3. Upon completion of the sabbatical leave, the Certificated Employee agrees to return to teach in the Milwaukee Public Schools for a period of at least two (2) years. Certificated Employees may accept employment elsewhere, but if they do so, they must reimburse the Board for the amount of salary invested in them while on sabbatical leave. Such payments shall be made in equal monthly installments computed on the basis 1/36 of the amount which the Board has paid to said Certificated Employee during the period of their sabbatical. The maximum amount paid cannot exceed fifty percent (50%) of such salary. **THE REQUIRED NUMBER OF CREDITS PER SEMESTER IS NINE (9).**
5. The Board guarantees that, upon return from sabbatical leave, the Certificated Employee shall be reassigned in accordance with the provisions of the Master Contract. His/her placement on the salary schedule shall be what he/she would have attained had he/she remained in assignment while giving full credit for additional training received during the sabbatical leave. Reclassification, if any, shall be in accordance with the policy entitled, "The Recognition of Professional Training."

6. While on leave, the Certificated Employee will continue to participate in all benefits provided for under the contract between the Milwaukee Teachers' Education Association and the Board, or the Administrators' and Supervisors' Council and the Board, as appropriate, as if the employee had remained during the period of the sabbatical leave. The Board will continue to make properly authorized deductions such as membership dues.

- 8. The Certificated Employee reserves the right to make additional payments of principal on any monthly payment date and further reserves the right on any such date to anticipate the full amount then due thereon to pay the same in full.
