Tier 3 Summer Planning Ideas

The following are suggestions to help students/families create a plan for summer vacation.

- Help the student/family identify goals and supports for the summer, and create an action plan. Have a Plan A, Plan B, and Plan C in case the original plan does not work out. Ensure that the student/family receives copies of the plan.
  - RENEW: Record the summer plan on Youth Group Action Plan or Summer Goals and Action Steps. [http://www5.milwaukee.k12.wi.us/dept/rti/renew/](http://www5.milwaukee.k12.wi.us/dept/rti/renew/)
  - FBA/BIP: Record the summer plan on the BIP portion of the FBA/BIP template. [http://www5.milwaukee.k12.wi.us/dept/rti/fbabip/](http://www5.milwaukee.k12.wi.us/dept/rti/fbabip/)

- Identify someone who will check in on the student/family periodically during the summer. What will that contact look like?
  - A RENEW summer post card is available for completion on the RTI/PBIS website. [http://www5.milwaukee.k12.wi.us/dept/rti/renew/](http://www5.milwaukee.k12.wi.us/dept/rti/renew/)

- Identify community resources that the student/family could access during the summer. Help the student/family establish contacts with resources while school is still in session.

- Create a folder with ideas for the summer. The following information could be included in the folder, though it is important to select information that pertains to the individual student/family, keeping student age in consideration:

- Pre-arrange a plan for check-in at the beginning of the year.
  - Follow the steps on End-of-Year-Procedures when planning to leave your school.
  - If you haven’t finished the Tier 3 process, discuss where to pick up in Fall.
