

# **CONSENT AGENDA**

**Thursday, December 7, 2023**

## **IMPORTANT CALENDAR CHANGE IN DECEMBER**

MPS has made a change to the **early start school calendar** for fall 2023. Families should read carefully and make note of the change. **This does not impact schools on the traditional start calendar.**

This change was made to make up for learning time missed due to extreme heat at the beginning of the school year.

### **December 21, 2023— Student Attendance Day for Early Start Elementary and K-8**

**Students:** This date was previously a non-attendance day for students. Students on the early start calendar will now attend school on Thursday, December 21, 2023. This is a non-attendance day for Middle and High School students and a Records Day for Middle and High School teachers.

Please ask your child's teacher if you have any questions.

## **SCHOOL COUNSELING presents GRADE LEVEL MEETINGS for PARENTS**

MPS school counselors are hosting meetings for parents/ guardians and families with high school students. The meetings will cover college and career readiness activities for each grade level. Information will be shared so parents learn key terms, understand the options available, discover resources and programs for their child, and are clear on the requirements and deadlines at each grade level for on-time graduation. Attendees will receive the updated graduation requirements and have the opportunity to ask questions.

Mark your calendar and plan to attend these meetings!

**Attachment**

[Flyer](#)

## **CAMPUS PARENT PORTAL TECHNICAL SUPPORT**

Live Parent Portal (Campus Parent) support is available from 8:30 A.M. to 4:30 P.M., Monday through Friday.

**To recover a username/password:** Parents/guardians should email [parentportal@milwaukee.k12.wi.us](mailto:parentportal@milwaukee.k12.wi.us). Include the parent/guardian name, child's name, birth date, and a contact number. If you do not receive a phone call or email within 24 hours, please call (414) 475-8159 for further assistance.

**For assistance setting up a new Parent Portal account:** Parents/guardians may call (414) 475-8159 or email [parentportal@milwaukee.k12.wi.us](mailto:parentportal@milwaukee.k12.wi.us)

### **AFFORDABLE CONNECTIVITY PROGRAM (ACP)**

The Affordable Connectivity Program is designed to help families to afford the internet.

A federal program, the Affordable Connectivity Program (ACP), provides a \$30/month discount on home internet service. As all schools in Milwaukee Public Schools (MPS) participate in the Community Eligibility Provision (CEP), households with MPS students are automatically eligible for this discount.

Two internet providers in Milwaukee, Spectrum and AT&T, offer home internet service for \$30/month for households that qualify for the ACP.

This means that you can sign up for the ACP at [ACPbenefit.org](http://ACPbenefit.org) and then sign up for \$30/month internet service with Spectrum or AT&T.

### **MPS READS**

Each month, MPS provides a list of recommended books for preschool through grade 12 that allows students to see themselves, explore other cultures, and discover more about the world in which they live.

Help ignite a passion for reading! [Access the book list on the MPS Reads page.](#)

### **MPS CALENDAR SURVEY**

MPS administration has decided to leave the survey open to allow families who did not have an opportunity to take it to do so.

Unfortunately, paper surveys are not available, and we are aware that some families do not have an electronic device to take the survey. We are asking that you send a message to all families at your school making them aware that if they would still like to take the survey but do not have a personal electronic device to use, the school will have one available for them to use. The survey officially closed on December 4, 2023, but will stay open indefinitely to accommodate feedback from more families, students, and community members. Families were sent a link to the survey to their email address or they can register to have a new survey sent to them using the following link: [https://mpsresearch.co1.qualtrics.com/jfe/form/SV\\_cFLniRdYbnDdf00](https://mpsresearch.co1.qualtrics.com/jfe/form/SV_cFLniRdYbnDdf00)

Please provide families with your contact information so that they can get in touch with you to arrange a time to come in and do the

survey if needed. Also please make sure your school has identified a device for families to use. Please feel free to reach out to me directly if you have questions or need additional information.

18:33:52 From Winnifred To Everyone:

High schools need help after school and during/after evening activities to be proactive to prevent dangerous situations before they go down. Do you meet with the police to describe being in the area during and after extra curriculars activities. I specifically recall the situation at one of the North/Bradley Tech basketball games. Police showed up well after a gun situation outside after the game was in progress and staff, parents and students were in danger.
