#### Vision and Values

#### School Improvement Goals and Strategies

**Vision:**  
Together we will provide a rigorous academic and career-defining curriculum that will empower our students to graduate, prepared to excel, and succeed globally!

**Values:**  
Together, we will continue to transform Washington IT, into a culturally responsive environment which focuses on high quality teaching and learning experiences for all learners.

- Goals 1 and 2:** Our school will increase the percent of students who score proficient math and English language arts on the state assessments year after year.  
**Strategy:** Create, implement, and monitor an instructional plan to address reading, writing, and math and strategies throughout the 2021-22 school year.  
Supply staff with ongoing support through coaching, mentoring, observations and feedback.  
Provide a system of academic intervention to ensure that all students are moving towards proficiency and making progress in meeting grade level expectations.
- Goal 3:** Our school will increase the percentage of students graduating in four years. *(for High Schools only)*  
**Strategy:** Utilize staff to ensure students are prioritizing the required courses to graduate year after year.
- Goal 4:** Our school will attain a test participation rate of 95% or higher.  
**Strategy:** Provide strategies to improve engagement throughout the year.
- Goals 5 and 6:** Our school will maintain a 95% attendance rate and increase the number of students who attend school on a regular basis.  
**Strategy:** Create a positive school climate and culture in which all students are welcomed and enjoy coming to school.  
Promote regular, on-time attendance for all students.
- Goals 7:** Our school will create a positive school climate and culture in which all students feel valued and respected.  
**Strategy:** Create opportunities for students, staff, families, and the community to discuss, listen, share, and learn from one another.
