Vocabulary Instructional Routine: Multiple Meaning Words in Context

TEACHER EXPLAINS TASK

We will use context clues to identify the correct meaning of a word in sentences. A context clue is like a hint that the author gives us to figure out the meaning of the word.

TEACHER MODELS TASK

Display word card or write shoulder on the chart paper or a white board.

This is the word shoulder. Say shoulder.

- shoulder

You may already know a meaning for the word shoulder. Let’s describe a shoulder. Accept all relevant answers that describe one definition of shoulder (e.g., part of the body). Create and write a student-friendly definition on the chart paper or white board (e.g., A shoulder is part of the body between the arm and neck). Read the definition aloud.

A shoulder is part of your body between the arm and neck. Display definition card.

Listen to this sentence. Display the sentence and point to the words in the sentence as you read aloud.

When Todd injured his arm playing baseball, his doctor put a cast up to his shoulder to support the bones that were bruised.

To figure out the meaning of ‘shoulder’, I ask myself what is happening in the sentence. The sentence tells me that Todd had his injured arm and it is in a cast.

Then I ask, what words or phrases give me hints about the meaning of shoulder? Highlight or underline the words or phrases that provide hints as you speak about them.

The words ‘injured his arm’ and ‘a cast up to his shoulder’ give me a hint that the sentence is about a body. The meaning of shoulder, in this sentence, is a part of the body between the arm and neck.

I used context clues to identify the correct meaning of shoulder.

TEACHER AND STUDENTS PRACTICE TASK TOGETHER

Now, let’s learn another meaning for the word shoulder.

Shoulder can also mean to take on. Display definition card. Listen to this sentence using this meaning of shoulder. Display the sentence and point to the words as you read aloud.

Sally agreed to shoulder a lot of work now that her family has a new puppy.

Let’s read the sentence together. Point to the words as you choral read with students.

- Sally agreed to shoulder a lot of work now that her family has a new puppy.

To figure out the meaning of ‘shoulder’, I ask myself what is happening in the sentence.

Sally has more work with a new puppy.

Then I ask, what words give me hints about the meaning of shoulder? Highlight or underline the words or phrases that provide hints as you speak about them.

The words ‘a lot of work’ and ‘agreed to’ give me a hint that Sally is willing to care for the puppy. The words, taking on and agreed to, mean the same as the word shoulder.

Can you think of a time when you have had to shoulder a lot of work or responsibility? Accept all relevant answers and limit discussion to two minutes.
TEACHER AND STUDENTS PRACTICE TASK TOGETHER (continued)

Accept all relevant answers. If available, display pictures to support the understanding of the multiple meanings.

Now it is your turn to work with the word shoulder. Answer these questions.

- What might a tow truck driver say if you were pulled over on the shoulder?
- What might a new president say about having to shoulder so many decisions?
- What might a man say about how he hurt his shoulder?

**INDEPENDENT PRACTICE**

When students are consistently able to determine which meaning of the multiple meaning word is used, provide individual turns using other multiple meaning words. Call on students in an unpredictable order, calling more frequently on students who made errors.

**SCAFFOLDING SUGGESTION FOR ERRORS**

Verify that students are correctly identifying the meaning of the multiple meaning word in context and are able to use those multiple meaning words appropriately. If students experience difficulty with this concept, consider using the Second Grade Vocabulary Instructional Routine: Multiple Meaning Words in Context.

Adaptations using this Instructional Routine:
- Use multiple meaning words that are related to each other to draw attention to the features of the words (e.g., brace, bolt).
- Have students create a story that incorporates a multiple meaning word using three definitions. Provide an intriguing story prompt if needed (e.g., Many years ago, a young man was driving….).
