South Division High School

- February 22, 2025, from 9:00 a.m. to 12:00 p.m.
North Division High School

IMPORTANT: REVIEW THE MPS VISITOR POLICY

MPS welcomes families in our buildings. To maintain a safe, productive learning environment, we have policies to ensure visits do not interrupt teaching and learning during the school day.

When you are visiting a school, please remember:

- Families are always welcome to observe their child's classroom and meet with school staff during non-instructional time. These meetings must be scheduled in advance to avoid disruptions to the school day. Please contact the office to schedule a visit.
- During meetings, conferences, and classroom visits, each student may have TWO visitors present, unless additional visitors are approved in advance.
- Visitors must always be accompanied by a staff member.
- When visitors are dropping off items at school, students will be called to the office.

Read the full Visitor Policy in the Parent/Student Handbook on Rights, Responsibilities, and Discipline at mpsmke.com/rights.

SEEKING LONG-RANGE FACILITIES MASTER PLAN COMMITTEE MEMBERS

Milwaukee Public Schools is seeking interested and committed MPS staff, family members, and students, along with other community members, to serve on steering committees to guide decisions about our buildings. The district is working with Perkins Eastman, the consultant studying MPS buildings on this project. An interest form can be found on the Long-Range Facilities Master Plan website, at www.mpsfacilitiesplan.com/steering-committees.

Submissions for serving on the steering committees will be accepted until **January 17**. The first meetings could take place as soon as late January. Those who are selected would serve on a citywide and/or regional steering committee to help guide the district's plan for its facilities. Meetings will be held monthly.

The input of committee members is essential. It will ensure that the Long-Range Facilities Master Plan reflects the needs, values, and aspirations of the communities that MPS serves.

For more information about the 10-year plan and to subscribe to project updates, please visit www.mpsfacilitiesplan.com.

MPS PARENT ADVISORY GROUP: World Languages K-12 Textbooks/Instructional Materials Evaluation

We are in the process of adopting new textbooks for World Languages K-12. We want family insight and perspective in this important undertaking. Therefore, we would like parent members to participate in an advisory capacity. The parent advisory group shall serve to review the materials and make recommendations. The advisory will not be a final decision-making body but will suggest which textbooks they believe would best support student learning.

The parent advisory group will have access to review materials as soon as they arrive. Materials can be viewed virtually or in person. If you are interested in participating, please complete the [form](#) for additional information. For more information contact, Ja'Quita Murphy Textbook Coordinator for Milwaukee Public Schools, at murphyj1@milwaukee.k12.wi.us.

The form worked

01:12:49 Ferron Morgan: We are working in MKE along with three other southern districts in three states (TX, AR, MS).

01:14:36 Barbee - Jazmine: on boarding
01:14:45 Myeesha Johnson: Reacted to "Professional develop..." with 👍
01:15:04 E.B.: The district onboarding process is SO SLOW
01:15:15 Jill W: There is room for improvement in most of these areas. We have schools where performance reviews do not happen, and schools where they happen only in a top-down way (not 360).
01:15:29 Jenna Stanley: Reacted to "The district onboa..." with 👍
01:15:41 Vanessa Brown: Understanding urban education and culture
01:15:56 Nicole Crown: Reacted to "Understanding urban ..." with ❤️
01:16:14 Renee Hoover-Hicks: Are you going to work with 6 - 12 schools
01:16:23 Briana Fox, MSIS: Reacted to "There is room for im..." with 👍
01:16:28 Jenni, Maryland: Reacted to "There is room for ..." with 🙌
01:16:33 Joelle Worm, Maryland and Reagan: Do you all have strategies for connecting in licensure pathways?
01:16:36 Manuel Ishag: Another important aspect is continuous assessment to avoid declining performance after a long time with the district. But also ensuring that teachers are provided with the resources to continue providing the best possible education
01:16:52 Vanessa Brown: It also takes a long time for employees to be hired for application submittal

01:16:56 E.B.: the school based on boarding process is also problematic. Schools don't have the personnel, time, etc to effectively support new staff as they transition in

01:17:06 dejon Addison: I would appreciate having a thorough background for candidates who are planning to working at MPS.

01:17:16 Jenni, Maryland: Reacted to "the school based o..." with 👍

01:17:22 Briana Fox, MSIS: Reacted to "the school based on ..." with 👍

01:18:17 Jenni, Maryland: Replying to "the school based o..."

There is also a timing issue just around having to access email to do some things but not being able to log into a computer... those little things that take time away and are a bad look.

01:18:18 Jill W: Speed of hire needs considerable improvement. I helped interview for an open Assistant Principal position at our school: the position was posted in July, and our interview day could not be scheduled until September. My fellow interviewers did not receive copies of the resumes, etc until 4pm the night before interview day. This was 90+ pages of resumes, letters, and transcripts, so you can guess how much of it got read before candidate interviews started at 9am.

01:18:24 E.B.: Reacted to "Speed of hire needs ..." with ❤️

01:18:37 Barbee - Jazmine: Reacted to "Speed of hire needs ..." with ❤️

01:19:40 Nicole Crown: Say that again

01:19:53 Vanessa Brown: Retention and student engagement

01:19:56 dejon Addison: How can teachers or anyone working in MPS continue their jobs after being in jail for like issues that my peers might also be involved in?

01:20:00 Barbee - Jazmine: Reacted to "Retention and studen..." with ❤️

01:20:03 OJ De La Cruz-Reagan High School: Reacted to "Retention and studen..." with ❤️

01:20:15 Elizabeth (ALBA): Reacted to "Retention and studen..." with ❤️

01:20:22 Jill W: Success would look like lasting improvements to our processes. When your funding runs out, we should be in a better place (better metrics, better retention) in an ongoing way.

01:20:47 dejon Addison: That's correct!

01:21:17 Myeesha Johnson: Reacted to "Retention and studen..." with 👍

01:22:44 E.B.: As a parent and district employee our evaluation system is pretty effective. I don't think that should be the focus of your work.

Retention of good staff and removal of poor staff are areas that need a lot of work

01:22:46 Henry Leonard: Replying to "What is the meeting ..."

@Matt Elder, MGIS I have not thought that fully through yet. This was initiated due to parents and staff et.al. felt that they were not being given a viable avenue to express their ideas, frustrations, and solutions. That formal committee meetings did not allow real or open discussions.

01:23:02 Elizabeth (ALBA): Reacted to "As a parent and dist..." with ❤️

01:23:10 OJ De La Cruz-Reagan High School: Reacted to "As a parent and dist..." with 👍

01:23:12 Briana Fox, MSIS: Offerings would be similar across the schools since staff are retained and a community built

01:23:38 Joelle Worm, Maryland and Reagan: Reacted to "Offerings would be s..." with ❤️

01:23:39 E.B.: Agreed about support for new international staff. The support needs to be there for their job but also to help support them to acclimate within in the community

01:24:13 Terri Rita: My contact information: Teresa.rita@teachinglab.org, 617-999-3376

01:24:31 E.B.: Success at hard to staff schools should look the same as it does for every school

01:25:09 Jenna Stanley: Well said, Manuel.

01:25:24 Elizabeth (ALBA): Great points Manuel!

01:25:53 Manuel Ishag: Thank you!

01:25:56 Barbee - Jazmine: Great points Manuel! I'm always happy to say I'm a PROUD MPS Alum that works for the district.

01:26:04 Jenni, Maryland: Reacted to "Do you all have st..." with ❤️

01:26:15 E.B.: Reacted to "Great points Manuel!..." with ❤️

01:26:30 Darryl Hall: Thank you for sharing Manuel!

01:26:32 OJ De La Cruz-Reagan High School: I agree Manuel. I went to MPS from the 80s and 90s, and there wasn't any push by the district to offer support to the students who wanted to be teachers.

01:26:42 Ferron Morgan: Thank you so much for your thoughts and ideas:)

01:26:43 johnw3: Good answers everyone

01:27:04 David Valdes SSAC advisor: I think coming to an SSAC meeting would enlighten you greatly as our students have much to say.
