

# BEYOND THE BOARD ROOM

AN INITIATIVE OF THE MILWAUKEE BOARD OF SCHOOL DIRECTORS

APRIL 2017

**TATIANA JOSEPH**  
School Board Director  
District 6

## A NOTE FROM

### DIRECTOR TATIANA JOSEPH

I would like to thank the constituents of District 6 for allowing me to serve as your Board representative for the past four years. It has been my pleasure to work with you to ensure that the students within our district receive the quality education they deserve. Over the past four years, we have made great progress in the district including the creation of the District Multilingual Multicultural Advisory Council (DMMAC), the inclusion of world language in district graduation requirements, and most recently the passing of a resolution to declare MPS a welcoming and safe school environment for students and families threatened by immigration enforcement or discrimination. I encourage all constituents to continue this positive momentum in ensuring a safe, engaging, welcoming educational environment for current students as well as for those to come. Again, thank you for your confidence and trust in me to represent you, your ideals, and goals for District 6 and the entire Milwaukee Public Schools District.

## SPOTLIGHT ON DISTRICT 6 CARMEN SOUTH

Recently students at Carmen School of Science and Technology South Campus participated in a relationship-building day with recruits for the Milwaukee Police Department. Police recruits engaged the students by facilitating the school's physical education classes and playing games with the students. This event provided students with an opportunity for positive interaction

with law enforcement. Positive interaction can strengthen the relationship with the community that the police recruits will serve. Carmen School of Science and Technology South Campus offers a traditional program to students in the grades 9 through 12.
