

ESSER Funds (I, II, and III) Guidance on Public Allowable Costs

This document will assist Local Educational Agencies (LEAs) in planning and preparing for the Elementary and Secondary School Emergency Relief Funds (ESSERF) **public sub-budget** applications. LEAs should check this document frequently as it will be continually updated as more guidance is available. LEAs may only spend ESSER funds on costs that prepare for, prevent, or respond to COVID-19.

In order to identify allowable costs under the Elementary and Secondary School Emergency Relief Fund ([ESSERF](#), CARES Act, Section 18003 and [ESSERF II](#), CRRSA Act, Division H, Title III, Section 313), the Department of Public Instruction has structured the ESSERF applications in WISEgrants around the main tenets of the grant program and in accordance with the Uniform Grant Guidance ([2 CFR 200](#)). Costs associated with ESSERF have been identified by “Program Types,” a field used in the WISEgrants budgets to assist in organizing related uniform financial accounting requirement expenditure combinations ([WUFAR](#)).

The following pages are organized by Program Type and then possible activities that have been considered to date as LEAs respond to providing education and services to students and families during the COVID-19 pandemic. Associated with those activities are *examples* of costs and how / where they can be located within the WISEgrants budget application (by sub-budget and budget section). This document does not cover all of the WUFAR combinations available in the budget software.

When working in the ESSERF sub-budgets, users can locate expenditure combinations by utilizing the “[Search for Budget Combinations](#)” search engine tool located at the top of each budget section. If the cost cannot be found using the search engine, request an ESSERF budget combination through this [form](#).

Preparedness and Response to COVID-19 (18003(d))

Coordination of preparedness and response efforts of local educational agencies with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to coronavirus. (d)(2)

Providing principals and other school leaders with the resources necessary to address the needs of their individual schools. (d)(3)

Developing and implementing procedures and systems to improve the preparedness and response efforts of local educational agencies. (d)(5)

Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases. (d)(6)

Purchasing supplies to sanitize and clean the facilities of a local educational agency, including buildings operated by such agency. (d)(7)

Addressing Long-term School Closure (18003(d)(8))

For the purposes of WISEgrants, we are categorizing “Addressing Long-term School Closure” as any costs generated when “normal” in-person education is interrupted - such as temporary closures, temporary virtual only, or dedicated hybrid models.

Planning for and coordinating during long-term closures, including:

- *How to provide virtual learning for all students;*
- *Ensuring other educational services can continue to be provided consistent with all Federal State, and local requirements;*
- *Providing guidance for carrying out requirements under IDEA; and*
- *Providing meals to eligible students.*

Continued Staff Employment (18003(d)(12))

Other activities that are necessary to maintain the operation of and continuity of services in LEAs and continuing to employ existing staff of the LEA.

Please note: this Program Type is only available in the ESSERF I sub-budget in WISEgrants. Any expenditures that would have been used for this category in ESSERF II and ESSERF III should be assigned to any one of the other related-program types (such as "Addressing Long Term School Closure"). After the release of ESSERF I, DPI was informed that data specific to "Continued Staff Employment" would not be collected, thus this program type category was retired.
