

WE NEED YOUR HELP.

HOMELESS

But not helpless.

Homeless Education Program (HEP)

Homeless Milwaukee families are in need of basic items. *You can help.*

The MPS Homeless Education Program is able to directly provide families in need with donations. Please consider the Homeless Education Program when your family, group, school, church, employer, or club is planning a fundraising or donation project.

Please call us at (414) 475-8911 for information regarding needed in-kind donations or financial contributions.

Frequent needs: hygiene items, school supplies/backpacks, coats/cold weather gear, Goodwill/other gift cards. We ask that items are new or in unused condition due to limitations in cleaning and storing donations.

We are unable to accept food donations at this time; please consider your local pantry or the Hunger Task Force for food items.
