

School Wide Bingo

Procedure:

1. Each student will receive one bingo card.
2. Students may also purchase additional bingo cards for BLANK (a number of your PBIS acknowledgements or reaching a certain goal).
3. Numbers will be announced over the P.A. system. Please record those numbers on your chalk board or overhead.
4. School Wide Winner Method: If a student calls a bingo, immediately dial (XXXXXX). This will delay the next number.
5. The classroom teacher will verify that the bingo is valid. If the bingo is valid, a prize will be delivered to the room immediately and the next game will begin. If not, play will resume.
6. Classroom Winner Method: If a student calls bingo, verify with the number read over the PA system and give student prize. At random times, all students will be asked to clear their words and start again.

Prep

- Bingo Cards (purchased or made- search online)
- Purchase prizes
- Distribute bingo cards to teachers
- Volunteers (maybe more depending on school)
 - Caller
 - Phone attendant (needs a walky talky to communicate with card runners)
 - prize runner
 - Others??
