Take Our Budget Survey

Help address the funding shortfall for public education!

Students, families, staff, and community members are invited to take part in a survey to aid decision making. Access the survey at <https://mpsmke.com/budgetsurvey>

Wisconsin public schools are facing budget concerns because of insufficient state funding. Had state funding kept pace with inflation, MPS would have more than \$210 million in additional support annually. Also, students with disabilities, who make up 19% of the MPS student population, are significantly underfunded by the state by at least \$50 million annually.

Questions and feedback can be submitted to Budget25@milwaukee.k12.wi.us.

News and Updates

MPS Schools Will Move to Single Calendar

At the December 21, 2023, meeting of the Milwaukee Board of School Directors, a resolution was passed that will move all MPS schools to a single calendar.

Beginning in Fall 2024, school will start after Labor Day. [Families can learn more about school calendars](#) or view calendars on the [MPS School Calendars webpage](#).

Save the Date! Kindergarten Enrollment Fair

Will your child turn 3, 4, or 5 by September 1, 2024? It's time to think about kindergarten! Kindergarten Enrollment for Fall 2024 will begin Saturday, February 3, 2024, and will kick off with an enrollment fair at South Division High School.

Mark your calendar to attend the Kindergarten Enrollment Fair on February 3, 2024, from 9:00 A.M. to 12:00 P.M. Details will follow soon.

Follow our Facebook event page [here](#).

[Affordable Connectivity Program \(ACP\)](#)

The Affordable Connectivity Program is designed to help families to afford the internet.

A federal program, the Affordable Connectivity Program (ACP), provides a \$30/month discount on home internet service. As all schools in Milwaukee Public Schools (MPS) participate in the Community Eligibility Provision (CEP), households with MPS students are automatically eligible for this discount.

Two internet providers in Milwaukee, Spectrum and AT&T, offer home internet service for \$30/month for households that qualify for the ACP.

This means that you can sign up for the ACP at [ACPbenefit.org](https://www.acpbenefit.org) and then sign up for \$30/month internet service with Spectrum or AT&T.

[MPS Reads](#)

Each month, MPS provides a list of recommended books for preschool through grade 12 that allows students to see themselves, explore other cultures, and discover more about the world in which they live.

Help ignite a passion for reading! [Access the monthly book list on the MPS Reads page.](#)

Just to clarify; funds for SPED kids are kept in the hands on the voucher schools, and MPS is still required to provide those students with services?

18:56:38 From Spanish Interpreter To Everyone:

las escuelas publicas aun tienen que brindar servicios de terapia y cuidados a alumnos que no asisten a sus escuelas. ellos absorben el costo y brindan el servicio aunque no reciban los recursos y puedan cntar esos alumnos como suyos.

Debido a esta situacin MPS absorbe esos costos y terminan dejando por la otras necesidades... los edificios necesitan mucho mantenimiento.

There is a way to do it. DPI has it but upon request I was told that they would not give me the information.

19:04:19 From Jenni, Maryland Ave To Everyone:

MPS is offering free virtual tutoring opportunities to all MPS students for the 2023 – 24 school year. Students approved for virtual tutoring will be allotted approximately two to three hours per week of services, depending on the tutoring style selected (structured or on -demand) and the student need. Requests must be submitted by the parent/ guardian on the Parent Tutoring Request form. Parents will be notified about approvals and next steps via email.

It would also be interesting to know how much the district is spending to have our special ed instructors that go to voucher schools, because that is services that gets taken away from our district students. It is crazy to be told your child doesn't get their therapy or assistance because there is only someone who is only available part of the time because they have to go to the voucher school.

My child attends Emerson Elementary! I notice in my child class theres a # of SPED students who needs extra help. However, because the teacher has to constantly stop teaching and redirecting them it hinders my child from getting proper education. What should I do? And yes i know MPS is short staffed.
