## Join MPS for Read Across America March 2, 2017

MPS schools will participate in Read Across America, which this year falls on Dr. Seuss' birthday.

One hour volunteer blocks are available starting at 8:30 a.m. in some schools and at 9:30 a.m. in other schools.

Volunteers will read to elementary school students and will lead literacy activities with middle school students. These activities will be designed by the school, making it easy for volunteers to participate.

**Go to [mpsmke.com/readacrossamerica](http://mpsmke.com/readacrossamerica) to register to volunteer at the school of your choice.**
