HEALTH AND DENTAL BENEFITS— FOR ACTIVE EMPLOYEES

When Health and Dental Coverage Begins

Employees regularly scheduled to work in benefit-eligible positions of 30 or more hours per week are eligible for health and dental insurance, single or family coverage.

Health and dental coverage for a new or returning employee begins on the first day of the month following one (1) month of employment. To enroll in health and/or dental coverage, a completed MPS benefit application/change form must be submitted within 31 calendar days after beginning employment or return from leave. Applications received later than thirty-one (31) calendar days after the first day of employment shall not be accepted. If you do not enroll when first eligible, you only have the opportunity to do so at the next open enrollment period or with an applicable qualifying event (also referred to as Family Status Changes).

Coverage start date examples are:

<table>
<thead>
<tr>
<th>Hire Date or Return From Leave:</th>
<th>Health/Dental/Vision Begins if enrolled:</th>
</tr>
</thead>
<tbody>
<tr>
<td>August 29th</td>
<td>October 1st</td>
</tr>
<tr>
<td>May 10th</td>
<td>July 1st</td>
</tr>
<tr>
<td>November 4th</td>
<td>January 1st</td>
</tr>
<tr>
<td>April 1st</td>
<td>May 1st*</td>
</tr>
</tbody>
</table>

* If you are hired/return from leave on the 1st of the month, your coverage begins the 1st of the next month. If the 1st of the month falls on a weekend or holiday, and you work the very next work day, your coverage begins the 1st of the next month.

To obtain health insurance coverage as of the first day of employment, a completed MPS benefit application/change form along with payment of one month’s total monthly premium must be submitted within 15 calendar days of the first day of employment. Please Note: “First day of employment” means employment of a newly hired employee in a benefit-eligible position.

Coverage for 10-month school year employees (including IB/early start and traditional) who work/are paid through the end of their regularly scheduled school year will receive active employee coverage through August 31st, and, for school year employees returning within the first 10 work days of the next school year, coverage will be continuous.

Employees may choose between the MPS PPO Health Plan, the MPS EPO Health Plan, or the MPS High Deductible Health Plan (HDHP), administered by United Healthcare (UHC). A highlight summary of benefits for each plan is provided at the end of this section. For additional information describing the MPS PPO, EPO, and HDHP health plans, please visit the Department of Benefits, Pension & Compensation site on mConnect. From the Home page select: Departments>Benefits, Pension & Compensation> Benefits Enrollment (under “Quick Links”)> 2019 Open Enrollment Booklet (Health & Dental Plans)-Active Employees.

Note: Eligibility Restrictions for Health and Dental Benefits

> (7) Building Trades only have access to the EPO and HDHP health plans.
> (15) Part-time Recreation Employees are not eligible for health and dental benefits.
> (17) Active Substitute Teachers are not eligible for health and dental benefits effective 9/1/12.
> (20) Temporary Employees, LTEs are not eligible for health and dental benefits.
> (24) Part-time Teachers are not eligible for health and dental benefits.
> Seasonal Laborers are not eligible for health and dental benefits effective with dates of hire or layoff on or after 7/1/12.
Eligibility for Spouse & Children

When enrolling any dependent(s) you must submit verification of dependent eligibility. For example, if you are enrolling a spouse you must submit a marriage certificate/license or if you are enrolling a dependent child(ren) you must submit a birth certificate(s). Failure to submit acceptable documentation to MPS Department of Benefits, Pension & Compensation may delay or prevent processing of your eligible dependents. As per Board policy and Plan provisions, the following dependents are eligible for coverage:

- **Spouse** is the person to whom the subscriber is legally married.
- **Dependent Child** includes the following:
  - Natural or adopted child of the subscriber.
  - Stepchild - is the natural or adopted child of the subscriber's spouse for whom the subscriber and/or spouse provide more than 50% of the child's support during a calendar year.
  - Legal Ward - is a child for whom the subscriber or current spouse is the legal guardian and for whom the subscriber and/or spouse provide more than 50 percent of the child's support during a calendar year.
- **Grandchild** - is a child of the subscriber's dependent child for whom the subscriber and/or spouse provide more than 50 percent of the grandchild's support during a calendar year when the grandchild's parent is under age 18.
- **Domestic Partner and Domestic Partner Dependent Child(ren)** – **Note:** Per State statute, coverage for Domestic Partner and Domestic Partner Child(ren) is prohibited April 1, 2018 and after. Legislation adopted in the State Budget Bill, 2017 Wisconsin Act 59, created a new statute, section 66.0510, under which state and local governments may now provide for the payment of premiums or cost sharing for hospital, surgical, and other health and accident insurance and life insurance, only for employees and officers, their spouses, and dependent children. The effect of this legislation prohibits state and local governments from offering such benefits to domestic partners/domestic partner children of MPS employees.

Adult Child Dependent Eligibility – As a result of state and federal mandated changes* to health and dental coverage, adult dependent children (age 19 and older) must meet coverage eligibility as outlined below. These mandates do not require you to cover your adult children under your MPS health and/or dental plan.

- Adult child is between the ages 19 to 26.
- Adult child can be single or married.
- Per State mandate, eligibility requirements also include the adult child who is a full-time student regardless of age and was under age 27 years when called to federal active duty in the National Guard or in a reserve component of the U.S. armed forces while the child was attending, on a full-time basis, an institution of higher education.
- Application for disabled dependents continuation of health coverage (and dental coverage under Care Plus only) must be completed prior to turning age 25.
  *WI Statute 632.885; Federal Acts PPACA and HCERA

Where both husband and wife are employed by MPS, only a single plan for each or one family plan for both are permitted. An employee who changes marital status, or acquires dependents must apply by filing a new, complete application listing all covered dependents with MPS Department of Benefits, Pension & Compensation within 31 calendar days of the event (60 calendar days for birth or adoption, loss of Medicaid or CHIP coverage) in order for such coverage to be effective as of the date of the event.

**Note:** Employees shall not be entitled to duplicate coverage under any other health, vision, pharmacy or dental insurance plan offered by the Board.
Adding New Dependents

Adding a Dependent – MPS Department of Benefits, Pension & Compensation must be notified within 31 calendar days of the event (this is referred to as a Family Status Change). If notification is received within 31 calendar days, dependent coverage shall be effective on the date of the qualifying event; otherwise, the new dependent may be added only during an open enrollment period. Examples of the above would be a marriage or return of a child to dependent status. If a dependent loses Medicaid or CHIP coverage they may be added within 60 calendar days.

Birth or Adoption of a Child – as the parent, you must file a new application with a copy of the birth certificate or adoption papers with MPS Department of Benefits, Pension & Compensation within 60 calendar days of the date of birth or placement. The 60 calendar day automatic coverage period commences as of the date of birth and only applies to newborns and does not apply to adopted children.

If you are enrolling any dependent(s) you must submit verification of dependent eligibility. For example, if you are enrolling a spouse you must submit a marriage certificate/license; for dependent child(ren) you must submit the birth certificate(s). Failure to submit acceptable documentation to MPS Department of Benefits, Pension & Compensation will delay processing of your eligible dependent(s). If verification is not received within 31 calendar days of our written request, the dependent will not be enrolled and will have to wait until the next open enrollment period to enroll.

After initial enrollment and open enrollment, additions, terminations, and changes will only be allowed to your MPS health/vision and dental plans as the result of a Family Status Change. The following is a list of the most common family status changes and the documentation needed from you to make a change:

<table>
<thead>
<tr>
<th>Family Status Change</th>
<th>Copy of Document or Notice Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>Marriage</td>
<td>Marriage certificate/license (must be registered certified state copy)</td>
</tr>
<tr>
<td>Birth</td>
<td>Birth certificate or proof that the birth certificate is registered.</td>
</tr>
<tr>
<td>Adoption</td>
<td>Court adoption or adoption agency placement letter.</td>
</tr>
<tr>
<td>Divorce</td>
<td>Notification of date of divorce.</td>
</tr>
<tr>
<td>Death</td>
<td>Notification of date of death.</td>
</tr>
<tr>
<td>Loss of Other Insurance Coverage</td>
<td>HIPAA notice of coverage loss.</td>
</tr>
</tbody>
</table>

If you are dropped from other coverage due to divorce, you have 31 calendar days to enroll in an MPS plan with proof of loss of coverage.

Open Enrollment for Health and Dental Coverage

The annual open enrollment period will be held during November each year with plan coverage effective January 1st. Open enrollment materials will be distributed to eligible employees in late October. Look for the specific dates and deadlines for Open Enrollment on the MPS website and in printed materials. The open enrollment period allows active employees who are eligible to enroll in a health and/or dental plan to add dependents or change health and/or dental plans. The open enrollment period also allows current enrolled retirees and surviving spouses to change health plans and retirees with family health plan coverage to add dependent children. Please note: Currently, our Medicare eligible retirees/spouses and their dependents have one health care plan option, the MPS Group Medicare Advantage plan.

Current employees can enroll in Opt-Out during Open Enrollment. See page 8 for more information about the Opt-Out plan.

Updated January 1, 2019
Removing Ineligible Dependents from Your MPS Health and/or Dental Plan

You are required to notify MPS Department of Benefits, Pension & Compensation of events such as a divorce, death of spouse or domestic partner or dependent, or the end of a domestic partner relationship in order to remove ineligible dependents from your plan. In the case of divorce, your ex-spouse and your step-child(ren) from that marriage are no longer eligible to be covered as your dependents and you must remove them from your MPS health and dental plan within 31 calendar days.

MPS reserves its rights to pursue appropriate disciplinary action against you, up to and including termination of your employment with MPS, as well as any available legal remedies to recover benefits wrongfully paid on behalf of ineligible dependent(s) including notification to local law enforcement authorities regarding possible insurance fraud.

When Health and Dental Coverage Ends

Board-paid health and dental coverage for the employee and all dependents ceases on the last day of the month following the month in which the employee becomes ineligible due to non-payment of the required employee premium contribution, termination, suspension, resignation, layoff, reduction in hours below 30 hours per week, or unpaid status for more than one-half the number of paid work days in a calendar month. However, for Early Start and Traditional School Calendar employees who lose eligibility at the end of their regularly scheduled school year, health and dental coverage ceases on August 31 following the loss of eligibility.

As per Board policy/procedures, Plan provisions, and state/federal mandates coverage ceases for dependents as follows:

- Spouse - coverage ends at the end of the month in which the spouse is no longer legally married to the subscriber.
- Dependent Child
  1. End of the month in which adult child attains age 26 per current state and federal mandates in effect as of the date of this publication.
  2. Delta Dental (MPS Dental Indemnity Plan) coverage ends at the end of the month in which the child attains age 26.
  3. Health/Vision and Care Plus Dental coverage ends at the end of the month in which the child attains age 26, regardless of support, unless prior to attaining age 25 the child is and continues to be both incapable of self-sustaining employment by reason of mental or physical disability and chiefly dependent upon the subscriber and/or subscriber's spouse for support and maintenance. Proof of such incapacity and dependency must be furnished by the subscriber to the employee’s health plan, at no expense to the employee’s health plan, within 31 calendar days of the child's attainment of age 25, and subsequently when and as often as the employee’s health plan may reasonably require but not more frequently than annually after the two-year period following the child's attainment of age 25.
  4. Grandchild - coverage ends at the end of the month when the grandchild's parent loses dependent status or the grandchild's parent turns 18 or the subscriber and/or spouse no longer provide more than 50 percent of the grandchild's support.
  5. Loss of legal status - coverage ends at the end of the month in which the child no longer meets the definition of stepchild or legal ward. For example, a stepchild’s parent is no longer legally married to the subscriber; legal ward’s coverage ends at age 18.
  6. Emancipation - coverage ends at the end of the month in which the child is legally emancipated, even if the emancipation occurs prior to the attainment of age 19.

In the event you, your spouse or your dependent children lose Board health and/or dental insurance coverage due to a loss of employment for any reason (except gross misconduct), divorce, death of a spouse, over-age dependent child, or reduction in hours below 30 hours per week, you and/or your spouse and dependent children are eligible to remain in the group on a self-pay basis for either 18 or 36 months. For more information about COBRA continuation, contact MPS Department of Benefits, Pension & Compensation.
**Health Insurance Opt-Out**

If you are eligible and covered by another employer's health insurance you may choose not to be covered by Milwaukee Public Schools health insurance and receive $50 per month (up to $500 per year pro-rated on a 10 month basis). In order to be eligible for the Opt-Out option, eligible employees must provide (1) Annual Verification of current health coverage under another employer group health plan and (2) Attestation of you and your tax family’s (as defined by the IRS) having Minimum Essential Coverage (MEC) as defined by the Affordable Care Act (ACA). For more information about tax family/dependents go to [www.irs.gov/uac/who-can-i-claim-as-a-dependent](http://www.irs.gov/uac/who-can-i-claim-as-a-dependent). For more information regarding MEC go to [www.irs.gov/affordable-care-act/individuals-and-families/aca-individual-shared-responsibility-provision-minimum-essential-coverage](http://www.irs.gov/affordable-care-act/individuals-and-families/aca-individual-shared-responsibility-provision-minimum-essential-coverage). Please note that a copy of your ID card is not accepted as proof of other coverage. If your other insurance is through a government program like Tri-Care, the VA, or BadgerCare, or if you are already covered under MPS, you are not eligible for this program.

The Opt-Out plan will not automatically roll-over from year to year. All employees must provide the required documentation when enrolling into this plan for the first time and during Open Enrollment. For further information, please contact MPS Department of Benefits, Pension & Compensation or search mConnect for **$500 Opt-Out Option**.

**This option is only available within the first 31 calendar days of eligibility, during the annual open enrollment period or within 31 days of becoming eligible for coverage under a different employer due to a Family Status Change.**

**Opt-Out plan during a leave of absence:** Please note that if you are enrolled in Opt-Out and you go on an unpaid leave of absence, your Opt-Out option will terminate as soon as you have no active pay. If you are on FMLA, your Opt-Out plan will automatically be reinstated once you return to work. For any non-FMLA leave, you will need to re-enroll and provide proof of other coverage once you return to work.

**NOTE:** A limitation of the Opt-Out plan includes employees who are covered as a dependent under an MPS health plan and submit another employer plan as coverage – these employees are not eligible for the MPS Opt-Out option while covered under an MPS health plan.

Eligibility for Rehired Retiree Benefits

Under a district-wide provision effective July 1, 2013, all MPS retirees who are enrolled in MPS retiree medical and life insurance benefits will not lose eligibility for such retiree benefits by being rehired in MPS benefit-eligible positions. However, they will not be eligible to enroll in active medical and life insurance benefits unless they submit an irrevocable signed waiver of their MPS retiree medical and life insurance benefits. An MPS retiree who signs a irrevocable waiver of their previously earned MPS retiree medical and life insurance acknowledges that he/she (a) permanently and irrevocably forfeits their previously earned eligibility for themselves and their enrolled dependents for retiree medical and life insurance benefits and (b) is eligible to enroll in active MPS medical and life insurance benefits. A rehired retiree that keeps his/her retiree medical and life insurance is eligible to enroll in active dental coverage within 31 days of rehire in a benefit-eligible position.

Rehired Wisconsin Retirement System (WRS) Annuitants

For employees who terminate before July 1, 2013: A WRS participant who has applied to receive a retirement annuity must wait at least 30 days between terminating covered employment with a WRS employer and returning as a participating employee. If the employee does not wait the 30-day period, and is rehired before the expiration of the 30-day period, the employee is not eligible to receive a WRS retirement annuity. The rehired annuitant who has fulfilled the requirements and meets the eligibility criteria under the WRS may choose to either return to active participation in the WRS or continue their WRS annuity and must complete a WRS Rehired Annuitant Election Form.

For employees who terminate on or after July 1, 2013: A WRS annuitant must remain separated from employment with a WRS participating employer for at least 75 days in order to be an eligible rehired annuitant. If a WRS annuitant, or disability annuitant who has attained his or her normal retirement date, is appointed to a position with a WRS-participating employer, in which he or she is expected to work at least two-thirds of what is considered full-time employment by ETF, the annuity must be terminated and no annuity payment is payable until after the participant again terminates covered employment. These provisions first apply to a WRS participating employee who terminates on or after July 1, 2013.

**Employee Premium Contributions – Additional Information**
When the Department of Benefits, Pension & Compensation is notified in a timely manner of a Family Status Change (within 31 days), premium adjustments will be made via the employee’s payroll. Late status change notices will not result in retroactive premium refunds. If you are granted an approved leave, including leaves under the Family Medical Leave Act (FMLA), you are still required to pay your employee premium contribution. If your leave is unpaid, your employee premium contribution will be put into arrears. These deductions will be applied to your next paycheck upon your return to work, or billed to you in full if you do not return to MPS at the end of your unpaid leave.
Employee Health & Dental Premium Contributions

Health Insurance – Per Paycheck Employee Premium Contributions
Effective January 1, 2019 through December 31, 2019

Employee insurance premium share is deducted from twenty (20) paychecks, for all employees, starting with the first paycheck in January 2019 through the first paycheck in June 2019. Deductions will resume with the first paycheck of September 2019 through the last paycheck in December 2019. There are no “make-up” contributions for 10-month employees, and 12-month employees do not pay any premium share in July and August.

STD pays a weekly benefit in the event you cannot work because of a covered illness or injury. A STD benefit replaces a portion of your weekly income, providing funds directly to you to help pay your bills and living expenses. Premiums are employee-paid through a monthly payroll deduction.

The weekly STD benefit is 66 2/3 percent of the first $5,769 of your weekly insured predisability earnings, reduced by deductible income.

The maximum benefit period is as follows:

- 180 days for all other eligible employee units.

Enrollment for this benefit is done online through The Standard Insurance Company’s website standard.benselect.com. Benefit-eligible employees can elect the STD coverage within 31 days of becoming eligible and coverage begins the first day of the month that follows or coincides with 30 consecutive days of eligibility.

Elections made after the 31 day eligibility period will be subject to a 60 day benefit waiting period.

Effective January 1, 2018, upon initiation of STD Benefits, you will not be able to receive any paid leave (except vacation pay) from Milwaukee Public Schools. As a result, effective January 1, 2018, employees should be taking unpaid leave when electing to initiate STD benefits.

**BENEFITS INFORMATION FOR EMPLOYEES ON LEAVE OF ABSENCE**

**Unpaid Leave of Absence** - (Except Family Medical Leaves (FMLA) – see FMLA section on page 20.)

If you are on an unpaid leave of absence which includes suspension, your benefits will be administered as follows:

**Health/Vision and Dental Coverage:** Board paid coverage ceases on the last day of the month following the month in which your unpaid status is effective.

For example, if your unpaid leave of absence is effective on November 25th, your Board paid coverage will remain in effect until December 31st and you will be billed for coverage starting January 1st. If your unpaid leave of absence is effective on December 4th, Board paid coverage will remain in effect until January 31st and you will be billed for coverage starting February 1st.

However, for ten month employees who go on unpaid status after the end of the school year or at the start of the next school year, Board paid coverage ceases August 31st.

**Group Basic Life Insurance and Additional Life Insurance Coverage:** Board paid Life Insurance and Additional Life Insurance coverage (if applicable) terminates at the end of the month in which your unpaid leave of absence begins. You will be billed for coverage starting the following month.

**Short Term Disability and Long Term Disability (Employee paid benefits):** If you are on an unpaid leave of absence (non-health related) and enrolled in Short Term Disability (STD) and/or Long Term Disability (LTD), your STD and/or LTD will be terminated as of your leave of absence date. If you are on an unpaid leave of absence that is health-related, you will be billed for coverage starting the following month.
Self-Pay Option
Once your Board paid coverage has ended as outlined on the previous page, you have the option of continuing your coverage by self-paying the entire premium amount. Please note that health and/or dental coverage extended under the leave provision is automatically deemed to be continuation coverage under COBRA.

Per COBRA guidelines, the plan is not required to send monthly premium notices for self-pay benefits. Please contact us if there is any question regarding what you owe. If you choose not to self-pay for your coverage, your coverage will end the first month you are billed as described above. MPS Department of Benefits, Pension & Compensation will initially bill you for amounts owed. If you do not receive a bill within 3 weeks of your coverage ending, please contact us at the following numbers:

- If your LAST NAME begins with A-G call: 414-475-8158
- If your LAST NAME begins with H-O call: 414-475-8233
- If your LAST NAME begins with P-Z call: 414-475-8215
- Life Insurance and Short/Long Term Disability call: 414-475-8699

If you elect to exercise this self-pay option, any such period of self-paid coverage will be deemed to be an election to exercise COBRA continuation coverage and will count against your applicable period of COBRA continuation coverage. Per COBRA guidelines, the plan is not required to send monthly premium notices; please contact us if there is any question regarding what you owe.

If you choose, you may switch to single coverage at any time while on unpaid leave of absence. However, you cannot re-enroll in a family plan until the next available open enrollment period. Your application to switch to single coverage must be received by MPS Department of Benefits, Pension & Compensation prior to the effective date requested.

For example, if you would like to switch to single medical coverage effective November 1st, your application to change to single must be received by us by October 31st. Timely receipt of your application for the effective date requested still applies whether or not you are in receipt of a billing statement.

Return from Unpaid Leave of Absence
If you do not continue your benefits while on an unpaid leave of absence by self-paying the applicable premium, your medical/vision and dental insurance will remain terminated until you return to work and you must re-enroll for coverage as explained below. Your effective date of coverage is subject to the same eligibility rules that apply to a new employee. **Your health/vision and dental coverage are NOT automatically reinstated if your policy lapses due to non-payment.** You must submit a completed enrollment form within 31 calendar days of your return to work or you must wait until the next open enrollment period (currently scheduled for November with coverage effective January 1st) to enroll.

For example, if you return to work on April 18th and submit a completed enrollment form to MPS Department of Benefits, Pension & Compensation within 31 calendar days, your dental/health/vision coverage is effective June 1st. If you return to work on April 18th but do not submit a completed enrollment form within 31 calendar days you must wait until the next open enrollment period to enroll.

If you continue your benefits by self-paying for coverage while on unpaid leave of absence, you will not need to re-enroll upon your return to work. However, Board paid health/vision and dental will not resume until after the applicable waiting periods as described above. **You must continue to self-pay throughout the waiting periods until Board paid coverage resumes in order to have continuous coverage.**

**Group Basic Life Insurance** coverage, if applicable, is reinstated automatically upon your return to work within 90 days. If you are returning to work after 90 days, your life insurance will begin 1st of the month following 31 days.

**Short Term Disability, Long Term Disability and Additional Life Insurance** coverage are reinstated if you return to work within 90 days. If you return from leave after 90 days your coverage will not be reinstated. You can re-enroll in these benefits at [standard.benselect.com](http://standard.benselect.com) and coverage will begin the first day of the month that follows or coincides with 30 consecutive days of your return from leave. Evidence of Insurability may apply.
**Paid Leave of Absence**

**Health/Vision, Dental, Group Basic Life Insurance, Short Term Disability, Long Term Disability and Additional Life Insurance Coverage:**
If you qualify and are granted a paid leave of absence your Board paid health/vision, dental, and life insurance coverage will continue as long as you are on the paid leave of absence. If you are enrolled in Short Term Disability, Long Term Disability and/or Additional Life Insurance, your coverage will also continue as long as you are on a paid leave of absence and premium contributions are deducted from your paycheck, when applicable.

Upon your return to work from a paid leave of absence to a benefit-eligible position you do not need to reapply for health/vision, dental, life insurance, Short Term Disability, Long Term Disability and/or Additional Life Insurance coverage, if your premiums were paid, when applicable.

**Family Medical Leave (FMLA)**

**Health/Vision and Dental Coverage:** If you qualify and are granted a leave under the FMLA, your Board paid health/vision and dental coverage will continue as long as you are on FMLA. NOTE: You are still required to pay your employee premium contribution. If you take a paid FMLA, premium contributions will be deducted as usual from your paycheck. **If your FMLA is unpaid, your missed employee premium contribution will be put into arrears, and these deductions will be applied in full to your first paycheck upon return to work from your approved leave or billed to you in full if you do not return to work at the District at the end of your unpaid FMLA leave.**

If you exhaust your FMLA and continue on an unpaid leave of absence please refer to the Unpaid Leave Of Absence section above for information on how this will affect your benefits.

**Group Basic Life Insurance Coverage:** If you are on a paid Family Medical Leave your Life Insurance will continue. Your Board paid Life Insurance coverage is terminated at the end of the month you begin your unpaid FMLA Leave. Once your Board paid coverage has ended, you have the option of continuing your Life Insurance coverage by self-paying the entire premium amount. If you choose not to self-pay for your coverage, you will not have coverage as of the first month you are billed. MPS Department of Benefits, Pension & Compensation will initially bill you for amounts owed.

**Voluntary Benefits Billing- Short Term Disability, Long Term Disability and Additional Life Insurance:** If your FMLA is unpaid and you are enrolled in voluntary Short Term Disability (STD), Long Term Disability (LTD) and/or Additional Life Insurance, MPS Department of Benefits, Pension & Compensation will bill you for the amount owed and you can continue the coverage by self-paying the entire premium amount. These benefits terminate at the end of the month in which your unpaid leave of absence begins. If you choose not to self-pay for your coverage, you will not have coverage as of the first month you are billed. If your FMLA is paid, your STD, LTD and/or Additional Life Insurance will continue, as premium contributions will be deducted from your paycheck when applicable.

**Healthcare Flexible Spending Account (FSA)**

If you are on an unpaid leave of absence and your MPS health insurance coverage ends, your Healthcare FSA will end the same day. This is either on the last day of the month following the month in which you become ineligible due to non-payment of the required employee premium contribution, suspension, layoff, or unpaid status for more than one-half the number of paid work days in a calendar month. However, for Regular/Traditional and Early Start School Calendar employees who lose eligibility at the end of their regularly scheduled school year, health coverage along with the Healthcare FSA, ends on August 31 following the loss of eligibility.

In the event you lose your FSA coverage, you may be eligible to elect Healthcare Reimbursement Account (HCRA) COBRA Continuation Coverage. In order to be eligible for HCRA COBRA Continuation Coverage, you must have elected COBRA Continuation Coverage under the applicable health plan, and must also have a positive balance in your reimbursement account as of the date of the qualifying event.

**FSA Card Usage After Termination of FSA:** Once WageWorks is notified of the termination of your account, you will not be able to use the card as the card will be inactivated and cannot be reissued. You will need to submit a Healthcare Claim Form in order to get reimbursed for your FSA balances. You can obtain this form by logging into

This voluntary retirement savings plan, also referred to as a tax-deferred annuity plan, is available to all MPS employees. Similar to a 401(k) plan, this 403(b) plan allows you to make voluntary before-tax contributions from your salary via payroll deduction. Summary of Retiree Benefits Effective with Dates of Retirement

On or After July 1, 2013

RETIRER HEALTH – ELIGIBILITY REQUIREMENTS

Effective with a date of retirement on or after July 1, 2013, employees with 20 or more years of eligible service and at least 60 years of age may continue in the group health insurance program. The employee must be enrolled in a health plan as the subscriber immediately prior to their date of retirement and meet the eligibility requirements in order to continue on a Board-paid or self-paid basis.

In addition, certain employees with dates of retirement between July 1, 2017 and June 30, 2020 who are in enrolled in a health plan as a subscriber immediately prior to their date of retirement may also continue in the group health insurance program. The employee must be enrolled in a health plan as the subscriber immediately prior to their date of retirement and meet the following eligibility requirements:

1. the employee must have attained age 55 or older between July 1, 2017 and June 30, 2020;
2. the employee has at least 20 or more years of MPS service; and
3. the employee has been employed by the MPS as of June 30, 2013 with no separation from service after that date; and
4. district support employees must give notice of retirement no less than 90 days advance notice of intent to retire, and school-based support employees must give notice of retirement no later than January 31 of the year of retirement, with the actual date of retirement to occur on the date which is the first business day after the last day of the school year in which retirement occurs.

Employees who meet the age and service requirements above but have less than the 90% of the maximum sick leave accumulation may remain in the health insurance program on a self-pay basis.

If the employee described above has 90% or more of the maximum allowable full-day accumulation of sick leave, the employee will be allowed to continue in the PPO Health Plan, the EPO Health Plan, or the HDHP and the Board will pay its share of the average of the PPO Health Plan and EPO Health Plan active single plan or family plan premium rate in effect as of the employee’s date of retirement in accordance with Board policy and Plan provisions. This applicable average active health plan premium rate is net (e.g. reduced by) the average employee required premium contribution from the salary band in effect as of the employee’s retirement date. This is the “Board’s share” and is also referred to as the “Board subsidy”. Note: For Building Trades employees who retire on or after September 1, 2010, the Board will pay its share of the rate in existence for the EPO Health Plan at the time of retirement.

If the employee meets the age and service requirements but has less than the 90% of the maximum sick leave accumulation, the employee may remain in the health insurance program on a self-pay basis. In making the 90% determination, all half-day balances will be converted into full-day equivalents.

The maximum allowable sick leave accumulation may be either 1,160 hours (for 10-month employees) or 1,200 hours (for 12 month employees including 12 month Clerical-Technical employees), depending on their scheduled work year.

As described above, the Board’s share of the average of the active PPO Health Plan and EPO Health Plan in effect at the date of retirement will be the Board subsidy. Upon reaching Medicare eligibility (currently age 65), the Board subsidy will be adjusted (reduced) to the Board’s share of the average of the Medicare rates in effect as of the date of retirement for the plan you are in at the time of Medicare eligibility, to reflect coordination with Medicare.

Note: Effective January 1, 2017, health plan rates were set for the entire calendar year and remain unchanged from January through December 2017.
Effective with dates of retirement on or after July 1, 2013, the methodology to determine retiree premium rates is changed to establish a pre-Medicare retiree premium rate for self-paid coverage and is applied to self-pay retirees who retire on or after July 1, 2013 (e.g. for those retirees who meet the age and service eligibility requirements but are not eligible for the Board subsidy).

**Open Enrollment for Retiree Health Coverage**
The annual open enrollment period is during October/November each year with plan coverage effective January 1st. The open enrollment period also allows current enrolled retirees and surviving spouses to change health plans. Retirees with family health plan coverage can only add eligible dependent children. **Please note:** Currently, our Medicare eligible retirees/spouses and their dependents have one health care plan option, the MPS Group Medicare Advantage plan.

**Husband and Wife – Both Retired From MPS**
Depending on the employee’s retirement date (see chart below), where husband and wife both retire from MPS and both meet eligibility requirements for Board-paid retiree health coverage as of his/her date of retirement, the Board subsidy as explained above is the Board’s share of the average of the premium rates in effect as of his/her date of retirement for one (1) family plan or two (2) single plans.

Medicare Part B for Dates of Retirement on or after July 1, 2013

As a retiree, regardless of whether or not you are in Social Security, you and your covered dependents are required to subscribe to Medicare part "B" at age 65 or if eligible due to Social Security disability. If you participated in Social Security during your working life, you are also required to take Medicare part "A" which is currently free. **Enrollment in Medicare is required as the MPS retiree health plan is a group Medicare Advantage Plan and an individual cannot be enrolled in a Medicare Advantage Plan unless enrolled in both Medicare Part A and Part B.**

When you as a retiree and/or your dependent becomes Medicare eligible, you will receive the MPS Medicare Advantage Plan upon reaching Medicare eligibility (currently age 65), and the Board paid amount will be adjusted (reduced) to reflect coordination with Medicare.

The Medicare "B" premium can be reimbursed by MPS to the retiree who is the subscriber of the retiree health plan, to the extent that your MPS premium and Medicare "B" premium do not exceed your total Board paid amount as adjusted once you reach Medicare eligibility. This reimbursement, if applicable, for the Medicare part "B" premium is paid to the retired employee (subscriber) only (not payable to a retiree’s spouse), once you, the retiree, become Medicare eligible. If you retire after attainment of age 65, you and your spouse if eligible for Medicare, must enroll in Medicare parts "A" and "B" immediately.

**Death of Retired Employee Enrolled in an MPS Retiree Health Plan**

In the event of the death of a retired employee enrolled as the subscriber in an MPS retiree health plan, the spouse (at the time of retirement) is allowed to continue in the retiree health insurance in a single plan with the Board paying its share of the applicable premium rate for the single plan in effect at the time of retirement. Further, the Board’s share will be adjusted (reduced) once eligible for Medicare for those employees that retired 7/1/13 or after. If the retired employee did not have the required accumulation of sick leave as of their date of retirement, the surviving spouse shall be allowed to continue in the single retiree health plan on a self-paid basis. Such surviving spouses shall not be eligible for Board-paid or self-paid health insurance coverage if otherwise covered because he/she remarries or is covered by another group health insurance plan.

**Note: Eligibility Restrictions:**

- (3) Board members are not eligible for this surviving spouse benefit.
- Retired Substitute Teachers are not eligible for this surviving spouse benefit.
Death of Employee in Active Service - Eligibility for Health Insurance

If an employee enrolled as the subscriber in an MPS health plan dies while in active service and as of the date of death has met the retiree health eligibility requirements of 20 or more years of eligible service then:

A. The surviving spouse and eligible dependents can continue health coverage with the Board paying its share of the premium until the surviving spouse remarries or is covered by another group health insurance plan; and

B. When the surviving spouse turns age 60, he/she (but not any dependents) will be eligible to continue coverage in a single plan and will be covered as a surviving spouse of an employee who retired that month. The Board paid amount will be the Board’s share of the single premium as described in the Retiree Health – Eligibility Requirements section, in effect as of the date of the surviving spouse turning age 60 if the employee had the required 90% of maximum sick leave balance as of the employee’s date of death. The Board paid amount will be adjusted once the surviving spouse is eligible for Medicare.

If the employee did not have the required 90% of maximum sick leave as of the employee’s date of death, continuation in health coverage will be self-paid as invoiced by the Board.
