MPS.

Dear Parents/Guardians:

We are pleased to inform you that Milwaukee Public Schools has been awarded funding from the McKinney-Vento Homeless Assistance Program (HEP). This funding will help us meet the educational needs of homeless children and youth during the 2016-2017 school year. Some of the HEP-funded programs and services include:

- Transportation to and from school for homeless children and youth
- After-school programs for homeless children and youth
- Summer programs for homeless children and youth
- Instructional support for homeless children and youth
- Social services for homeless children and youth

In order to receive these services, we need your assistance in gathering information about your child's homeless status. Please complete the attached Homeless Student Intake Form and return it to your child's school as soon as possible. This form is confidential and will be used only to determine eligibility for these services.

If you have any questions or concerns, please contact your Child Services Liaison at the phone number listed below.

Thank you for your cooperation.

Sincerely,
