The Board Clerk read the following call of the meeting:

October 3, 2019

TO THE MEMBERS OF THE BOARD OF SCHOOL DIRECTORS:

At the request of President Larry Miller, the following meeting is scheduled to take place in the Auditorium of the Central Services Building, 5225 West Vliet Street, Milwaukee, Wisconsin, for the consideration of the following item of business:

Special Board Meeting
6:30 p.m., Thursday, October 10, 2019

(or immediately following the meeting of the Committee on Student Achievement and School Innovation
scheduled to begin at 5:30 p.m.)

1. Update with Possible Action Regarding Preliminary Survey Data and Action on the Charge of the Community Task Force Associated with Resolution 1920R-004 on Schools Our Students Deserve

Executive Session Notice

In regard to Item 2, below, the Board may retire to closed session pursuant to Wisconsin Statutes, §19.85(1)(b), which allows a governing body to go into a closed session for the purpose of dismissal, demotion, licensing or discipline of any public employee or person licensed by a board or commission or the investigation of charges against such person, or considering the grant or denial of tenure for a university faculty member, and the taking of formal action on any such matter; provided that the faculty member or other public employee or person licensed is given actual notice of any evidentiary hearing which may be held prior to final action being taken and of any meeting at which final action may be taken and pursuant to Wisconsin Statutes, §19.85(1)(f), which allows a governing body to go into closed session for the purpose of considering financial, medical, social or personal histories or disciplinary data of specific persons, preliminary consideration of specific personnel problems or the investigation of charges against specific persons which, if discussed in public, would be likely to have a substantial adverse effect upon the reputation of any person referred to in such histories or data, or involved in such problems or investigations.

The Board may reconvene in open session to take action on matters discussed in closed session; otherwise, the Board will adjourn from executive session.

2. Action on a Request to Retire to Executive Session For the Purpose of Preliminary Consideration of Specific MPS Personnel Matters, and to Consider the Investigation of Charges Against Specific Persons, Which, if Discussed in Public, Would be Likely to Have a Substantial Adverse Effect Upon Their Reputations.

(Item 1) Update with Possible Action Regarding Preliminary Survey Data and Action on the Charge of the Community Task Force Associated with Resolution 1920R-004 on Schools Our Students Deserve

Background

At its meeting on May 30, 2019, the Milwaukee Board of School Directors referred Resolution 1920R-004 by Director Peterson to the Committee on Student Achievement and School Innovation. At its meeting on June 27, 2019, the Milwaukee Board of School Directors adopted the resolution and directed the Administration to develop and present a plan to engage stakeholders and to gather their feedback regarding important education topics to strengthen our students’ MPS experience.

In August and September 2019, the Administration presented updates to the Committee on Student Achievement and School Innovation on its efforts to implement the Board’s action. These efforts included a district survey that was launched in August 2019 and remains open and feedback sessions that took place during September. The survey was designed to seek the input of students, families, educators, staff, and all community members. It was translated into Arabic, Burmese, Hmong, Karen, Rohingya, Somali, and Spanish and can be accessed at www.mpsmke.com/survey. At the time this item currently before the Board was submitted, approximately 25,000 individuals had taken the survey. Preliminary results of the survey are summarized below:

How Survey Respondents Primarily identified

I am a student.....	43.2%
I am a member of the MPS Staff.....	20.1%
I am a parent / guardian of a current MPS student.....	16.0%
I am a community member.....	8.4%
I am a parent / guardian of a former MPS student.....	4.7%
Other:.....	3.9%
I am a parent / guardian of a school-aged child who does not attend an MPS school.....	1.6%
I am a parent/ guardian of a potential MPS student.....	11.3%
I am a business leader in the Milwaukee community.....	10.8%

Essential Elements for a Quality K-12 Education

% of Survey Respondents that Somewhat to Strongly Agree

Library, Art, Music, Physical Education.....	86.0%
Certified Teachers and Support Staff.....	85.5%
Counselors, Psychologists, Social Workers, Nurses.....	84.8%
Comprehensive Career and Technical Education.....	83.5%
Continuing Education for Staff.....	31.0%
World Language, Bilingual, and Immersion Programs.....	77.2%
Small Class Size.....	75.8%
Program Specific (IB/AP, Montessori).....	74.0%
Three-year-old Opportunities.....	65.2%

The four listening sessions to discuss the results of the survey and gather additional feedback took place at the following locations and were well-attended:

- September 19, 2019, at Wisconsin Conservatory of Lifelong Learning (WCLL)
- September 21, 2019, at Reagan High School
- September 23, 2019, at North Division High School
- September 25, 2019, at Vincent High School

At its September meeting, the Board took action to direct the Administration to build on the results of the community survey and the feedback meetings by:

1. creating a community-based taskforce to continue the examination of the needs of MPS students and to assess the potential of increasing funding through a referendum on April 7, 2020. The taskforce is to make recommendations to the Board before January 1, 2020, on how best to meet our students’ needs; and
2. taking the necessary steps to ensure all appropriate requirements are being met for a possible referendum.

To begin to address the Board's action, the Administration worked in collaboration with the Donovan Group to draft the for the Board's consideration the following proposed charge to the community task force once formed:

DRAFT Board's Charge to Community Task Force ***DRAFT***

On behalf of the Milwaukee Board of School Directors, we want to thank you for your participation in the Community Task Force. The purpose of this document is to present a formal charge for the Task Force.

The Community Task Force shall consider the Milwaukee Public Schools' financial situation and work as a committee to develop a written report that details a solution or a set of solutions for the Milwaukee Board of School Directors to consider within the context of the parameters detailed below.

The report shall be presented to the Milwaukee Board of School Directors for review and possible action. The Board must note that establishing this Task Force does not bind it to accept the Task Force's suggested solution(s).

1. Specific Duties

The Community Task Force shall present the Board a solution (or set of solutions) that:

- provides long-term financial stability and sustainability
- does not risk financial jeopardy to the district and represents a multi-year plan
- ensures the district's ability to achieve its vision
- takes into consideration the impact on local taxpayers
- does not propose to materially alter the current structure/program offerings
- is consistent with the Board's focus on continuous improvement and reflects the realization that the district must ensure that its graduates are able to be successful in an increasingly complex economy and society
- accounts for state and federal law
- protects the district's assets and ensures these are adequately maintained
- ensures the district's ability to develop, to attract, and to recruit highly-skilled teachers and staff.

2. Reporting Responsibilities

The chairs of the Community Task Force are specifically charged with the following duties:

- running the meetings and keeping the process moving
- seeking consensus among the Task Force's members on all decisions
- keeping the Board's representative apprised of problems encountered by the Task Force in the course of its work.

3. Membership

The Community Task Force shall consist of 16-30 voting members. While members of the Milwaukee Board of School Directors may desire the option of attending task force meetings, Board members will neither actively participate in the meetings nor vote on the findings. Because Board members may attend meetings, all task force meetings will be posted as open meetings; this means the public may attend, but not participate in these meetings.

4. Staff Support

The district will provide support for the work of the Task Force.

If you have any questions about this document, please call Jennifer Mims-Howell at 414-438-3648 or email mimshjn@milwaukee.k12.wi.us.

DRAFT

Recommendation

The Administration recommends that the Board decide how it wishes to proceed relative to the charge of the Community Task Force associated with Resolution 1920R-004 regarding schools that our students deserve.

Director Peterson moved adoption of the charge of the Community Task Force associated with Resolution 1920R-004 on schools our students deserve, with the following language to be added to the charge:

- The Task Force reflect on the MPS survey and feedback results
- That the make-up of the Task Force be a diverse group, reflective of the MPS student population and consistent with Board Governance Policy 2.10, Board Advisory Committees

The motion passed, the vote being as follows:

Ayes — Directors Báez, Herndon, O'Halloran, Peterson, Phillips, Siemsen, Woodward, and President Miller — 8.

Noes — None — 0.

Temporarily Absent — Director Taylor — 1.

(Item 2) Action on a Request to Retire to Executive Session For the Purpose of Preliminary Consideration of Specific MPS Personnel Matters and to Consider the Investigation of Charges Against Specific Persons, Which, if Discussed in Public, Would be Likely to Have a Substantial Adverse Effect upon Their Reputations

Background

At the request of President Larry Miller, a special meeting of the Board of School Directors will be held at 6:30 P.M on Thursday, October 10, 2019, in the Auditorium of the Central Services Building, 5225 West Vliet Street, Milwaukee, Wisconsin, for the purpose of preliminary consideration of specific MPS personnel matters and to consider the investigation of charges against specific persons, which, if discussed in public, would be likely to have an substantial adverse effect upon their reputations.

The Board may retire to closed session pursuant to:

- Wisconsin Statutes, §19.85(1)(b), which allows a governing body to go into a closed session for the purpose of considering dismissal, demotion, licensing or discipline of any public employee or person licensed by a board or commission or the investigation of charges against such person, or considering the grant or denial of tenure for a university faculty member, and the taking of formal action on any such matter; provided that the faculty member or other public employee or person licensed is given actual notice of any evidentiary hearing which may be held prior to final action being taken and of any meeting at which final action may be taken;
- Wisconsin Statutes, §19.85(1)(f), which allows a governing body to go into closed session for the purpose of considering financial, medical, social or personal histories or disciplinary data of specific persons, preliminary consideration of specific personnel problems or the investigation of charges against specific persons which, if discussed in public, would be likely to have a substantial adverse effect upon the reputation of any person referred to in such histories or data, or involved in such problems or investigations.

The Board may reconvene in open session to take action on matters discussed in closed session; otherwise, the Board will adjourn from executive session.

Recommendation

That the Board determine how it wishes to proceed.

(Item 1) Action on a Request to Approve the 2019-20 (FY20) Proposed Fall Budget Adjustments to the Adopted FY20 Budget and Recommended Organizational Adjustments

Background

The Wisconsin Department of Public Instruction (DPI) certified school districts' aid amounts and updated the district's revenue-limit worksheet on October 15, 2019. Since the institution of revenue limits, it has been routine to amend the district's annual budget at this point in the fiscal year in order to adjust projections to actual revenue and enrollment. These changes require adjustments to revenues and expenditures, as well as technical adjustments to the proposed 2019-20 budget as adopted by the Milwaukee Board of School Directors (Board) on May 30, 2019.

Attachment 1, provided under separate cover, summarizes the recommended fall changes to the budget adopted in May 2019, based on current data and the priorities established in the Board's three goals of academic achievement; student, family and community engagement; and effective and efficient operations.

Fiscal Impact Statement

Approval of the proposed fall budget changes as outlined in Attachment 1 will result in a total budget, including estimated categorical grants, of \$1,216,369,764, based upon current law and revenue-limit calculations.

In accordance with Board Rule 1.14(3), "A recorded affirmative vote of two-thirds of the Board membership shall be necessary to...request tax funds or the sale of bonds for the purpose of school construction."

Recommendation

The Administration recommends the Board adopt the fall budget changes and organizational adjustments [provided under separate cover] as proposed and that the annual budgetary resolutions be adopted as amended below:

School Operations Fund

RESOLVED, That, pursuant to the provisions of Section 119.46, Wisconsin Statutes, relating to the School Operations Fund, the Board of School Directors hereby advises the Common Council that the amount of ~~\$997,360,200~~ ~~\$999,616,200~~ \$1,002,787,560 will be required for the operation of the Milwaukee Public Schools, for the repair and keeping in order of school buildings and equipment, and the making of material improvements to school property during the 2020 Fiscal Year. In addition, pursuant to action taken by the Board of School Directors at its regular meeting on September 22, 2011, the Board of School Directors is required to advise the Common Council that ~~{AMOUNT TO BE DETERMINED}~~ \$31,797,312 will be required for the operation of the Milwaukee Parental Choice Program; and that ~~{AMOUNT TO BE DETERMINED}~~ \$236,151,371 will be required for the operations of the Milwaukee Public Schools and that a total of ~~{AMOUNT TO BE DETERMINED}~~ \$267,948,683 thereof is to be raised by a tax levy on all real and personal property in the City of Milwaukee subject to taxation for Milwaukee Public School purposes in 2020, pursuant to the provisions of Section 65.07(1)(e), Wisconsin Statutes, said amount to be raised by tax levy being in addition of the money to be received from state aids, shared taxes, and from other miscellaneous sources.

Construction Fund

RESOLVED, That, pursuant to the provisions of Section 119.48, Wisconsin Statutes, the Board of School Directors hereby advises the Common Council that the amount of \$2,637,203 will be required for the 2020 Fiscal Year Construction Fund budget purposes and that it is to provide, in accordance with Section 65.07(1)(f), Wisconsin Statutes, \$1,511,274 by a tax levy on all real and personal property in the City of Milwaukee subject to taxation for Milwaukee Public School purposes in 2020, said amount to be in addition to the money received from other miscellaneous sources.

Extension Fund

RESOLVED, That, pursuant to the provisions of Section 119.47, Wisconsin Statutes, relating to the Extension Fund, the Board of School Directors hereby advises the Common Council that the amount of ~~\$31,780,659~~ \$32,708,590 will be required for the maintenance of playgrounds, recreation centers, and similar activities during the 2020 Fiscal Year, and that ~~\$24,297,069~~ \$25,225,000 thereof is to be raised by a tax levy on all real and personal property in the City of Milwaukee subject to taxation for Milwaukee Public School purposes in 2020, pursuant to the provisions of Section 65.07(1)(g), Wisconsin Statutes, said amount being required in addition to other miscellaneous sources.

Director Báez moved to:

1. adopt the proposed fall budget adjustments as provided under separate cover;
2. that the organizational adjustments proposed in Attachment #2 of this item (provided under separate cover) be brought to the Board through the appropriate committee; and
3. that an analysis for consideration of the proposed organizational adjustments be brought to the Board no later than the December 2019 Board cycle.

Director Phillips moved to adopt the fall budget changes and organizational adjustments as provided under separate cover and that the annual budgetary resolutions as amended below be adopted:

School Operations Fund

RESOLVED, That, pursuant to the provisions of Section 119.46, Wisconsin Statutes, relating to the School Operations Fund, the Board of School Directors hereby advises the Common Council that the amount of ~~\$997,360,200~~ ~~\$999,616,200~~ \$1,002,787,560 will be required for the operation of the Milwaukee Public Schools, for the repair and keeping in order of school buildings and

AWARDS AND COMMENDATIONS

(Item 1) Excellence in Education Award — Washington High School's Special Education Department

Background

Each month, the Milwaukee Board of School Directors recognizes an outstanding school, student, staff member, parent, or community member for a display of excellence, achievement, and innovation that may serve as an example to our school district and the entire Milwaukee community. This month, the Milwaukee Board of School Directors is pleased to present the "Excellence in Education Award" to:

Washington High School's Special Education Department

Milwaukee Public Schools recognizes Washington High School's Special Education Department for their dedication to providing MPS students with an exceptional learning experience — the MPS districtwide prom for students with significant disabilities. This prom, which Washington High School has hosted for 18 years, began as a collaboration among MPS high-school special education teachers who wanted to create an event where their students could practice social skills in a safe, welcoming environment while also allowing for a full high-school experience. Students help prepare for the prom while learning "soft" and life skills along the way. Since its inception, Mike Rein, a paraprofessional at Washington High School, had worked tirelessly to create a Disney-like event for some really special students. Although Mike passed away in 2017, his magic is still very much alive as we move forward to celebrating our 19th annual prom.

The prom has grown into a wonderful collaboration among multiple high schools, parents, community partners, generous donors, and the district. Last year, over 200 students, friends, family members, Special Olympics athletes, and MPS alumni from more than 14 schools attended. Students and staff from multiple high schools helped prepare decorations for the event.

The day of prom, over 60 volunteers — comprising National Honor Society students, MATC Educators Club, and Black Student Union (BSU) members, teachers, administrators, MPS Central Services staff, and community members such as Earl Ingram — used these spectacular decorations to transform the high school’s cafeteria into an elegant, magical venue. Mr. Ingram has been one of the prom’s biggest community supporters and cheerleaders for its success.

Upon checking in, prom guests received a swag bag and had the option of visiting the Glam Room. Here students could find donated dresses, shoes, shirts, suits, and ties, or they could just add to their own spectacular outfits by choosing makeup or other accessories provided by volunteers from the MPS Office of Finance. After dressing up and accessorizing, students could dance or have fun taking glamour shots in the photo booth.

New last year, thanks to MPS’s Office of Specialized Services, door-to-door transportation was offered to 30 prom goers. Parents were also able to take advantage of the transportation so that they could attend the First Annual Transition Community Resource Fair. Representatives from Independence First, Milwaukee Recreation, DWD-Department of Vocational Rehabilitation (DVR), MPS’s School-to-Work Transition Program (STWTP), and Milwaukee Area Technical College (MATC) were on hand to answer questions and to address any concerns that parents and students might have had about transition and what’s available after high school.

The Milwaukee Board of School Directors recognizes and honors the Washington High School’s Special Education Department for their dedication, outstanding leadership, and commitment to excellence on behalf of the students with significant disabilities of the Milwaukee Public Schools.

REPORTS AND COMMUNICATIONS FROM THE SUPERINTENDENT OF SCHOOLS

(Item 1) Monthly Report of the Superintendent of Schools

Background

The Superintendent’s Report is designed to provide the Milwaukee Board of School Directors and the MPS community with an update on current activities underway to support the district’s goals of academic achievement; student, family and community engagement; and effective and efficient operations, as they are aligned to the district’s strategic objectives and the Five Priorities for Success.

- Increasing academic achievement and accountability
- Improving district and school culture
- Developing our staff
- Ensuring fiscal responsibility and transparency
- Strengthening communication and collaboration

School visits remain a priority and serve as an excellent mechanism for gathering feedback to support the district’s improvement efforts. This month, I had the opportunity to visit Andrew Douglas Elementary, Cass Street, Manitoba, Marvin Pratt Elementary, Milwaukee Spanish Immersion, Morse Middle School, Reagan High School, North Division High School, and Vincent High School. I also celebrated National School Lunch Program week with students at Allen-Field and Fratney elementary schools.

Events, Programs, and Announcements

The Art Start Portrait Project's Gallery Opening in Milwaukee for Boys and Men of Color Week 2019

MPS students, the MPS Department of Black and Latino Male Achievement, and Art Start hosted an opening reception at Inova Gallery in commemoration of Boys and Men of Color Week. The Art Start Portrait Project 2019 is a multimedia platform for Milwaukee's boys and young men of color to portray the complex narratives about their identities, asking the world to see them for how they choose to be seen.

In 2019, Art Start, continuing in partnership with MPS's Black and Latino Male Achievement Department, asked participating youth to complete the statement "See Me Because..." During more than nine months of Art Start's creative workshops, mentoring, oral history interviews and photo-shoots, participants explored their personal identities and envisioned their lives beyond stereotype. With the collaboration of world-class photographers, stylists, and oral historians, those visions will come to life through a multimedia gallery exhibition and public campaign, #SeeMeBecause, this fall in Milwaukee, offering a platform for self-determination, representation, and liberation. The Art Start Portrait Project challenges the belief that the future will simply be a continuation of the past, or that stereotypes, statistics, and circumstance determine our youths' existence.

Cass Street School Opens New STEM Center

Students cheered as the ribbon was cut to open the new STEM Center at Cass Street School. After several months of planning, painting, organizing, and installing, the space was completed and ready to help students sharpen their science, technology, engineering, and math (STEM) skills.

The STEM Center would not have been possible without a generous grant of \$130,000 from local partner Rockwell Automation. Rockwell has partnered with Cass Street for the past five years, providing mentorship, event support, and volunteers in the school and frequently offering its expertise in STEM fields.

Curriculum in the new STEM Center will be based in Project Lead The Way (PLTW) modules. PLTW is a nationally recognized service provider offering hands-on learning for students in the areas of engineering, robotics, biomedical science, computer science, and interdisciplinary science exploration. The STEM Center includes updated technology equipment such as tablets, projectors, 3D printers, supplies, consumables, and VEX (a robotics platform) equipment for middle-school PLTW modules.

Boys & Girls Clubs of Greater Milwaukee has helped drive programming for the project and will support after-school use of the STEM Center for students and families. The new facility will have a positive impact on the Milwaukee community beyond the walls of Cass Street School.

Vincent High School Hosts an Annual Gala Showcasing Agriculture Program

The goats, chickens, horse, and other animals at Vincent High School were on their best behavior to greet guests for the school's annual Farm-to-Table Fundraiser. Visitors toured barns, met the animals, and chatted with students about the work involved in caring for animals. Guests then toured the school's greenhouse, classrooms, and café.

Vincent's culinary students were kept busy preparing appetizers and other treats for visitors. Attendees enjoyed brats, chicken, eggs, potatoes, tomatoes, and more. Culinary students also had candles, lip balm, and lotions made from aloe and beeswax produced right at the school for sale.

Students also offered a silent auction that included plants grown in the greenhouse, cooking items, a monthly basket of lettuce, and a processed lamb that was raised for the State Fair.

Vincent High School has the only agriculture program in Milwaukee County. Students have access to Advanced Placement courses and can select classes focused on aquaponics, biology, botany, culinary arts, food science, greenhouse techniques, landscape and design, marketing, technology, urban agriculture, urban gardening/horticulture, and veterinary science.

Playfield Revitalization Project

Milwaukee Recreation broke ground on the Clovernook Playfield's and Franklin Square Playfield's revitalization projects. This follows the completed renovations made at Columbia Playfield and Custer Playfield in the previous two months.

Clovernook Playfield (6594 N. Landers St.) will now feature upgraded, age-appropriate playground equipment, a splash pad, basketball courts, shade structures, and a multi-purpose field. New and upgraded site amenities will also be added, including lighting, benches, and trash receptacles.

Franklin Square Playfield (2643 N. 13th St.) will include basketball courts, age-appropriate playground equipment, a splash pad, shade structures, a multi-purpose field, and its own obstacle course.

Mentoring Sessions and Programs Support MPS's Black and Latino Youth

The Black & Latino Male Achievement (BLMA) Department kicked off its monthly mentoring program this month at the Fiserv Forum. Nearly 250 young men from seven MPS high schools were present along with dozens of volunteer mentors from around the community. Mayor Tom Barrett was in attendance to offer his thanks for this program that supports our youth.

Black and Latino male students in MPS will have opportunities to enjoy lunch with Black and Latino male mentors throughout the school year to allow them to converse about topics to help them succeed academically, socially, and emotionally. Now in its third year, the First-Thursday Mentor Luncheon program started with two schools and 60 students; this year, it grows to seven sites and nearly 250 students.

Conversations in the past two years have been rich and diverse, and boys have expressed appreciation for hearing how men have overcome obstacles and achieved success. Topics have included:

- perspectives on authority and power and the appropriate and inappropriate use of both
- discussions on the importance of self-esteem and self-care for manhood
- employment and careers and understanding how public-school education is a starting point to an ongoing road to success.

The Department of Black & Latino Male Achievement works collaboratively to create the systems, structures, and spaces that guarantee success for all Black and Latino boys and young men in Milwaukee Public Schools.

MFD Provides Thousands of Winter Coats to Milwaukee Children

For the eighth year in a row, Milwaukee firefighters are protecting local children by providing warm coats so students can travel safely to school in winter. At Manitoba school on October 8, the Milwaukee Fire Department (MFD) celebrated the distribution of its 40,000th coat.

In collaboration with national nonprofit Operation Warm, Milwaukee firefighters engaged in fundraising throughout the year to be able to purchase as many coats as possible. Fundraisers included the Fill the Boot campaign in June and the Hero's Haul Firetruck Pull in September.

This year, the MFD purchased 6,000 coats, bringing the eight-year total to 40,000 coats. Students in 19 schools have received coats this week, preparing them for the winter weather season.

The MFD credits the assistance of the MFD Warm Up Winter Committee, Great Lakes Distillery, Operation Warm, Milwaukee Radio Group B93.3, and the generosity of all those who dropped money in the boot this past summer when MFD ran its Fill the Boot campaign.

Operation Warm accepts donations for winter coats throughout the year. If you'd like to host a fundraiser or make a gift to purchase coats for Milwaukee children, visit the Operation Warm page for MPS and make a selection.

- \$20 puts a brand-new coat on an MPS student
- \$500 will provide coats for an entire classroom
- \$2,500 helps a busload of students keep warm

Fall Student Leadership Summit Convenes

The most important voices in Milwaukee Public Schools are those of our students, and this month, the fall Student Leadership Summit engaged more than 300 students from 31 schools. The gathering of middle- and high-school students allowed attendees to take part in training and in focus groups designed to enable and empower them to lead conversations and to gather input from their peers.

At the Summit, which was held at American Serb Hall, attendees listened to district leaders, including members of the Milwaukee Board of School Directors. Students also broke into groups to learn how to engage their peers and to accurately report their opinions. This year's Student Leadership Summits are focusing specifically on discipline policies and procedures.

Students will reconvene in May to present their recommendations regarding district policies and procedures.

Awards and Recognition

MPS Alumni Honored at MPS Foundation's Gala

MPS alumni are doing great work in the Milwaukee community and were honored by the MPS Foundation. Eight individuals and community partners were recognized for their support of Milwaukee Public Schools and outstanding achievement.

Hosted at Discovery World, attendees enjoyed a delicious dinner and were treated to a sampling of students' finest work. A silent auction included nine artworks by MPS students, and beautiful table centerpieces were designed by students from Vincent High School. Entertainment was also provided by MPS students and included Vincent High School cheerleaders, DJ Bizzon and his DJ Club students, and Milwaukee High School of the Arts Jazz Band. A dessert tasting that was prepared by Bay View High School culinary arts students capped off the evening.

Please help us congratulate the MPS Alumni honorees for 2019.

Superintendent's Student Advisory Council (SSAC)

A shared goal of the Milwaukee Board of School Directors and the Administration is providing increased opportunities for student voice throughout the district and at the monthly Board meetings. With that goal in mind, I have continued my listening sessions with students. Through these sessions, I learn a lot about what is important to students, including what makes them most proud about MPS and what their ideas are for increasing students' voice in the district's decision making.

This month, I would like to introduce the Superintendent's Student Advisory Council (SSAC) for the 2019-2020 school year.

(Item 2) Report with Possible Action Regarding Development of an MPS Music Policy

Background

At its meeting on August 29, 2019, the Milwaukee Board of School Directors referred Communication 1920C-001, regarding a proposed music education policy drafted by MPS music educators and the Milwaukee Teachers' Education Association (MTEA), to the Administration for follow up.

At its meeting on September 26, 2019, the Board directed the Administration to convene an advisory committee made up of members of the MPS Administration, the Office of Board Governance, the Office of Accountability and Efficiency, MPS music teachers, the Milwaukee Teachers' Education Association, music providers, and two representatives of the Milwaukee Board of School Directors.

The advisory committee met on October 4 and October 11, 2019. The objectives of the collaborative meetings included discussing and implementing edits to the proposed music policy as suggested by the Office of the City Attorney and reviewing the five-year implementation plan, fiscal impacts, and next steps. The advisory committee has completed the proposed music education policy for the Board's consideration. The plan is included on this agenda as an item of new business for referral to a future meeting of the Committee on Legislation, Rules, and Policies (LRP).

The advisory committee will continue to meet to discuss the five-year implementation plan and to support the collaboration, expansion, and development of music programming in MPS.

(Item 3) Action on a Request to Authorize the Office of the City Attorney to Enter into a Contract with Quarles and Brady as Outside Legal Counsel to Assist with the Preparation of a Possible Referendum

Background

At its meeting on May 30, 2019, the Milwaukee Board of School Directors referred Resolution 1920R-004 by Director Peterson to the Committee on Student Achievement and School Innovation.

WHEREAS, Many people who testified during the hearings for the 2019-2020 Milwaukee Public Schools budget forcefully described areas of need for our students, families and staff; and

WHEREAS, There is growing unity in our community that the students of MPS need and deserve smaller class sizes, additional social workers, psychologists, nurses and guidance counselors, full time librarians, full time art, music; and physical education teachers in all of our schools, quality professional development on matters such as restorative practices and culturally responsive teaching, bilingual education and Science, Technology, Engineering, Art, and Math (STEAM); and expanded three-year old kindergarten opportunities; and

WHEREAS, All our students, no matter their special needs or the neighborhoods in which they live, deserve high-quality, certified teachers and support staff who stay with and are committed to MPS; and

WHEREAS, Several surrounding school districts have the financial capacity to provide the abovementioned resources and staff to students in their communities; and

WHEREAS, To obtain additional funding and to allocate all revenue in the most efficient way, it would be useful for the Board of School Directors to have an accurate and complete analysis of how much money is necessary to provide the schools that MPS students deserve; and

WHEREAS, Community groups, the Milwaukee Teachers' Education Association (MTEA), and MPS's administrators in the recent past have created templates of "The Schools Our Children Deserve" and "Standards of Care," and yet a corresponding estimate of what each would cost has never been done; now, therefore, be it

RESOLVED, That the Administration is hereby directed to develop a plan to engage stakeholders, including student, parent, civic, community, religious, and labor (including all MPS unions) organizations, in creating a robust outline of a vision of what it would take to ensure that all students get the public schools that they deserve; and, be it

FURTHER RESOLVED, That after stakeholder input has been received and synthesized, a financial analysis be done to accurately cost out the components of this vision of the schools our students deserve; and, be it

FURTHER RESOLVED, That the Administration is to present its plan for engaging stakeholders in the next Board cycle.

At its meeting on June 27, 2019, the Milwaukee Board of School Directors adopted the resolution and directed the Administration to develop and to present a plan to engage stakeholders and to gather their feedback regarding important education topics to strengthen our students' MPS experience.

At its September meeting, the Board took action to direct the Administration to build on the results of the community survey and the feedback meetings associated with the engagement process by:

1. creating a community-based taskforce to continue the examination of the needs of MPS students and to assess the potential of increasing funding through a referendum on April 7, 2020. The taskforce will make recommendations to the Board before January 1, 2020, on how best to fulfill our students' needs; and
2. taking the necessary steps to ensure all appropriate requirements are being met for a possible referendum.

To assist with ensuring that all appropriate requirements are being met for a possible referendum, the Office of the City Attorney proposes entering into a contract with Quarles & Brady to provide legal expertise relative to the preparation for a possible referendum. The proposed contract has been provided under separate cover.

**REPORTS AND COMMUNICATIONS FROM THE BOARD CLERK/DIRECTOR,
OFFICE OF BOARD GOVERNANCE****(Item 1) Action on the Adoption of the Adjusted 2019-20 (FY20) Budget for the Construction Fund****Background**

At its special meeting on October 29, 2019, the Board adopted adjustments to the adopted FY20 budget as well as recommended organizational adjustments. Since the institution of revenue limits, it has been routine to amend the district's annual budget at this point in the fiscal year in order to adjust projections to actual revenue and enrollment.

The Board's action, which passed on a 5-4 vote, included adjustments to the School Operations, Extension, and Construction Funds. Board Rule 1.14(3)(g), however, states that a recorded affirmative vote of two-thirds of the Board's membership (six of the nine members) shall be necessary to request tax funds or the sale of bonds for the purpose of school construction.

The Chief Officer of the Office of Board Governance is bringing the resolution regarding the Construction Fund's budget forward at this time to seek the required approval of two-thirds of the Board's membership.

Implementation and Assessment Plan

Upon the adoption of the resolution regarding the Construction Fund's budget by an affirmative vote of at least two-thirds of the Board, the Office of Board Governance will transmit the budget resolutions to the Common Council of the City of Milwaukee for adoption as prescribed by State Statutes 119.46 and 119.48, prior to the adoption of the City's budget in November 2019.

Recommendation

That the Board adopt the FY20 Construction Fund, as presented below.

CONSTRUCTION FUND

RESOLVED, That, pursuant to the provisions of Section 119.48, Wisconsin Statutes, the Board of School Directors hereby advises the Common Council that the amount of \$2,637,203 will be required for the 2020 Fiscal Year Construction Fund budget purposes and that it is to provide, in accordance with Section 65.07(1)(f), Wisconsin Statutes, \$1,511,274 by a tax levy on all real and personal property in the City of Milwaukee subject to taxation for Milwaukee Public School purposes in 2020, said amount to be in addition to the money received from other miscellaneous sources.

Director Peterson moved to rescind the Board's action of October 29, 2019, relative to the budget resolutions for the School Operations, Extension, and Construction Funds. The motion passed, the vote being as follows:

Present — Directors Báez, Herndon, O'Halloran, Peterson, Phillips, Siemsen, Taylor, Woodward, and President Miller — 9.

Noes — None — 0.

Director Peterson moved to approve the School Operations and Extension funds resolutions:

School Operations Fund

RESOLVED, That, pursuant to the provisions of Section 119.46, Wisconsin Statutes, relating to the School Operations Fund, the Board of School Directors hereby advises the Common Council that the amount of \$1,002,787,560 will be required for the operation of the Milwaukee Public Schools, for the repair and keeping in order of school buildings and equipment, and the making of material improvements to school property during the 2020 Fiscal Year. In addition, pursuant to action taken by the Board of School Directors at its regular meeting on September 22, 2011, the Board of School Directors is required to advise the Common Council that \$31,797,312 will be required for the operation of the Milwaukee Parental Choice Program; and that \$204,354,059 will be required for the operations of the Milwaukee Public Schools and that a total of \$236,151,371 thereof is to be raised by a tax levy on all real and personal property in the City of Milwaukee subject to taxation for Milwaukee Public School purposes in 2020, pursuant to the provisions of Section 65.07(1)(e), Wisconsin Statutes, said amount to be raised by tax levy being in addition of the money to be received from state aids, shared taxes, and from other miscellaneous sources.

Extension Fund

RESOLVED, That, pursuant to the provisions of Section 119.47, Wisconsin Statutes, relating to the Extension Fund, the Board of School Directors hereby advises the Common Council that the amount of \$32,708,590 will be required for

the maintenance of playgrounds, recreation centers, and similar activities during the 2020 Fiscal Year, and that \$25,225,000 thereof is to be raised by a tax levy on all real and personal property in the City of Milwaukee subject to taxation for Milwaukee Public School purposes in 2020, pursuant to the provisions of Section 65.07(1)(g), Wisconsin Statutes, said amount being required in addition to other miscellaneous sources.

The motion passed, the vote being as follows:

(Item 2) Monthly Report, with Possible Action, on Legislative Activities Affecting MPS

Background

On October 3, the Wisconsin Senate's and Assembly's Education Committees held a joint hearing on a number of bills, including SB408 and AB465, which, for purposes of state aid and revenue-limit authority, would fully count students attending full-day four-year-old kindergarten programs. Children at the 4K level are currently counted at only 60%.

The Senate's Education Committee later voted to approve SB408 by an 8-to-1 margin. (The Assembly's Committee has yet to vote on the bill.) Despite passage within the Senate's Committee, however, it is unclear whether SB408 will be taken up for a vote before the full Senate.

The Department of Public Instruction released a number of pieces of financial information on October 15, including the district-by-district tax-levy-impact number related to the Special Needs Scholarship Program, which is often referred to as the Special Needs Voucher Program. In Milwaukee, the tax-levy impact of the program has increased by 39.4%, from \$4,383,143 in 2018-19 to \$6,109,265 in 2019-20.

In addition, based on information collected by MPS support staff, including psychologists, social workers, nurses, therapists and others, MPS employees have provided 7,435 hours of support services to students in private schools, at a cost of \$474,961.

**REPORTS AND COMMUNICATIONS FROM THE OFFICE OF
ACCOUNTABILITY AND EFFICIENCY**

**(Item 1) Monthly Report, with Possible Action, on Activities within the Office of
Accountability and Efficiency**

Background

The Office of Accountability and Efficiency (OAE) was established to enhance transparency, oversight, and accountability to the District's financial operations; to evaluate fiscal performance; and to recommend solutions in furtherance of fiscal stewardship of Milwaukee Public Schools.

The Office of Accountability and Efficiency continues to make progress on a broad strategic-planning process which began in July 2019. The goals of the strategic-planning process are as follows:

- Goal One: To evaluate the work conducted by OAE since inception, to evaluate the office's capacity used for recurring work and required for non-recurring work, and to review relevant policies and procedures
- Goal Two: To reaffirm or revise the mission, vision, and responsibilities of the office; to reaffirm or revise relevant policies and procedures; and to establish future priorities
- Goal Three: To introduce an annual plan of work, including metrics for plan evaluation.

As of October 1, 2019, the process moved into phase two — strategic alignment. More specifically, during the month of October, a strategic-alignment tool was developed to analyze strengths, weaknesses, opportunities, and threats as they relate to seven alignment elements. This work will be completed by the end of 2019, with findings to be reported to the Board in a later monthly report. These findings will then be used to inform the development of an annual work plan.

Accountability and Efficiency Services

This month, Accountability and Efficiency Services completed the onboarding of one new staff member, consistent with the structuring and staffing portion of the strategic-planning process.

Additionally, between September 18, 2019, and October 23, 2019, the service area fulfilled three constituent inquiries, five information requests, seven requests for process-improvement support, and one request for data analysis.

Accountability and Efficiency Services also continued to support the District's implementation of Administrative Policies 3.09 and 6.35.

Contract Compliance Services

On October 21, Johnson Controls International hosted its annual Control Products Distribution meeting in Milwaukee. To promote this year's conference theme, "Tomorrow Needs You," small groups of control-products distributors visited seven MPS high schools (North Division, South Division, Madison Academic Campus, Pulaski, Bay View, Obama SCTE, and Bradley Tech), meeting motivated students at each school to discuss STEM careers and employment requirements in the industry linked to MPS's

Communities in Need (COIN) program and to encourage participation in job-readiness training sponsored through the Department of Contract Compliance Services. More than 30 industry representatives and more than 60 MPS students took part in the visits.

Contract Compliance Services also continued to support the District’s implementation of Administrative Policies 3.10 and 3.13.

REPORTS OF THE INDEPENDENT HEARING OFFICERS OF THE MILWAUKEE BOARD OF SCHOOL DIRECTORS

The Board Clerk presented 14 expulsion orders from the Independent Hearing Officers of the Milwaukee Board of School Directors.

Director Peterson moved to accept the reports of the Independent Hearing Officers of October 2, 3, 7, 8, 10, 11, and 15, 2019.

The motion to accept the reports prevailed, the vote being as follows:

- Present — Directors Báez, Herndon, O’Halloran, Peterson, Phillips, Siemsen, Taylor, Woodward, and President Miller — 9.

Separate consideration was requested of the following items:

From the report of the Committee on Accountability, Finance, and Personnel:

- Item Three, Action on a Request to Waive Administrative Policy 3.09(9)(e) and to Enter into a Contract with ADANI Systems, Inc., for Provision of X-Ray Machines and Maintenance Services, has been set aside as it has been reported to the Board without recommendation.
- Item Six, Action on the FY20 Phase-Two Salary Step Schedules, has been set aside as your Committee had directed the Administration to bring to the full Board, prior to its meeting, information on retroactive pay for permit teachers, with the five-year forecast to be included.

From the Report of the Committee on Student Achievement and School Innovation:

- Item 1, Report with Possible Action on Wisconsin Student Assessment System Data, was set aside by President Miller.

On the motion of Director Phillips, the balance of the Committees’ Reports was approved, the vote being as follows:

Present — Directors Báez, Herndon, O'Halloran, Peterson, Phillips, Siemsen, Taylor, Woodward, and President Miller — 9.
 Noes — None — 0.

(Item 3) Action on a Request to Waive Administrative Policy 3.09(9)(e) and to Enter into a Contract with ADANI Systems, Inc., for Provision of X-Ray Machines and Maintenance Services

Background

The Administration is committed to maximizing safety and security for students, staff, and visitors at MPS schools. Based on this, the Administration is requesting authorization to waive the three-year term limit of Administrative Policy 3.09(9)(e) and to enter into a contract with ADANI Systems, Inc., (“ADANI”) to provide X-ray machines and yearly maintenance services. The current process of using X-ray machines to

scan bags and other items is not new. X-ray machines have proven to be more efficient and effective and less intrusive than is physically searching a bag.

Board funds will not be used to purchase the X-ray machines. The X-ray machines will replace current units that are old and nearing their expiration dates.

Contractor was chosen pursuant to RFB 5779, which closed on July 18, 2019. The contract will run from November 1, 2019, through October 31, 2020, (the "Initial Term") with four additional one-year options to extend upon mutual agreement.

The total cost of the contract in the Initial Term will not exceed \$217,600.

Implementation and Assessment Plan

Upon approval by the Board, the contract will begin as indicated in the attachment to the minutes of your Committee's meeting.

Committee's Recommendation

The Administration had recommended that the Board authorize the waiver of Administrative Policy 3.09(9)(e) and approve the contract with ADANI Systems, Inc., as set forth in the attachments to the minutes of your Committee's meeting.

Your Committee is reporting this item to the Board without recommendation.

The gavel was passed to Director Báez at 8:02 p.m.

Director Miller moved that:

1. MPS use the \$217,600 Department of Justice Safe Schools grant, previously designated for a contract with ADANI systems, to be divided among 12 schools (at approximately \$18,000 each) for implementing safe-school policies; and

2. at each of these 12 schools a school-wide safety committee be established and composed of students, parents, and staff, including, but not limited to, safety assistants, teachers, and administration; and
3. this school-based safety committee shall establish and implement a school safety plan and shall use the expenditure allocated within the guidelines of the Department of Justice's Safe Schools grant; and
4. a review of safety policies and the training of staff and students shall be conducted throughout the year, with regular reports to be made to the Board.

The motion failed, the vote being as follows:

Ayes — Directors Báez, Herndon, Peterson, and President Miller — 4.
 Noes — Directors O'Halloran, Phillips, Siemsen, Taylor, and Woodward — 5.

The gavel was returned to President Miller at 8:46 p.m.

(Item 4) Action on Resolution 1920R-002 by Director Phillips and Director Baéz Regarding Equitable Nutrition Opportunities for all students

Background

At its meeting on May 30, 2019, the Milwaukee Board of School Directors referred Resolution 1920R-002 by Director Phillips and Baéz to the Committee on Accountability, Finance and Personnel.

WHEREAS, It should not matter which MPS school a child attends in whether or not that child has access to a healthful school meal; and

WHEREAS, The national benchmark for a school district's providing access to breakfast is 70% of children who eat free or reduced-priced (F/R) lunch; and

WHEREAS, Milwaukee Public Schools has the largest breakfast gap (i.e., the difference between the number of low-income children who eat school breakfast and the number of low-income children who eat school lunch) in the county: There are more than 35 schools in the district with breakfast gaps of at least 50 kids — If all of these schools were to reach the 70% national standard, over 4,500 additional kids would be provided access to school breakfast; and

WHEREAS, MPS Administrative Policy 4.07 states, "School nutrition programs are proven to improve student performance and assist in closing the achievement gap. Foods offered to students in addition to meals will be of optimal nutrition quality. District food service dietitians are charged with maintaining school meal nutritional standards per USDA requirements and will work to improve healthful, fresh menu choices for students"; and

WHEREAS, MPS Administrative Policy 4.05 states, "The district recognizes that proper nutrition and academic achievement are inextricably bound and will therefore advocate for universal free meals for breakfast and lunch. In addition, the Board will advocate for federal funding for supper programs for after school programs. The major objective of the school lunch program shall be to safeguard and improve the health and well-being of school children. The lunchroom should be considered an educational facility for teaching good dietary practices through the serving of nutritional adequate and attractive meals"; and

WHEREAS; It is vital for MPS teachers, administrators, nutrition professionals, students, and parents to work together to ensure equal access to school meals for all MPS students; and

WHEREAS, When breakfast is served early, before the school-day begins, it may be difficult for students to arrive at school in time for breakfast; and

WHEREAS, Children, especially older children, who are very conscious of what their peers think of them, may skip the free breakfast, even if they're hungry, rather than been seen as "the poor kids"; and

WHEREAS, Providing a breakfast after the bell across all MPS schools helps to ensure equitable nutrition for all students while eliminating barriers exacerbated by such racial and economic inequalities s transportation and food insecurity; now, therefore, be it

RESOLVED, That the Milwaukee Board of School Directors directs that:

1. the Superintendent or designee require every MPS school in which 70% or more of its students are eligible for free or reduced-price meals under the National School Lunch Program or the federal School Breakfast Program to establish a school “breakfast after the bell” program; and
2. no later than the last day of school for the 2018-19 school year, MPS Nutrition shall present a Nutrition Equity Plan for establishment of a “breakfast after the bell” (BATB) program for all grades at each school in the district that is required to establish such a program, the Plan to include:
 - a. a list of available breakfast grants in order for schools to maximize participation in school breakfast;
 - b. a plan to notify and train MPS employees in advance of the BATB’s implementation;
 - c. promotion and notification of BATB to parents/guardians and to students in advance of the start date and regularly until the participation goal is met;
 - d. input from MPS educators, administrators, food service staff, parents and students, and community partners prior to full implementation;
3. no later than the first full school year following the passage of the MPS Nutrition Equity Plan, MPS shall establish a “breakfast after the bell” program in each of its schools which are subject to the requirements of this resolution; and
4. each year thereafter, prior to the regular July meeting of the Board, the Department of Nutrition shall submit to the Board the name of each MPS school within MPS that falls short of the national benchmark of 70% of children who eat free or reduced-priced (F/R) lunch and also receive school breakfast so that the Board may monitor compliance with this policy.

This was followed by public testimony at the Committee’s meeting on August 20, 2019. Additional information was presented at the Committee’s meeting on September 17, 2019, as part of the Department of Nutrition Services’ quarterly report.

The Administration is in agreement with the resolution and is recommending its adoption by the Board with the minor adjustments to better align with Milwaukee Public School’s progress and accomplishments in the area of nutrition services.

The resolution is closely aligned to the Administration’s current work underway, such as recognizing the goal of 70% breakfast participation for schools with a Free and Reduced Application Management (FRAM) exceeding 70%, which the district achieved in 2018-19 for MPS schools (excluding non-instrumentality charter and partnership schools).

Even with having achieved the overall breakfast participation goal of 70% for MPS schools, the Administration continues to revise and expand its breakfast after the bell options, with the goal of ensuring all students have access to breakfast. In addition, the Department of Nutrition Services continues to expand communications. This includes training for kitchen staff as well as principals and teachers on expanded breakfast options. This also includes working with principals to share information with families. The district also has established a breakfast hotline.

Statute, Board Rule, or Administrative Policy Statement

Administrative Policy 4.05, School Nutrition Management

Fiscal Impact Statement

The Department of Nutrition Services will cover costs through its operating budget and applied surplus.

Implementation and Assessment Plan

Upon approval by the Board, the Administration will continue its current efforts to implement the resolution.

Committee’s Recommendation

Your Committee recommends that the Board approve Resolution 1920R-002, with the third Whereas clause to be amended as below:

WHEREAS, Milwaukee Public School ~~has the largest breakfast gap (i.e., is ranked 29th in the country of large urban school districts for the difference between the number of low-income children who eat school breakfast and the number of low-income children who eat school lunch.) in the county: There are more than 35 schools in the district with breakfast gaps of at least 50 kids — If all of these schools were to reach the 70% national standard, over 4,500 additional kids would be provided access to school breakfast Milwaukee Public Schools, with a free and reduced rate exceeding 70%, meet the national goal of 70% breakfast...~~

Adopted with the roll call vote to approve the balance of the Committees' reports.

(Item 5) Action on a Request to Approve the Reconciliation of Student Full-time-equivalent (FTE) Seats at Carmen High School of Science and Technology, South, for students served in the 2018-2019 School Year

Background

Carmen High School of Science and Technology, South, (Carmen South) was established as a non-instrumentality charter school in fall 2007 and is located at 1712 South 32nd Street. Carmen’s mission is to graduate all students as critical thinkers and self-directed learners who are prepared for success in college, meaningful careers, community involvement, and family life.

Milwaukee Public Schools has received a request from Carmen for reconciliation of, and payment for, full-time-equivalent (FTE) seats to reflect 390.5 FTEs served (the actual number of students served at Carmen, South, during the 2018-2019 school year). The total of FTEs served was derived by averaging the amount of total countable pupils from the September and January state-count dates.

Strategic Plan Compatibility Statement

- Goal 1, Academic Achievement
- Goal 2, Student, Family and Community Engagement
- Goal 3, Effective and Efficient Operations

Statute, Board Rule, or Administrative Policy Statement

Administrative Policy 9.12, Charter Schools

Fiscal Impact Statement

Pending approval of this item, payment will be made to Carmen High School of Science and Technology, Inc., in the amount of \$260,250.71. (Budget Code: GOEINICCW-ECTV)

Implementation and Assessment Plan

Pending approval of this item, MPS will make payment to Carmen High School of Science and Technology, Inc., for the reconciled student FTE seat amount.

Committee’s Recommendation

Your Committee recommends that the Board:

1. approve the reconciliation of student full-time-equivalent (FTE) seats at Carmen High School of Science and Technology, South, for students served in the 2018-2019 School Year; and
2. direct the Administration to inform the school that it is not to exceed the seat limit at each campus.

Adopted with the roll call vote to approve the balance of the Committees' reports.

The Administration is reviewing the Administrators and Supervisors Council’s (ASC’s) pay grades 00-07 structure for phase two. This pay structure will be brought forward next month.

Strategic Plan Compatibility Statement

Goal 3, Effective and Efficient Operations

Statute, Board Rule, or Administrative Policy Statement

Administrative Policy 6.21, Salary Schedules: Staff

Fiscal Impact Statement

The Administration continues to work on finalizing the costing of each salary-step schedule. The cost is not to exceed six million dollars. Funding for year-one implementation of the phase-two salary-step schedules will be provided in the fall adjustments to the fiscal year 2019-20 budget that will be brought to the Board for approval.

Implementation and Assessment Plan

Upon the Board's approval, the Administration will implement the salary-step schedules no later than March 16, 2020.

Committee's Recommendation

Your Committee recommends that the Board:

1. adopt the steps and lanes, with no implementation date to be determined until after the Board's special meeting on October 29, 2019; and
2. direct that the cost is not to exceed \$6 million.

Your Committee further reports that it has directed the Administration to bring to the full Board, prior to its meeting, information on retroactive pay for permit teachers, with the five-year forecast to be included.

Director Taylor moved to:

1. adopt the steps and lanes with no implementation date to be determined until after the Board's special meeting on October 29, 2019;
2. direct that the cost is not to exceed \$6 million; and
3. with the goal of the January 2020 Board cycle.

The motion passed, the vote being as follows:

Present — Directors Báez, Herndon, O'Halloran, Peterson, Phillips, Siemsen, and President Miller — 8.
 Noes — none — 0.
 Temporarily Absent — Director Woodward — 1.

The gavel was passed to Director Báez at 9:31 p.m.

The gavel was returned to President Miller at 9:49 p.m.

(Item 7) Action on a Request for an Early Start Date for Ronald Wilson Reagan College Preparatory High School (Grades 9-12), Rufus King International High School (Grades 9-12), and Casimir Pulaski High School (Grades 9-12) for the 2020-21 School Year

Background

2001 Wisconsin Act 16 requires school boards to start school terms after September 1, unless a school board submits a request to the Wisconsin Department of Public Instruction (DPI) stating the reasons why it would like the school term to start earlier. DPI may grant a request if it determines that there are compelling reasons for doing so.

By approving the Administration's recommendation, the Milwaukee Board of School Directors will move to submit a request to the DPI for an early start date (no earlier than August 3, 2020) for the 2020-21 school year for Ronald Wilson Reagan College Preparatory High School, Rufus King International High School (grades 9-12), and Casimir Pulaski High School. All three schools have requested early start dates for the 2020-21 school year. The request will cite the fact that the post-September 1, 2020, start date conflicts with the curricular requirements of the International Baccalaureate (IB) program.

The district made this request on behalf of these schools for the 2019-20 school year, and it was granted by the DPI.

Strategic Plan Compatibility Statement

Goal 1, Academic Achievement

Statute, Board Rule, or Administrative Policy Statement

Administrative Policy 7.03, School Year/School Calendar

Fiscal Impact Statement

The item does not authorize expenditures. Ronald Wilson Reagan College Preparatory School, Rufus King International High School (grades 9-12), and Casimir Pulaski High School agree to pay any additional costs incurred as a result of this unique school year.

Implementation and Assessment Plan

Upon approval by the Board, the Administration will submit a request to the DPI prior to the January 1, 2020, deadline for an early start date for the 2020-21 school year for Ronald Wilson Reagan College Preparatory High School, Rufus King International High School (grades 9-12), and Casimir Pulaski High School.

Committee’s Recommendation

Your Committee recommends that the Board approve this request for an early start date (no earlier than August 3, 2020) for Ronald Wilson Reagan College Preparatory High School, Rufus King International High School (grades 9-12), and Casimir Pulaski High School, and direct the Administration to submit a request to the Wisconsin Department of Public Instruction prior to the January 1, 2020, deadline for an early start date for the 2020-21 school year for Ronald Wilson Reagan College Preparatory High School, Rufus King International High School (grades 9-12), and Casimir Pulaski High School.

(Item 9) Action on a Request to Carry Over FY19 School Deficit and Contracted Carry-over Amounts

Background

School leaders take the lead responsibility for spending in accordance with their schools’ budgets. A school’s overall deficit balance occurs when total expenditures exceed the total to-date authorized funding amount in non-position costs. A school’s spending is tracked monthly by the school leader and the Administration. The Administration and school staff are alerted to potential problems, and where warranted, controls to limit school spending are put in place to mitigate risk.

River Trail Elementary	5.93%	Other wages overspent
Vincent High School	5.52%	Other wages overspent due to part-time certificated and para class coverage

According to Administrative Policy 3.05, concerning school deficits, year-end deficits incurred shall be carried over into the next year.

Strategic Plan Compatibility Statement

Goal 3, Effective and Efficient Operations

Statute, Board Rule, or Administrative Policy Statement

Administrative Policy 3.05, Fund Carryover

Fiscal Impact Statement

Approval of the deficit carryover will result in each school’s paying back its deficit within three to five years. The total deficit among the schools is \$1,720,561. About \$583,866 will be paid back in the first year.

Committee’s Recommendation

Your Committee recommends that FY19 school-deficit and contracted carry-over amounts be carried over to FY20 and that schools with deficits from FY19 pay back the amounts within three years and not more than five years.

Adopted with the roll call vote to approve the balance of the Committees’ reports.

RFP 5777 Authorization to Enter into a Blanket Contract with Virtucom, Inc., for Interactive Touch Flat Panels and Stands

The Administration is requesting authorization to enter into a blanket contract with Virtucom, Inc., for interactive touch flat panels and stands. This vendor will be used to provide interactive flat panels (“IFPs”) and stands to schools for use in classrooms.

IFPs have been used over the past few years as replacements for existing Smartboards. Compared with previously-used Smartboards, IFPs are more cost-effective, they do not require bulb replacement, and the images are brighter and clearer. This technology also does not require frequent alignment of images to projection. IFPs are used by teachers and by students in the daily instructional processes in the classroom.

Contractor was chosen pursuant to RFP 5777, which closed on June 25, 2019. The contract will run from November 1, 2019, through October 30, 2020, (the “Initial Term”) with two additional one-year options to extend if certain performance metrics incorporated into the blanket contract are met.

The total cost of the contract in the Initial Term will not exceed \$1,274,250.10

(Item 11) Action on the Award of Exception-to-Bid Contracts

Exception Authorization to Enter into Contracts with Sebastian Family Psychology Practice LLC; Aurora Family Services, Inc.; and Children’s Service Society of Wisconsin, d/b/a Children’s Hospital of Wisconsin Community Services, for School Community Partnership for Mental Health (SCPMH) Services as Part of the U.S. Department of Education’s Project Prevent/ Resilient Kids Grant

The Administration is requesting authorization to enter in to a contract with Sebastian Family Psychology Practice LLC (“SFPP”); Aurora Family Services (“Aurora”); and Children’s Service Society of Wisconsin, d/b/a Children’s Hospital of Wisconsin Community Services (“Children’s Hospital”), to provide mental health services and supports to students, family, and staff. These contractors provide collaboration, direct services to students and families, professional development, and training for staff and parents.

Contractor will provide direct and indirect mental health services to students, family members, and staff within the SCPMH’s parameters and guidelines. Services may include professional development for staff, parent education, student education, teacher consultation, critical- incident debriefing, connecting with other agencies with specialized competencies, and mental health consultation.

The exception from the requirement of a competitive procurement process for this contract has been granted on the basis that the services under this contract are required as part of the U.S. Department of Education’s Project Prevent/ Resilient Kids Grant (Administrative Policy 3.09(2)(c)).

The contracts will run from December 1, 2019, through June 30, 2020, (the “Initial Term”) with the option to extend for up to two additional one-year terms, from July 1, 2020, through June 30, 2021, and from July 1, 2021, through June 30, 2022, upon mutual written consent.

The total cost of these contracts in this first year will not exceed \$196,764 as follows:

(Item 13) Action on Request to Enter into a Lease Agreement with the Wisconsin Department of Natural Resources for the District’s Use of Oakridge Farm

Background

Milwaukee Public Schools’ Department of Recreation and Community Services has partnered with the Wisconsin Department of Natural Resources since 1971 to provide environmental learning opportunities for students at Oakridge Farm (S40W35961 County Rd. C, Dousman, WI, 53118). In addition to hosting a series of curricula-based programs for school-age students, the Farm is also host to K5 MPS Learning Journeys and serves as a field-trip destination for the community and for the Summer Academy’s participants. More than 9,500 youth visit the farm on an annual basis.

The Administration is requesting approval of a lease agreement commencing on October 1, 2019, and terminating on December 31, 2024, at a one-time rate of \$1.00 and an option to extend the lease for two additional five-year terms, contingent upon approval by the Board, in order to continue to provide educational opportunities that promote growth and create opportunities for future success.

(Item 14) Action on Request to Waive Administrative Policy 3.09(9)(e) and to Extend a Contract with Accounting Equipment Corp, d/b/a AE Business Solutions, for IT-Support Services

Background

The Administration is requesting authorization to waive the three-year term limits of Administrative Policy 3.09(9)(e) and to extend its contract with Accounting Equipment Corp, d/b/a AE Business Solutions, for IT-support services.

These support services are utilized by the Department of Technology, as necessary, to provide interim IT support for schools at various times throughout the year and assistance on large-scale projects.

Contractor was chosen pursuant to RFP 928. The original contract was authorized by the Board to run from November 1, 2016, through October 31, 2017 with two one-year extensions. The current extension expires on October 31, 2019. The waiver of Administrative Policy 3.09(9)(e) is being sought as a result of the three-year maximum contract term’ having been exceeded. The Administration has a current Request for Proposal (“RFP”) out for solicitation of RFP 1025, so this three-month extension is necessary to avoid a lapse in services.

This contract extension will run from November 1, 2019, through January 31, 2020.

The total cost of the contract in this extension year will not exceed \$75,000.

REPORT OF THE COMMITTEE ON PARENT AND COMMUNITY ENGAGEMENT

Director Woodward presented the following report for the Committee on Parent and Community Engagement:

TO THE BOARD OF SCHOOL DIRECTORS:

Your Committee on Parent and Community Engagement presents the following report:

(Item 1) Report with Possible Action on Southwest Region Showcase

Your Committee reports having received the following report from the Administration. Although this item has been noticed for possible action, no action is required.

Background

Based on the Board’s previous action, the 2018-19 monthly Regional Showcase item structure has been enhanced to provide a thorough picture of each region as they are presented on a monthly basis. This will include goals as well as progress in attaining them. In addition, strategies that are being successfully implemented within the region and that may be replicated will be included.

This month, the Southwest Region is featured. The region comprises 24 schools, including Montessori, Immersion, International Baccalaureate, Bilingual, Project Lead the Way, Community Schools, and specialty schools. The Southwest Region serves 12,857 students in diverse settings to meet the varied needs of our students. Schools in the Southwest Region include A.L.B.A., Academy of Accelerated Learning, Alcott, Allen Field, Curtin, Doerfler, Forest Home, Grant, Greenfield, Hayes, Honey Creek, Kagel, Lincoln Avenue, Longfellow, Lowell, Manitoba, Milwaukee Spanish Immersion, Mitchell, Morgandale, Riley, Rogers, Vieau, Whitman, and Zablocki.

The Southwest Region offers the following programming to meet the various needs of learners in pursuit of academic excellence at these schools: developmental bilingual and traditional monolingual biliteracy experiences, immersion, International Baccalaureate Primary Years Programme, dual-language

Montessori education beginning with grades K3 and K4, Project Lead the Way (PLTW), Engineering is Elementary, and Systems Thinking.

The Southwest Region is successful due to the families, staff, and dedicated community partnerships, a vital component to the success of students. The following are a few community partnerships in the Southwest region: United Way, Arts in Community Education, Milwaukee Symphony Orchestra, Junior Achievement, Skylight Theater, Milwaukee Repertory Theater, City Year, and many colleges and universities.

REPORT OF THE COMMITTEE ON STUDENT ACHIEVEMENT AND SCHOOL INNOVATION

Your Committee reports having received the following report from the Administration. Although this item has been noticed for possible action, no action is required.

(Item 1) Report with Possible Action on Wisconsin Student Assessment System Data

Background

The presentation attached to the minutes of your Committee's meeting is aligned to the Board's action in February 2018 to review district data regularly throughout the school year. The Wisconsin Student Assessment System (WSAS) is a comprehensive statewide program designed to provide information about what students know in core academic areas and whether they can apply what they know. The WSAS includes:

- The Wisconsin Forward Exam at grades 3-8 in English language arts (ELA) and mathematics; at grades 4 and 8 in science; and 4, 8, and 10 in social studies
- Dynamic Learning Maps (DLM) at grades 3-11 in ELA and mathematics; at grades 4 and 8-11 in science; and at grades 4, 8, and 10 in social studies
- ACT Aspire at grades 9 and 10
- The ACT Plus Writing at grade 11 for reading, English, mathematics, science, and writing.

The Every Student Succeeds Act (ESSA) requires all states to test all students in English language arts (ELA) and mathematics in grades 3-8 and once in high school. ESSA also requires students be assessed in science once each grade span (3-6, 7-9, and 10-12 grades). Students' performance on these assessments is reported in proficiency categories and used for accountability determination at the school, district, and state levels, including state accountability report cards. Wisconsin State Statutes also require students to take grade-9 and -10 assessments as well as the social studies test. These tests together create the Wisconsin Student Assessment System.

This presentation will review the results of the Wisconsin Forward Exam with DLM, ACT Aspire with DLM, and ACT with writing with DLM that were released in September 2019.

(Item 2) Report with Possible Action on Academic Standards

Your Committee reports having received the following report from the Administration. Although this item has been noticed for possible action, no action is required.

Background

As required by the Wisconsin Department of Public Instruction, a notice identifying the academic standards adopted by the school board is included as an item on the Board's agenda at the start of the school year. The academic standards addressed in this report are as follows.

Common Core State Standards

On September 27, 2012, the Milwaukee Board of School Directors received a report on the Common Core State Standards (CCSS) and the alignment to the Comprehensive Literacy Plan (CLP) and the Comprehensive Mathematics and Science Plan (CMSP). It is noted that the CCSS are embedded within the CLP and CMSP and serve as the foundation for instruction in the classroom and professional development for teachers and principals.

Common Core Essential Elements

The Common Core Essential Elements (CCEE) were developed to provide students with significant intellectual disabilities the opportunity to be involved in and to meet the same challenging expectations that have been established for all students in the CCSS.

Career and Technical Education Standards

In September 2013, the Wisconsin Department of Public Instruction released Career and Technical Education standards that are being used in our setting high expectations for students to be prepared for college and career. These standards, which are developed in grade bands PK-5, 6-8, 9-12, cover six content areas:

- agriculture, food and natural resources
- business and information technology
- family and consumer sciences
- health science
- marketing, management, and entrepreneurship
- technology and engineering.

Wisconsin Model Early Learning Standards

On May 27, 2014, the Board supported two initiatives aligned to the Wisconsin Model Early Learning Standards (WMELS) plan and testing. The WMELS stresses the importance of creating a base of child-initiated and teacher-initiated activities. These standards reflect the belief that children should be provided with opportunities to explore and to apply new skills through child-initiated and teacher-initiated activities and through interactions with peers, adults, and materials.

Next Generation Science Standards

In November 2017, the Wisconsin Department of Instruction adopted the Next Generation Science Standards. These standards identify content and science and engineering practices that all students should

learn from K-12 grades. These include elementary science, physical science, life science, earth and space science, and engineering, technology, and applications of science in middle and high school.

Standards for Social Studies

In 2018, the Wisconsin Department of Public Instruction adopted Standards for Social Studies. These standards provide a foundation of what students should know and be able to do at the appropriate grade levels.

Common Core State Standards for World Languages

On June 3, 2019, the Wisconsin Department of Public Instruction reaffirmed the Common Core State Standards for World Languages that had been developed to parallel the English language arts and the development of bilingualism and biliteracy.

Wisconsin Academic Standards

Per the Wisconsin Department of Public Instruction, all academic areas not covered by CCSS and CCEE and WMELS are covered by the Wisconsin Academic Standards:

- art and design education
- dance
- environmental education
- health education
- information and technology literacy
- music education
- nutrition education
- personal financial literacy
- physical education
- reading
- school counseling
- theatre education
- world languages.

COMMUNICATIONS AND PETITIONS

(Item 1) Communication from the U.S. Marines on Career Opportunities for Life After High School

The following communication was received by the Office of Board Governance:

Good Morning Ma'am/Sir,

I am the Executive Officer for Recruiting Station Milwaukee, United States Marine Corps. I am requesting, on behalf of my commanding officer, an opportunity for him to speak with the school board. We are requesting a policy change on how and when lists of students are provided. We would like to give all students who do no Opt-out, from each of the schools in your district, a career opportunity for life after high school.

When is the next board meeting? How do we reserve a time slot on the schedule?

Very respectfully,
1st Lt Brianna S. La Mee'
Executive Officer
U.S. Marine Corps Recruiting Station Milwaukee

RESOLUTIONS

Resolution 1920R-008

By Director Woodward

WHEREAS, Milwaukee Public Schools states as its mission that it is a diverse district that welcomes all students and prepares them for success in higher education, post-educational opportunities, work, and citizenship; and

WHEREAS, All humans possess unique, rich cultural histories, backgrounds, and experiences deserving of respect and inclusion; and

WHEREAS, Diversity includes, but is not limited to, differences in race, ethnicity, nationality, gender and gender identity, sexual orientation, socio-economic status, age, physical and/or mental ability, and religious beliefs; and

WHEREAS, Students' cognitive, social, and emotional development are culturally and socially based, thus, creating a more diverse workforce supports the connection between the school and the larger community;

WHEREAS, Efforts to meet the district's goal of academic achievement would be better served if we recruit a diverse workforce that more closely resembles the diversity of the students we serve; and

WHEREAS, The information presented to the Board in January 2019 indicates a lack of diversity in certain work groups, including paraprofessional educational assistants, safety and security, handicapped

aides, school psychologists, and school social workers, both in the district's current work force and in the applicant pools for these group; and

WHEREAS, For FY19, the teacher workforce was 68% white, 18% Black/African-American, less than 10% Hispanic/Latino and about 4% Asian and other groups; and

WHEREAS, The student body of MPS, by contrast, is approximately 14% white, 55% Black/African-American, 25% Hispanic/Latino, 5% Asian, and 1% other groups; and

WHEREAS, MPS has numerous schools where the racial demographics of students differs significantly from that of the school's staff; now, therefore, be it

RESOLVED, That the Milwaukee Board of School Directors seeks to enrich the educational environment by providing students with diverse student-facing faculty and staff; and be it

FURTHER RESOLVED, That the Administration structure its recruitment efforts in order to cultivate a more diverse workforce which should include, but not be limited to

- showing diversity in recruitment materials;
- targeting graduates or soon-to-be graduates of Historically Black Colleges and Universities;
- working with community based organizations that serve specific demographic groups;
- placing an emphasis on recruiting for diversity among Para Professional Educational Assistants, Safety and Security, Handicapped Aids, School Psychologists, and School Social Workers, and Teachers; and, be it

FURTHER RESOLVED, That the Administration, in its efforts to recruit, advance diversity by recruiting a pool of candidates whose culturally responsive methods and strategies will enable them to implement practices that promotes awareness of, respect for, and responsiveness to the variety of diverse cultures within the student body; and be it

FURTHER RESOLVED, That all relevant policies, procedures, and handbooks be reviewed to ensure that the recruitment of a diverse workforce is included; and be it

FURTHER RESOLVED, That the Administration is to provide an update to the Board on its efforts to recruit for diversity by the January 2020 Board cycle.

Resolution 1920R-009

By Director Miller

WHEREAS, In April 2015, the Milwaukee Board of School Directors adopted Resolution 1516R-001, known as the Black Lives Matter resolution, and in November 2018, the Board adopted Resolution 1819R-009, known as the Black Lives Matter at School resolution; and

WHEREAS, The Black Lives Matter resolution called for:

- creating safe spaces, quality restorative justice practices, community and parent involvement, and involvement of student leaders of all types;
- discussions of biases, racial micro-aggressions, fears, cultural ignorance, and stereotypes of Black youth;
- discussions that lead to training of school staffs in methods of de-escalation, mindfulness, creating a culture of trust, and cultural relevance and reviewing and strengthening curriculum, and creating critical ethnic studies;
- bringing community into our schools and strengthening schools as centers of support for communities; and

- the district review its programs that may be contributing to unfair, unequal power relationships with community and school policing; and

WHEREAS, The national Black Lives Matter movement has called for a week of “Black Lives Matter at School Week” for the 1st week of February 2020 to focus on the need to:

- replace harsh zero-tolerance discipline policies, which disproportionately suspend students of color, with a restorative practices;
- establish African American studies and other critical ethnic studies in all schools;
- increase the hiring, training, and support of Black teachers and other teachers of color;
- fund counselors, not police; and
- provide free quality breakfast and lunches for all students; now, therefore, be it

RESOLVED, That the district support the 2020 “Black Lives Matter at School Week” of education and student participation; and be it

FURTHER RESOLVED, That all schools be presented with activities for student education on the issues raised by the Black Lives Matter movement; and be it

FURTHER RESOLVED, That all schools are to develop a plan for implementation of activities supporting the week of Black Lives Matter at School; and be it

FURTHER RESOLVED, That district-wide activities be considered for the week; and be it

FURTHER RESOLVED, That an advisory committee be established of students, community, parents, teachers, and school and administrative staff to advance this effort and the national Black Lives Matter at School program.
