1.2 Definitions

Contractor: the successful respondent awarded the contract resulting from this RFP.

District: Milwaukee Public Schools.

Historically Underutilized Business (HUB): a for-profit business that is 51% or more owned, controlled and managed by minority, women, disadvantaged, emerging, SBA-8A or other MPS-targeted business owners who have been certified as such by an MPS-recognized agency.

Proposal: any response provided pursuant to this RFP.

Respondent: a firm or individual submitting a response to this RFP.

Student Engagement: a method of further educating MPS students through required MPS contractor involvement in career education and employment opportunities for students.

Subcontractor: a person or entity performing, or proposed to perform, any portion of the Contractor's contract.

1.3 Contract Compliance Services (CCS) Requirements

1.3.1 Historically Underutilized Business

It is the declared administrative policy, 3.10, of the Board and its administration to aid, assist, and protect, to the extent justified by the evidence, the interests of historically underutilized business (HUB) concerns to preserve free competitive enterprise and to ensure that a fair proportion of the total purchases and contracts or subcontracts for goods and services for MPS be placed with HUBs. Therefore, MPS contracts may require the use of HUB firms within the prime Contractor/Vendor proposal response when a participation requirement is assigned.

HUB participation must be "commercially useful"; *i.e.*, the goods or services to be provided by the HUB firm are a direct function of the scope of services described in this RFP and resulting contract. The HUB participation requirement may be met by respondent in several ways:

- (1) By identifying your firm as a certified HUB vendor that intends to perform a minimum of the required HUB participation for this RFP;
- (2) By engaging in a joint venture with a certified HUB firm;
- (3) By subcontracting with one or multiple certified HUB firm(s); or

- (4) By making second-tier purchases from one or multiple certified HUB firm(s).

Respondents may contact MPS's Office of Contract Compliance Services for a list of acceptable certifications for HUB consideration. The Office of Contract Compliance Services may also be contacted for the purposes of furnishing a list of registered HUB firms for participation consideration. Furnished lists by the Office of Contract Compliance Services serves as an additional resource and does not limit Contractor/Vendor means to dictate how HUB participation shall be pursued. No credit for participation will be granted until HUB firm certification documentation is received.

1.3.2 Student Engagement Program

Per Administrative Policy 3.10, the Student Engagement program seeks to maximize Contractor involvement in career education and employment opportunities for students. The Student Engagement Program has two separate components: (1) career education activities that directly involve MPS students; and (2) paid student employment hours that provide one or more MPS students with an actual, meaningful employment experience. To meet student employment hours, students must be registered through MPS's student database. Once hired by the Contractor, students will be paid, at a minimum, the current Living Wage Rate as identified by the City of Milwaukee Ordinance 310-13. Under no circumstances will students work under conditions that would be considered a hazardous work environment.

Career Education activities include, but are not limited to, the following:

- (1) Classroom presentations at MPS project sites or various contractor career-specific activities.
- (2) Full classroom or small group tours of office environments. If a contractor is going to provide this type of activity, all required permission slips/arrangements must be made with the school by following normal field trip procedures.
- (3) Classroom skill development project activities in conjunction with teacher lesson plans such as math, science, reading, writing, etc.
- (4) Online industry specific career coaching and mentorship
- (5) Other CCS-approved contractor provided options.

Student Employment participation includes, but is not limited to, the following options:

- (1) Employment placement within prime contractor's establishment.
- (2) Student summer employment placement.
- (3) Student after-school and weekend placement, where appropriate.
- (4) Alternative placement with community based organization or a participating MPS departmental division. (An alternative placement arrangement is an available option for contractors with documented age restrictions or capacity and location limitations.)
- (5) Other CCS-approved provided options.

Further additional information relating to HUB participation requirement and the Student Engagement requirement can be found at <http://mps.milwaukee.k12.wi.us/en/District/About-MPS/School-Board/Contract-Compliance-Services.htm>. For any other questions related to MPS's HUB program, contact MPS's Office of Contract Compliance Services via email at 505@milwaukee.k12.wi.us.

1.3.3 Requirements

The HUB participation requirement for the contract to be awarded pursuant to this RFP is:

0% per 12-month term.

The Student Engagement requirement for the contract to be awarded pursuant to this RFP is:

600 hours of Student Employment per 12-month term; and 10 hours of Career Education per 12-month term.

A respondent's status as a 501(c)(3) tax-exempt nonprofit organization does not excuse it from fulfilling these requirements.

1.3.4 Forms

Respondent must complete and return those forms checked below with its proposal or it will fail as to that minimum proposal requirement. The required forms are attached to this RFP as appendices and schedules. Fillable versions of these same forms can also be found at <http://mps.milwaukee.k12.wi.us/en/District/About-MPS/School-Board/Contract-Compliance-Services.htm> (click on Forms and Schedules, then click on Vendors). The fillable version of the forms must be printed, signed and attached to respondent's proposal.

- Appendix A - HUB Utilization Plan (If box is checked, current certification document, must be submitted with RFP response.)
 - Appendix B - Prime Vendor Information Sheet
 - Schedule H1-B - Student Career Awareness/Education Plan/Commitment

 - Schedule H1-A - Student Employment Commitment
- OR** Either Schedule H1-A or Schedule H1-C must be returned.
- Schedule H1-C - Alternative Placement Request Student Employment

Even if there are no HUB or Student Engagement requirements identified in § 1.3.3, respondents must still fill out "Appendix B - Prime Vendor Information Sheet". The information disclosed in this form will not be used in evaluating a respondent's proposal as it is solicited solely for reporting purposes to the Milwaukee Board of School Directors.

1.3.5 Evaluation and Award

MPS's Contract Compliance Supervisor, or his/her designated staff, will be the sole judge of the suitability and completeness of the returned CCS forms and will assign a "pass" or "fail" determination accordingly as to that minimum proposal requirement.

In the event this RFP does not identify CCS requirements in § 1.3.3, MPS reserves the right to award up to ten additional points to respondents who will utilize a certified HUB or commit to Student Engagement hours. To be eligible to receive these points, respondent must detail in its proposal what role(s) the proposed HUB subcontractor will be responsible for in the scope of services or specify what engagement MPS students will take place within a 12-month contract term. Forms can be found as identified in § 1.3.4 and must be completed and returned with a proposal for consideration. MPS's Contract Compliance Supervisor, or his/her designated staff, will be the sole judge of the suitability of the proposed participation and will assign points accordingly.

Within 20 business days after a contractor receives MPS Board approval of its contract, it must submit copies of all executed HUB firm subcontracts and all supporting and associated HUB documentation to

the Office of Contract Compliance Services. Falsification of any information related to a subcontract, including, but not limited to, subcontractor's name or actual work to be performed by HUB firms is prohibited. No HUB firm substitutions or scope of work reductions shall occur without the expressed written consent of MPS's Contract Compliance Supervisor or his/her designated staff.

Failure to meet CCS requirements may result in financial sanctions up to, or exceeding, the assigned HUB percentage value of the awarded contract, and/or associated student engagement hour requirements. Sanctions for non-compliance may be assessed against contractor invoices and are considerations for contract award. Sanction dollars will be released on subsequent invoices as compliance documentation is provided.

1.3.6 Waiver of Contract Compliance Services Requirements

Requests for HUB assignment waivers must be submitted in writing to the Office of Contract Compliance Services, and the contracting department. Such requests shall specify measures taken to meet the requirements and/or documented justification for waiver. An example of a justification may be, but not limited to, a proposal response will not exceed \$49,999.99 in each one-year contract term. In the event evidence suggests a need to adjust a requirement on an RFP/Bid, an addendum shall be issued prior to bid opening.

Requests to amend CCS requirements may be granted when a resulting contract has a not to exceed amount of \$49,999.99 per 12-month contract term. Requests must be submitted in writing within 20 days after a Contractor/Vendor receives MPS Board approval of its contract. Failure to adhere to the strict timeline will result in the original CCS assignments.

2. SERVICES REQUESTED

2.1 Scope of Services

MPS seeks proposals for the selection of a Dental Insurance Carrier(s). Responses for the Passive PPO plan must replicate the existing self-funded plan administered by Delta Dental (we will not be considering fully insured options for this plan). Responses for the DHMO must replicate the existing plan offered through Care Plus (we will consider fully insured or self-funded options for this plan). Milwaukee Public Schools offers two dental options for their active employees. The passive PPO plan is self-funded administered by Delta Dental. They also offer a DHMO plan that is fully insured through Care Plus. You may quote just one replacement plan or quote both plans. Again, we are asking that the benefits in both instances be duplicated. Retirees are not eligible for dental coverage except as provided by COBRA. If selected, all coverages and plan administration will be effective **01/01/2020**.

Background

Milwaukee Public Schools is the largest public-school district in the State of Wisconsin. There are 160 school options in the district. Academic programs enhance literacy, prepare children for college and for technical careers. There are 9,124 full-time equivalent staff positions in the District.

We are looking for Respondents who can provide highly competitive financial offers based on, among other things, the following goals:

- Competitive cost structure;

- Network size, strength and degree of access for Milwaukee Public Schools’ participants;
- Dedication to achieving member satisfaction through a high level of care and service;
- Length of fee guarantee four (4) year minimum with two 1-year extensions;
- Claim payment accuracy and efficiency;
- Commitment to successful implementation;
- Employee communications (both print and web-based) to announce the transition of the program and to support ongoing service;
- Your ability to work with Milwaukee Public Schools in a partnership to offer comprehensive benefits while also controlling costs; and
- Performance Guarantees (installation and ongoing).

The following Appendix are included as part of RFP 1020 for informational purposes to assist in the completion of a Response:

Appendix C – MPS 2019 Health Benefits

Appendix D – MPS 2019 Dental Census Information

Appendix E - Utilization Report for DHMO – Fully Insured CarePlus

Appendix F – 2018-2019 Dental Enrollment & Claims

2.2 Minimum Respondent Qualifications

See Exhibit 2 for Confirmations.

3. MPS CONTRACT TERMS AND CONDITIONS

3.1 Resulting Contract

Respondent must include a sample contract as part of Tab E, in addition to submission of Exhibit 3 of the RFP. Any exception or proposed additional contract term or condition not set forth in Tab E will neither be considered nor accepted.

MPS’s Director of Procurement & Risk Management, or his/her designated staff, will review any exceptions or proposed additions to determine if their nature or extent precludes ultimate agreement on a contract between MPS and respondent and will assign a “pass” or “fail” determination accordingly as to that minimum proposal requirement.

A “pass” as to the minimum proposal requirement does not mean that all the exceptions or proposed additions will be agreed to by MPS, but merely that they will be a point of discussion should respondent and MPS enter into contractual negotiations.

3.2 Proposals to Remain Open

By submitting a proposal, respondent is agreeing that its proposal will remain open and its pricing will remain firm until execution of a contract for the services which are the subject of this RFP.

3.3 Award

MPS reserves the right to award multiple contracts under this RFP to as many contractors as MPS determines is in its best interests.

Contract awards are subject to review by the MPS Administration and Board of School Directors.

3.4 Contract Period

It is anticipated that a contract resulting from this RFP will be for a period of one year from January 1, 2020 through December 31, 2023 with the possibility of two one-year extensions, upon mutual agreement of the parties, at the same terms. The below performance metrics will be included as part of any resulting Contract, to be reviewed on an annual basis.

4. INSTRUCTIONS

4.1 Communication/Questions

The only permissible communication regarding this RFP with MPS staff, including any and all questions and requests for clarification, must be directed, in writing via email, to mpsrfps@milwaukee.k12.wi.us. The subject line of the email must be labeled “RFP 1020 - Question.” Any other communication to, or contact with, a MPS staff member regarding this RFP by respondent will be considered unauthorized and a cause for rejection of a respondent’s proposal.

Any such communications must be received by 2:00 p.m. Central Time, Thursday, July 25, 2019 or will be disregarded.

If a vendor has specific concerns regarding any aspect of the CCS process, including requirements, how requirements may be met or other, questions in writing may be submitted in writing directly to CCS at 505@milwaukee.k12.wi.us. However, the deadline for these questions remains the same. Any questions submitted to CCS must be received not later than 2:00 p.m. Central Time on 7/25/2019.

It is incumbent upon respondents to point out any possible discrepancies, omissions or ambiguities in the RFP using this question process. This includes alerting MPS that the RFP services or pricing requested are non-standard in the industry. By failing to do so, a respondent waives the right to claim any provision of this RFP is ambiguous.

4.2 Answers/Addendum

Answers to submitted questions, as well as any additional information or clarifications to the RFP, will be provided in the form of addenda posted at <http://mps.milwaukee.k12.wi.us/en/District/Vendors-Contractors/Vendors/Bids-RFPs.htm>. CCS may engage in vendor-specific conversations regarding requirements, but any general information relevant to all vendors generated by these conversations will be published in the addendum.

It is the sole responsibility of respondents to check that site for any addenda that may be issued. Addenda will not be otherwise communicated to prospective respondents and no other response to the emailed questions will be received by the sender.

In the event of any conflict with the RFP, addenda shall govern.

4.3 Submission of Proposals

Respondent must submit one original proposal, clearly marked as such with an original signature, and 7 copies, for a grand total of 8 items. Each proposal – original and copies – must be collated and bound in a manner to make each individual proposal readily apparent and complete.

Milwaukee WI 53208

Proposals are due by 2:00 p.m. Central Time, Thursday, August 01, 2019. Proposals received after this time will fail as to that minimum proposal requirement.

Proposals shall be deemed received by MPS when: (1) time-stamped in the Department of Procurement & Risk Management; or (2) delivered to the Department of Procurement & Risk Management with proof that a common carrier delivered the proposal to the central mail room at 5225 W. Vliet Street, Milwaukee, WI 53208 and it was signed for by an MPS employee no later than 2:00 p.m., Thursday, August 01, 2019.

Electronic proposals will not be accepted.

4.4 Clarifications

After receipt of proposals, it may be necessary for MPS to contact respondent with clarification questions. MPS will do so via the email address of the signatory provided on the respondent's submitted Cover Page (Tab A). Clarification questions often need imminent answers and short deadlines for response may be necessary. It is the respondent's responsibility to monitor the contact email identified at all times during the RFP process. Failure to timely respond to a clarification question submitted to the contact email may result in the rejection of the proposal.

4.5 Award Notification

Upon final approval by the Milwaukee Board of School Directors, MPS will post the results of the RFP at <http://mps.milwaukee.k12.wi.us/en/District/Vendors-Contractors/Vendors/Tabulations--Awards.htm>. No individual communications will be sent out to respondents. It is the sole responsibility of respondents to check the site for any contract award that may be issued. Respondents may not contact MPS to inquire about the status of an award prior to the posting of the results.

An evaluation committee will be established to evaluate the proposals according to the criteria identified in § 6.1. Proposals should be complete on their face. However, after opening of responses, MPS reserves the right to request supplemental information from any or all of the respondents and to factor any additional information into the evaluation. MPS may require oral presentations of a group of finalists in person or on the telephone and may request further information from those finalists.

6.2.2 Best and Final Offer

MPS reserves the right to involve one or more respondents in a Best and Final Offer (“BAFO”) process. BAFO may be used when no single response addresses all the specifications, when the costs submitted by all respondents are too high, when two or more respondents are virtually tied after the evaluation process or when all proposals are unclear or deficient in one or more areas. If BAFO is utilized, respondents may be required to submit revisions to their proposals. MPS will send out a BAFO request to invited respondents that will set forth the areas of the proposal to be covered and the date and time by which the BAFO must be returned. All respondents will be treated equally, and, during the process, no information will be transmitted to any respondent about any other respondent’s offer. MPS reserves the right, in BAFO, to apply additional criteria not listed in the original RFP, but any additional criteria will be disclosed to respondents in the BAFO request.

6.2.3 Negotiation

MPS will open negotiations with the highest-ranked respondent after evaluation, interviews or BAFO process. MPS reserves the right to open negotiations with the second highest-ranked vendor if negotiations with the highest-ranked vendor are not successful. MPS reserves the right to delete or add services until the final contract signing.

7. PROPOSAL FORMAT AND CONTENT

Proposals are to be formatted and tabbed in the form and sequence described in this § 7. Only information provided in the tabs set forth below will be considered. Elaborate proposals, *e.g.*, expensive artwork,

Alternative Placement Request
Student Employment

Please submit the following form identifying your election for Alternative Placement. The Office of Contract Compliance Services is the sole approver for alternative placement and will assist with referrals of available sites.

Alternative Placement is available to MPS Contractors/Vendors with justified limitations which prevent actual student employment participation within their place of employment. Additionally, a company representative will be required to perform 2 alternative placement site visits for the duration of the project or per 12 month contract period (where applicable). "Alternative Placement" is defined as a work site other than that of the MPS Contractor/Vendor's worksite, identified as appropriate for work experience with MPS students in order to meet MPS Contractor/Vendor's Student Employment obligations under the DFMS Participation Plan for Contractors or MPS Professional Services Contract. Justifications for Alternative Placement include the following: company age restrictions, work-site capacity limitations and location limitations.

In limited circumstances, when the Contractor's place of employment is beyond the transportation resources available to students or when certain project circumstances exist that prevent student employment at the job site, the Contractor may subcontract with a third party who is currently providing services that were originally agreed upon between MPS and the Contractor for an "alternative placement" of students. In such cases, the contractor maintains responsibility for the student's work site and wages as well as ensuring a reasonably safe and meaningful work experience. Under this arrangement the contractor will be the "statutory employer" for all insurance purposes, including, but not limited to worker's compensation purposes, and is hereinafter referred to as "Contractor/Statutory Employer." The placement is hereinafter referred to as "Alternative Placement" or "Alternative Placement Site." The Contractor/Statutory Employer understands and agrees that financial responsibility for claims or damages to students/employees, shall rest with Contractor/ Statutory Employer. Contractor/ Statutory Employer shall effect and maintain any insurance coverage, including but not limited to, Workers' Compensation, Employers' Liability and Commercial General Liability.

A company representative will be required to perform 2 alternative placement site visits for the duration of the project or per 12 month contract period (where applicable). Each company must provide MPS with documentation of the alternative placement site visit and verification of site safety.
