# Free Learning Tools and Activities for Head Start Families

If your child was enrolled in K3 or K4 Head Start in 2019–20, your family is eligible to participate in our Head Start Google Classroom from home.

## Virtual Summer Learning July 6 – July 31, 2020

Participate **online any time** from home by logging into Google Classroom.

- 1 Go to <https://classroom.google.com>.
- 2 Click the **plus +** at the top right corner of the page. A menu will expand down.
- 3 Click **Join Class** on the menu.
- 4 Enter this class code: **zybb5fb**. Click Join.

**frogstreet**

*Frog Street for Young Learners* is an award-winning curriculum for families with 3- and 4-year-olds to use at home. The online classes and activities provide important resources to support academic skills and growth this summer. With more than 250 online books, activities, and songs, your child will love this virtual learning! The curriculum is available in English and Spanish.
