To the Parent/Guardian of _____

From: Jane Audette, School Social Worker

Re: Skillstreaming Social Academic Intervention Group

I am the Hawthorne Elementary School Social Worker and a member of Hawthorne's PBIS Tier Two Team. I am planning on providing small skills training groups for identified students. Students have been identified by the PBIS Tier Two Team. We believe these students, who are already enrolled in Check-In/Check-Out, need additional behavioral skill development to be successful. Skillstreaming the Elementary School Child is the research-supported curriculum that I will be using, supplemented by the use of a restorative practice circle process and games from the ROPES curriculum. The specific skills to be addressed in the group will be determined by the needs of the students, which will be identified by teacher input.

Your child has been identified as a student that would benefit from participation in this group. Students will be out of regular instruction for 30 minutes, once a week. I will not be holding the group during critical academic instruction periods. The group will last from 6-9 weeks, depending on the needs of and progress of the group. The group will begin the week of December 3rd.

If you would like to speak to me about the group, please feel free to call me on my direct line at 414-247-7231. Please leave a message, if I do not answer and I will call you back.

Sincerely,

Jane Audette,
School Social Worker
