## Middle and High School Early Enrollment

Fifth-grade families choosing a middle school and eighth-grade families choosing a high school should participate in Early Enrollment to choose the school that best meets their needs. *Apply for middle and high schools in three steps.*

- 1 **Find the schools that are right for you!** Visit school open houses, visit the Early Enrollment Fair (see below for dates) or visit [mpsmke.com/findaschool](http://mpsmke.com/findaschool).
- 2 **Apply Sept. 29, 2018 – Nov. 3, 2018!** Families choose up to five schools, ranked in order of preference. Students will be enrolled in the highest-ranked school to which they are accepted. Families with an MPS Parent Portal account can apply online. All families can apply at the fair or at a help session.

Students who do not attend a Milwaukee Public School and are applying to Rufus King, Golda Meir, Milwaukee High School of the Arts (MHSA), Reagan or Riverside must attend one test session. The test will be valid at all five schools. Test dates are highlighted in dark blue.

- 3 **You'll receive your school enrollment by early December!** Families who do not select a school through Early Enrollment will receive a school placement based upon your student's current program or neighborhood school.
