PBIS Flow Chart For Success: A Three Tiered System of Support

STEP 1
Are 80% of students responding to Tier 1? (Are 20% or fewer students receiving 1 or less ODRs K-8th OR 2 or less ODRs 9th-12th in a 20 day period?).

YES
Proceed to Tier 2. Approximately 15-20% of students may require Tier 2 interventions.

NO
Address Tier 1 system issues, including behavior lessons, school-wide procedures, T-chart, expectations posters, and acknowledgement system.

STEP 2
Begin Check In/Check Out. Create plan in Infinite Campus. Monitor progress with DPR. Success = Student receives at least 80% of daily points 80% of the time after 4-6 weeks.

YES
Complete 9 weeks, continuing to enter data in Infinite Campus (IC).

NO
Is CICO working?

STEP 3
Begin SAIG. Create plan in Infinite Campus. Monitor progress with DPR/WPR. Success = student receives at least 80% of points, 80% of the time.

YES
Is SAIG Working?

NO
Are 70% of students who receive Tier 2 interventions responding?

YES
Are 70% of students who receive Tier 2 interventions responding?

NO
Revisit your Tier 2 systems. Are interventions being implemented with fidelity?

STEP 4
Consider developing CICO with an individual feature and/or completing a Behavior Assessment Intervention Plan (BAIP).

YES
Is BAIP working?

NO
Continue documenting progress in IC extending plan end date to the conclusion of intervention period.

STEP 5
Proceed to Tier 3. Approximately 1-5% of students may require Tier 3 interventions. Please see Tier 3 flow charts and checklists.
