remitted to Finance each month. The budget adjustment account 000-0-0-CMP-XX-EBAJ is used to record these funds in IFAS. [SAM]
3. Appropriate records should be maintained by the Camp Director to show that all Camp funds received from parents are recorded on attendance and payment logs and are remitted to the school secretary with a cash receipt form for bank deposit. [BBP]
4. The secretary/bookkeeper should provide staff advisors with IFAS-SA Detail Trial Balance/Query Accounts (QA) reports each month whenever there is club account activity. A reconciled copy of the CAMP QA IFAS-SA report must be provided to the school principal for review. [SAM]

5. Staff advisors should review their club account transactions and balances for accuracy based on their retained Cash Receipt forms, invoices, and club records. The principal should ensure staff is aware of their responsibility to review their account transactions and balances for accuracy. [SAM]

Fund Raising

Purpose: To ensure that fund raising events are adequately monitored, fund raising revenues are properly deposited, and expenditures are reasonable and appropriate. [AP 7.22]

1. The principal should provide prior approval for all fund raisers by signing fund raising request forms submitted by the staff advisor. [SAM]
2. The principal should obtain approval from their Regional Director of School Support for fundraisers anticipated to generate revenue of \$5,000 or greater. [SAM]
3. All fund raising transactions must be conducted through the school's checking account and reflected in the school's General Ledger. This includes every receipt and disbursement. No cash payments to vendors are allowed. [SAM]
4. Fund raising financial report forms should be completed by the staff advisor and submitted to the secretary/bookkeeper within one week after the completion of the fund raiser. The principal should ensure that properly completed Fundraising Request and Report forms are on file for all fund raising events. [SAM]
5. The school principal should review the completed fund raising form to ensure that [SAM]:
 - a. The fund raising activity was completed within the approved time frame.
 - b. Actual revenue was similar to expected revenue.
 - c. Profit was reasonable (fund raising profit margins are typically 35-50%).
 - d. The financial report was submitted by the staff advisor immediately following completion of the event.
 - e. Expenditures are reasonable and consistent with the purpose of the fund raiser.
6. If the school has a PTA/PTO that records their activity on IFAS-SA, all such fundraising activities must be in accordance with the same rules as a school fundraiser. If the PTA/PTO is a recognized parent organization that maintains their own financial records [AP 7.22, BBP]:
 - a. All fund raising needs the approval of the principal before proceeding with any activity.
 - b. The treasurer should provide the principal with a financial report for each event.
 - c. All monies collected should be deposited into the PTA/PTO bank account on a regular basis and shall not be kept in an individual's bank account.
 - d. The principal should ensure that two individuals authorize all expenditures.

- e. The principal should ensure that no members on the PTA/PTO receive a salary or any other type of compensation.
- f. Financial statements should be prepared for fund raising activities upon completion of all financial transactions related to the fund raising activity.
- g. The treasurer should prepare and distribute a financial report to the parent group at least once each semester. The report should detail the receipts and expenditures for each respective period.
- h. The principal should meet with the PTA/PTO president or treasurer at least once a semester to review financial statements and bank statements and to discuss PTA/PTO financial activities.
- i. Copies of PTA/PTO annual financial reports and fund raising activity reports must be forwarded to the Department of Finance.

Other Expenditures and Controls

Purpose: To ensure that assets are adequately safeguarded and protected from risk of loss.

1. To the extent possible, different employees should be assigned to: [SAM, FS #6, AP 3.06]
 - Counting cash
 - Depositing cash
 - Recording receipts/expenditures
 - Reconciling IFAS-SA balance sheet and checkbook to bank statements
 - Authorizing payments/reimbursements to principal
 - Receiving fixed assets and recording fixed assets in IFAS
2. No staff at any school should have a credit card or debit card in the school's name. [SAM]
3. The principal should avoid conflicts of interest; e.g., hiring a friend or family member to work for the school. [FS #3, AP 3.06]
4. Paramount to a strong internal control environment is staff knowledge of the MPS School Accounting Manual (SAM), MPS Financial Standards (FS), and Board Administrative Policies and Procedures (BAP).
