Phonics Instructional Routine: Read and Write Irregularly Spelled Words

Preparation/Materials: Irregularly spelled words (e.g., said, come, does) written on word cards, Fading Letter Cues worksheet, and a pencil for each student.

**TEACHER EXPLAINS TASK**

We are going to read and write irregularly spelled words.

**TEACHER MODELS TASK**

Display the word card “said”.

Listen and watch.

Point to the word as you read it aloud.

This is the word “said”. “Said” is an irregular word because some of the letters do not make their usual sounds. We can’t sound out the vowels in this word. We need to memorize how it is spelled and read.

Move your finger under each letter as you spell the word. Then read the word.

“s” “a” “i” “d” “said”

Now I will trace and say each letter name on the word card “said”.

INDEPENDENT PRACTICE

When students consistently read and write the word, provide individual turns using other words. Call on students in an unpredictable order, calling more frequently on students who made errors.

SCAFFOLDING SUGGESTION FOR ERRORS

Verify that students are saying the correct pronunciation of the word and are writing the correct letters. If an error is made, repeat the steps by explaining, modeling, and providing another practice opportunity.
Adaptations using this instructional routine:

- Decode the known letter-sounds (s, d) before spelling the words.
- Use other irregularly spelled words (e.g., friend, could, they, again).
