Give your child a Head Start!

Bilingual (English/Spanish) and **monolingual** programs available.

Head Start is a free program to help children develop early childhood skills and prepare for kindergarten. Children who take part in early education are more prepared for school and are more successful. Age and family income requirements must be met to qualify.

Head Start is offered in 39 schools throughout the city. Programs include three-year-old kindergarten (K3) and four-year-old kindergarten (K4). English-only and English/Spanish bilingual options are available.

The MPS Head Start program supports families through services that include education, health, dental, mental health, and disabilities support plus parent involvement. MPS Head Start fosters stable family relationships, enhances children's physical and emotional development, and promotes school readiness.
